(57) **CLAIM**

The ornamental design for a baccarat game display, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of a baccarat game display showing my new design invention;

FIG. 2 is a top plan view thereof;

FIG. 3 is a side elevation view thereof;

FIG. 4 is rear plan view thereof;

FIG. 5 is a front elevation view thereof, showing the second transitioning image thereof;

FIG. 6 is a front elevation view thereof, showing the third transitioning image thereof;

FIG. 7 is a front elevation view thereof, showing the fourth transitioning image thereof;

FIG. 8 is a front elevation view thereof, showing the fifth transitioning image thereof;

FIG. 9 is a front elevation view thereof, showing the sixth transitioning image thereof;

FIG. 10 is a front elevation view thereof, showing the seventh transitioning image thereof;

FIG. 11 is a front elevation view thereof, showing the eighth transitioning image thereof;

FIG. 12 is a front elevation view thereof, showing the ninth transitioning image thereof; and,

FIG. 13 is a front elevation view thereof, showing the tenth transitioning image thereof.

The parts shown in dotted lines form no part of the invention.

The drawings are lined for color.

The subject matter in this patent includes a process or period in which an image changes into another image. This process or period forms no part of the claimed design.
