(57) **CLAIM**

We claim the ornamental design for an input pad for a hand-held electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an input pad for a hand-held electronic device; and,

FIG. 2 is a front elevational view thereof.

The portions of the hand-held electronic device shown in broken lines are included for the purpose of illustrating environment and form no part of the claimed design. The broken lines immediately adjacent to the left and right of the input pad form an unclaimed boundary.
