(57) **CLAIM**

The ornamental design for a dual-tipped writing device for use with ink and correction fluid, as shown and described.

DESCRIPTION

FIG. 1 is an exploded perspective view of a dual-tipped writing device for use with ink and correction fluid, illustrated with caps of the invention disengaged from a body of the invention, showing my new design;

FIG. 2 is a rear elevational view of one of the caps of the invention;

FIG. 3 is a front elevational view of one of the caps of the invention;

FIG. 4 is a front elevational view of the body of the invention;

FIG. 5 is a rear elevational view of the body of the invention;

FIG. 6 is a top plan view of the invention;

FIG. 7 is a bottom plan view of the invention; and,

FIG. 8 is an exploded left-side elevational view of the invention, the right-side elevational view being a mirror image thereof.
