(57) **CLAIM**

We claim the ornamental design for a vise for portable tool stand, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the vice of the present invention.

FIG. 2 is a left end view of the vice of the present invention.

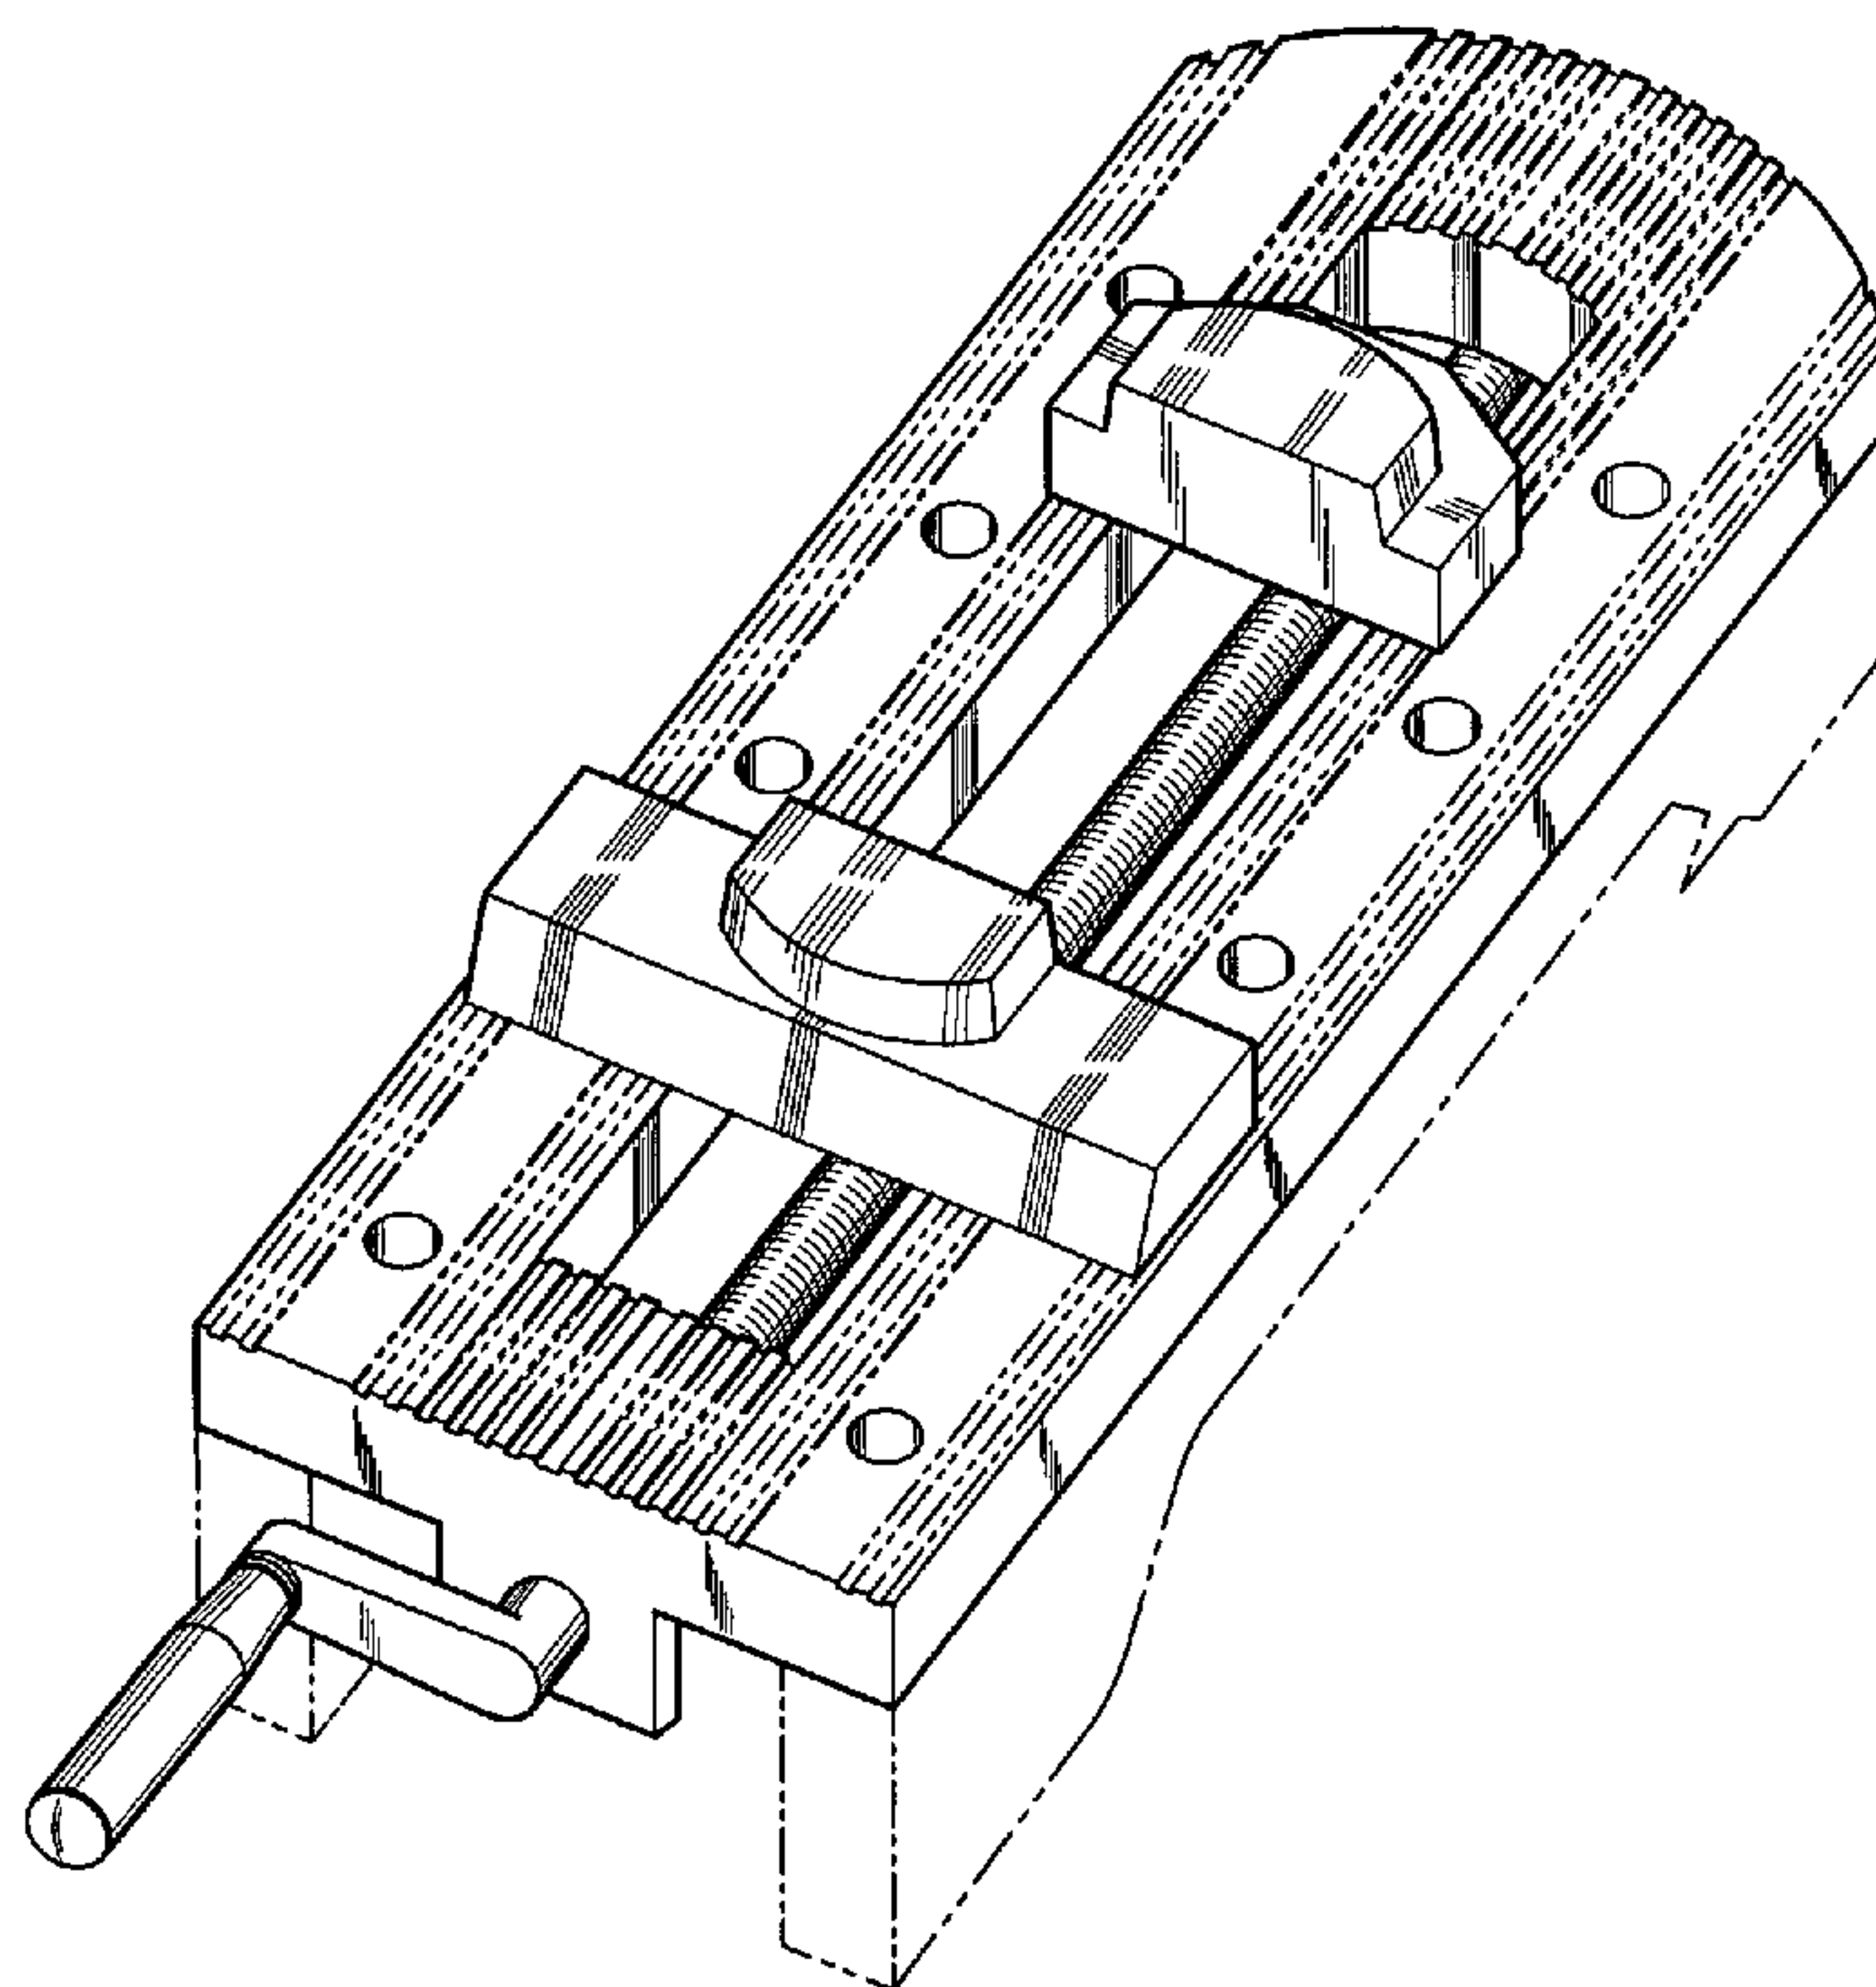

FIG. 3 is a right end view of the vice of the present invention.

FIG. 4 is a top view of the vice of the present invention; and,

FIG. 5 is a front elevation view of the vice of the present invention, the rear elevation view being a mirror image thereof.

The mounting brackets and grooves shown in broken lines are for illustrative purposes only and form no part of the claimed design.
