(57) **CLAIM**

The ornamental design for a gasket scraper, as shown and described.

DESCRIPTION

FIG. 1 is a right side elevational view of a gasket scraper, according to the present invention, the left side elevational view being a mirror image thereof;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof; and,

FIG. 4 is a front elevational view thereof.

The broken lines depict environmental subject matter only and form no part of the claimed design.
