FIG. 1 is a front view of a portion of a display panel with a transitional computer icon showing a first image in the sequence;

FIG. 2 is a front view of the first image thereof, but shown with typeface shown in broken lines;

FIG. 3 is a front view of a second image thereof;

FIG. 4 is a front view of a third image thereof; and,

FIG. 5 is a front view of a fourth image thereof.

See application file for complete search history.

The broken lines showing a portion of a display panel depict environmental subject matter only and form no part of the claimed design.

(56) **References Cited**

The appearance of the transitional image transitions between the images shown in FIGS. 2–5. No ornamental aspects are associated with the process or period in which one image transitions to another image.
