(57) **CLAIM**

The ornamental design for a baseball cap with ribbon band and ribbon flowers, as shown and described.

DESCRIPTION

The claimed cap is used expressly by women and girls.

FIG. 1 is a front elevational view of a baseball cap with ribbon band and ribbon flowers showing my new design;

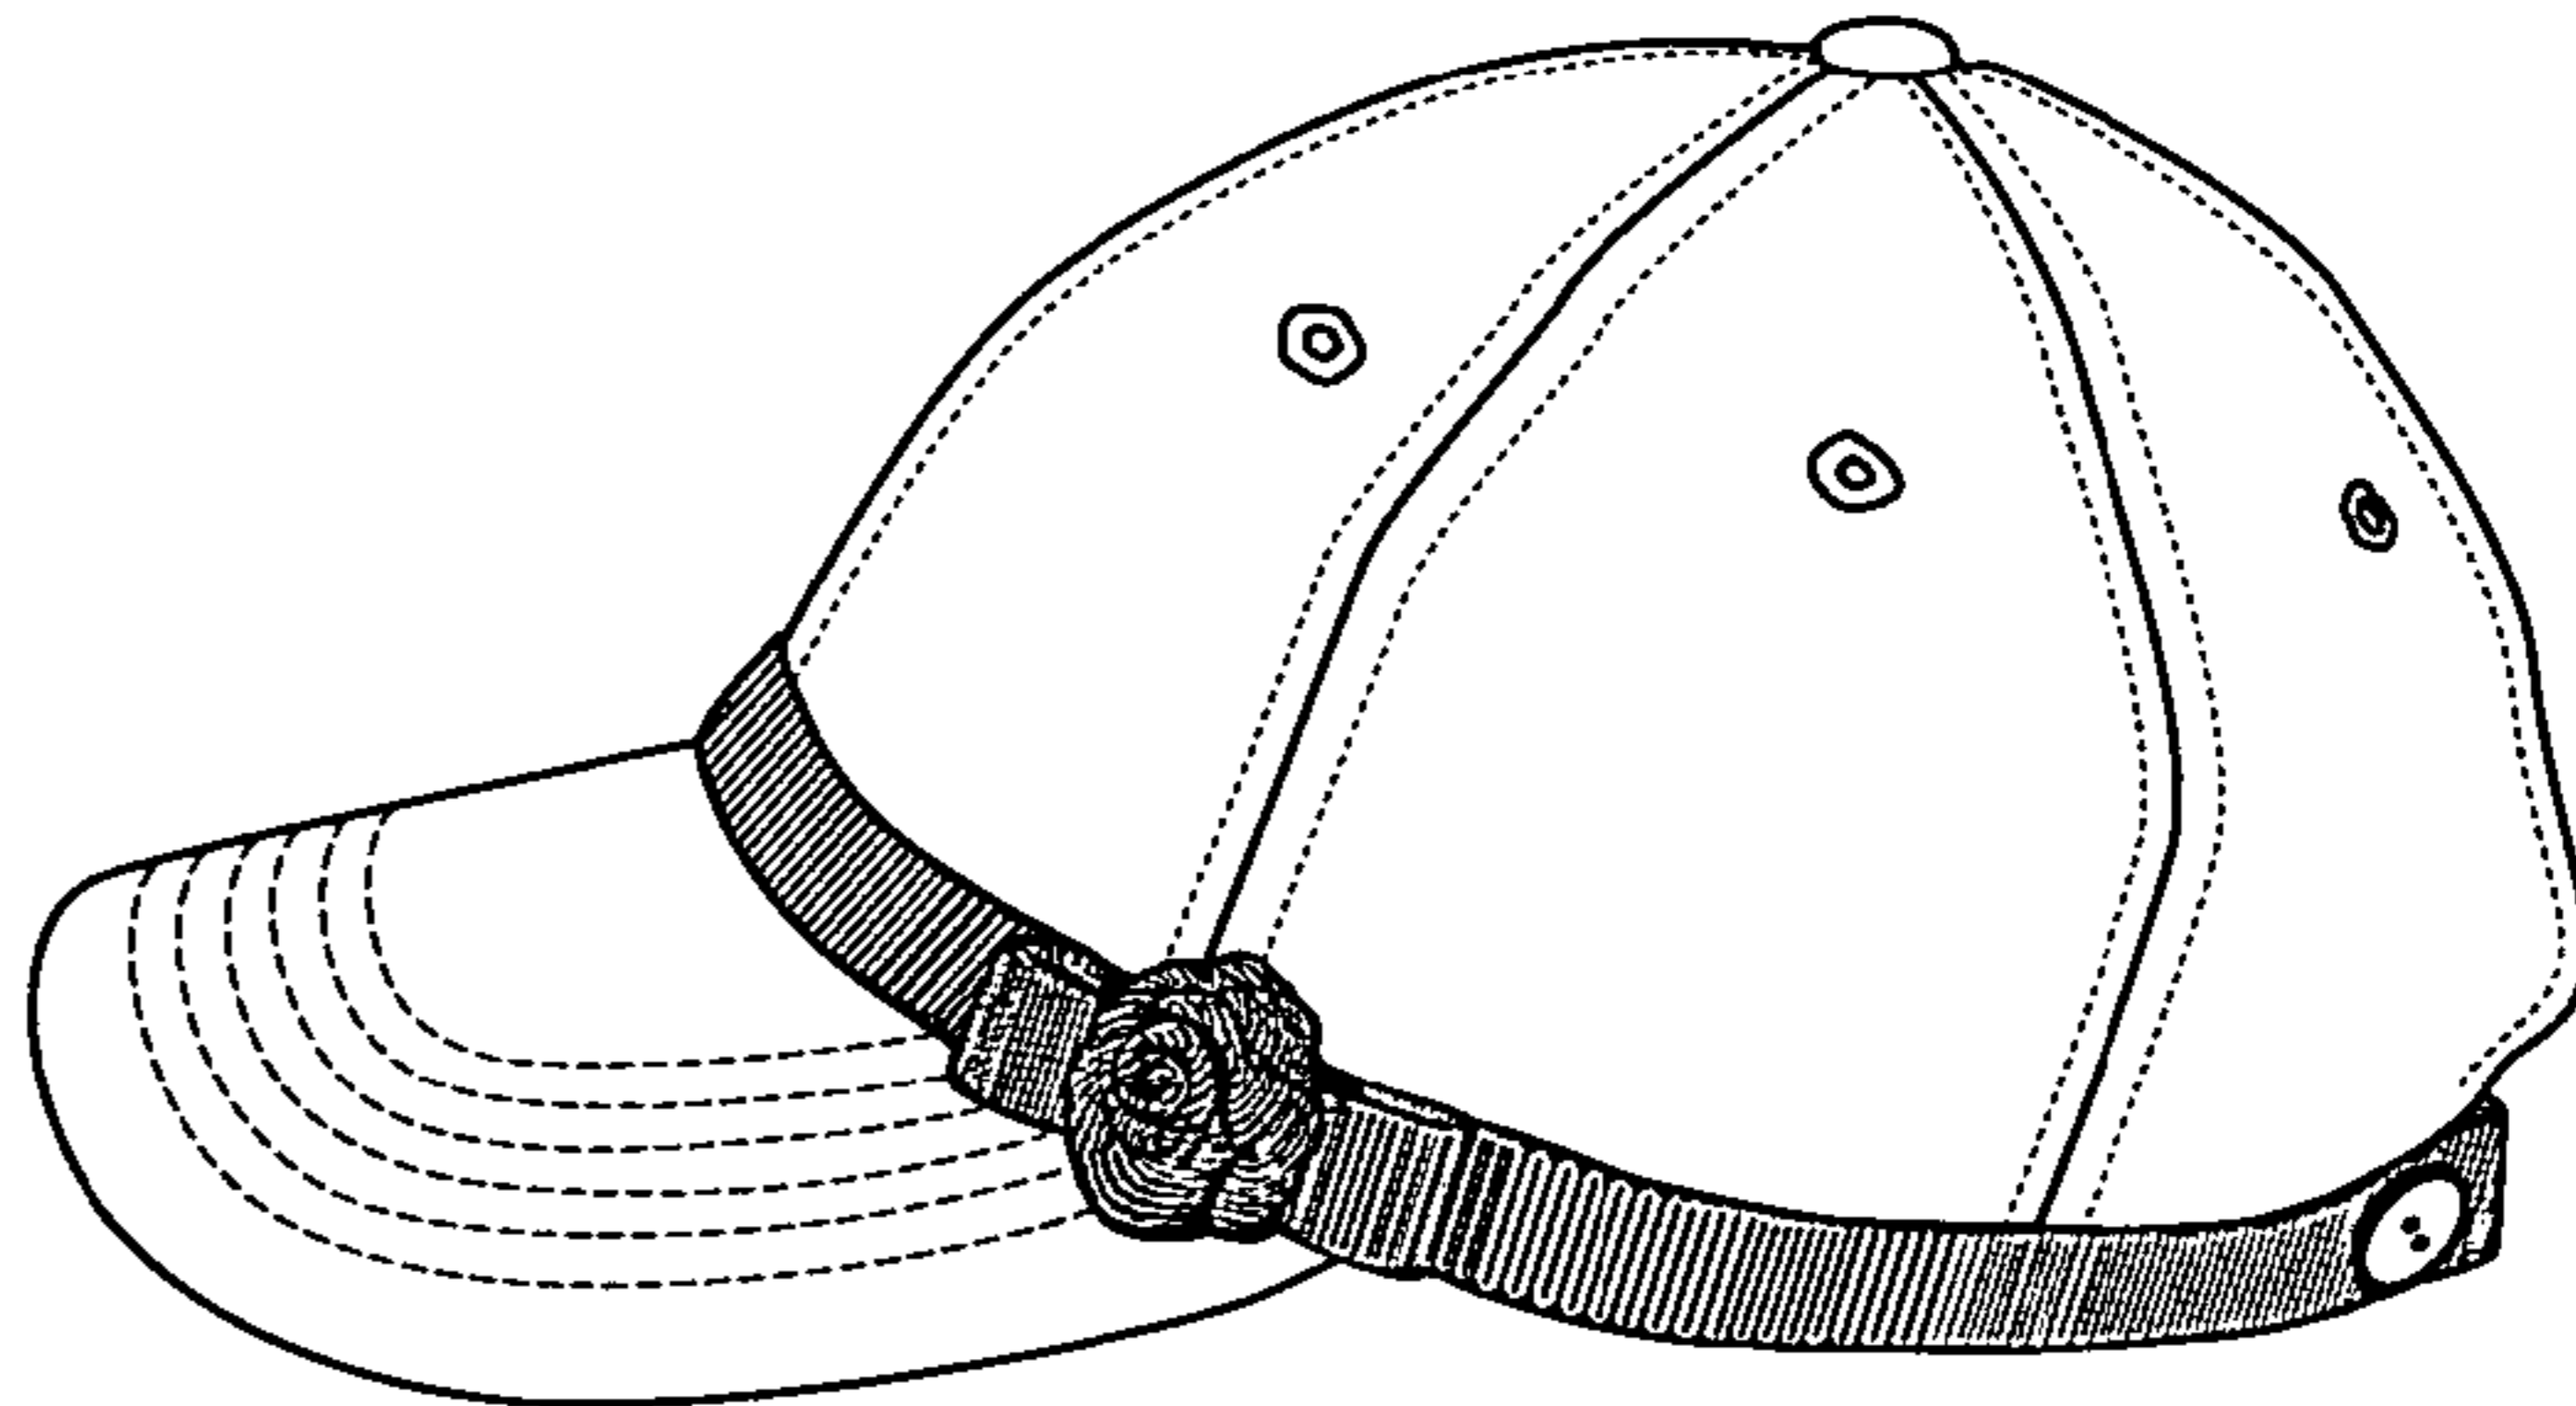

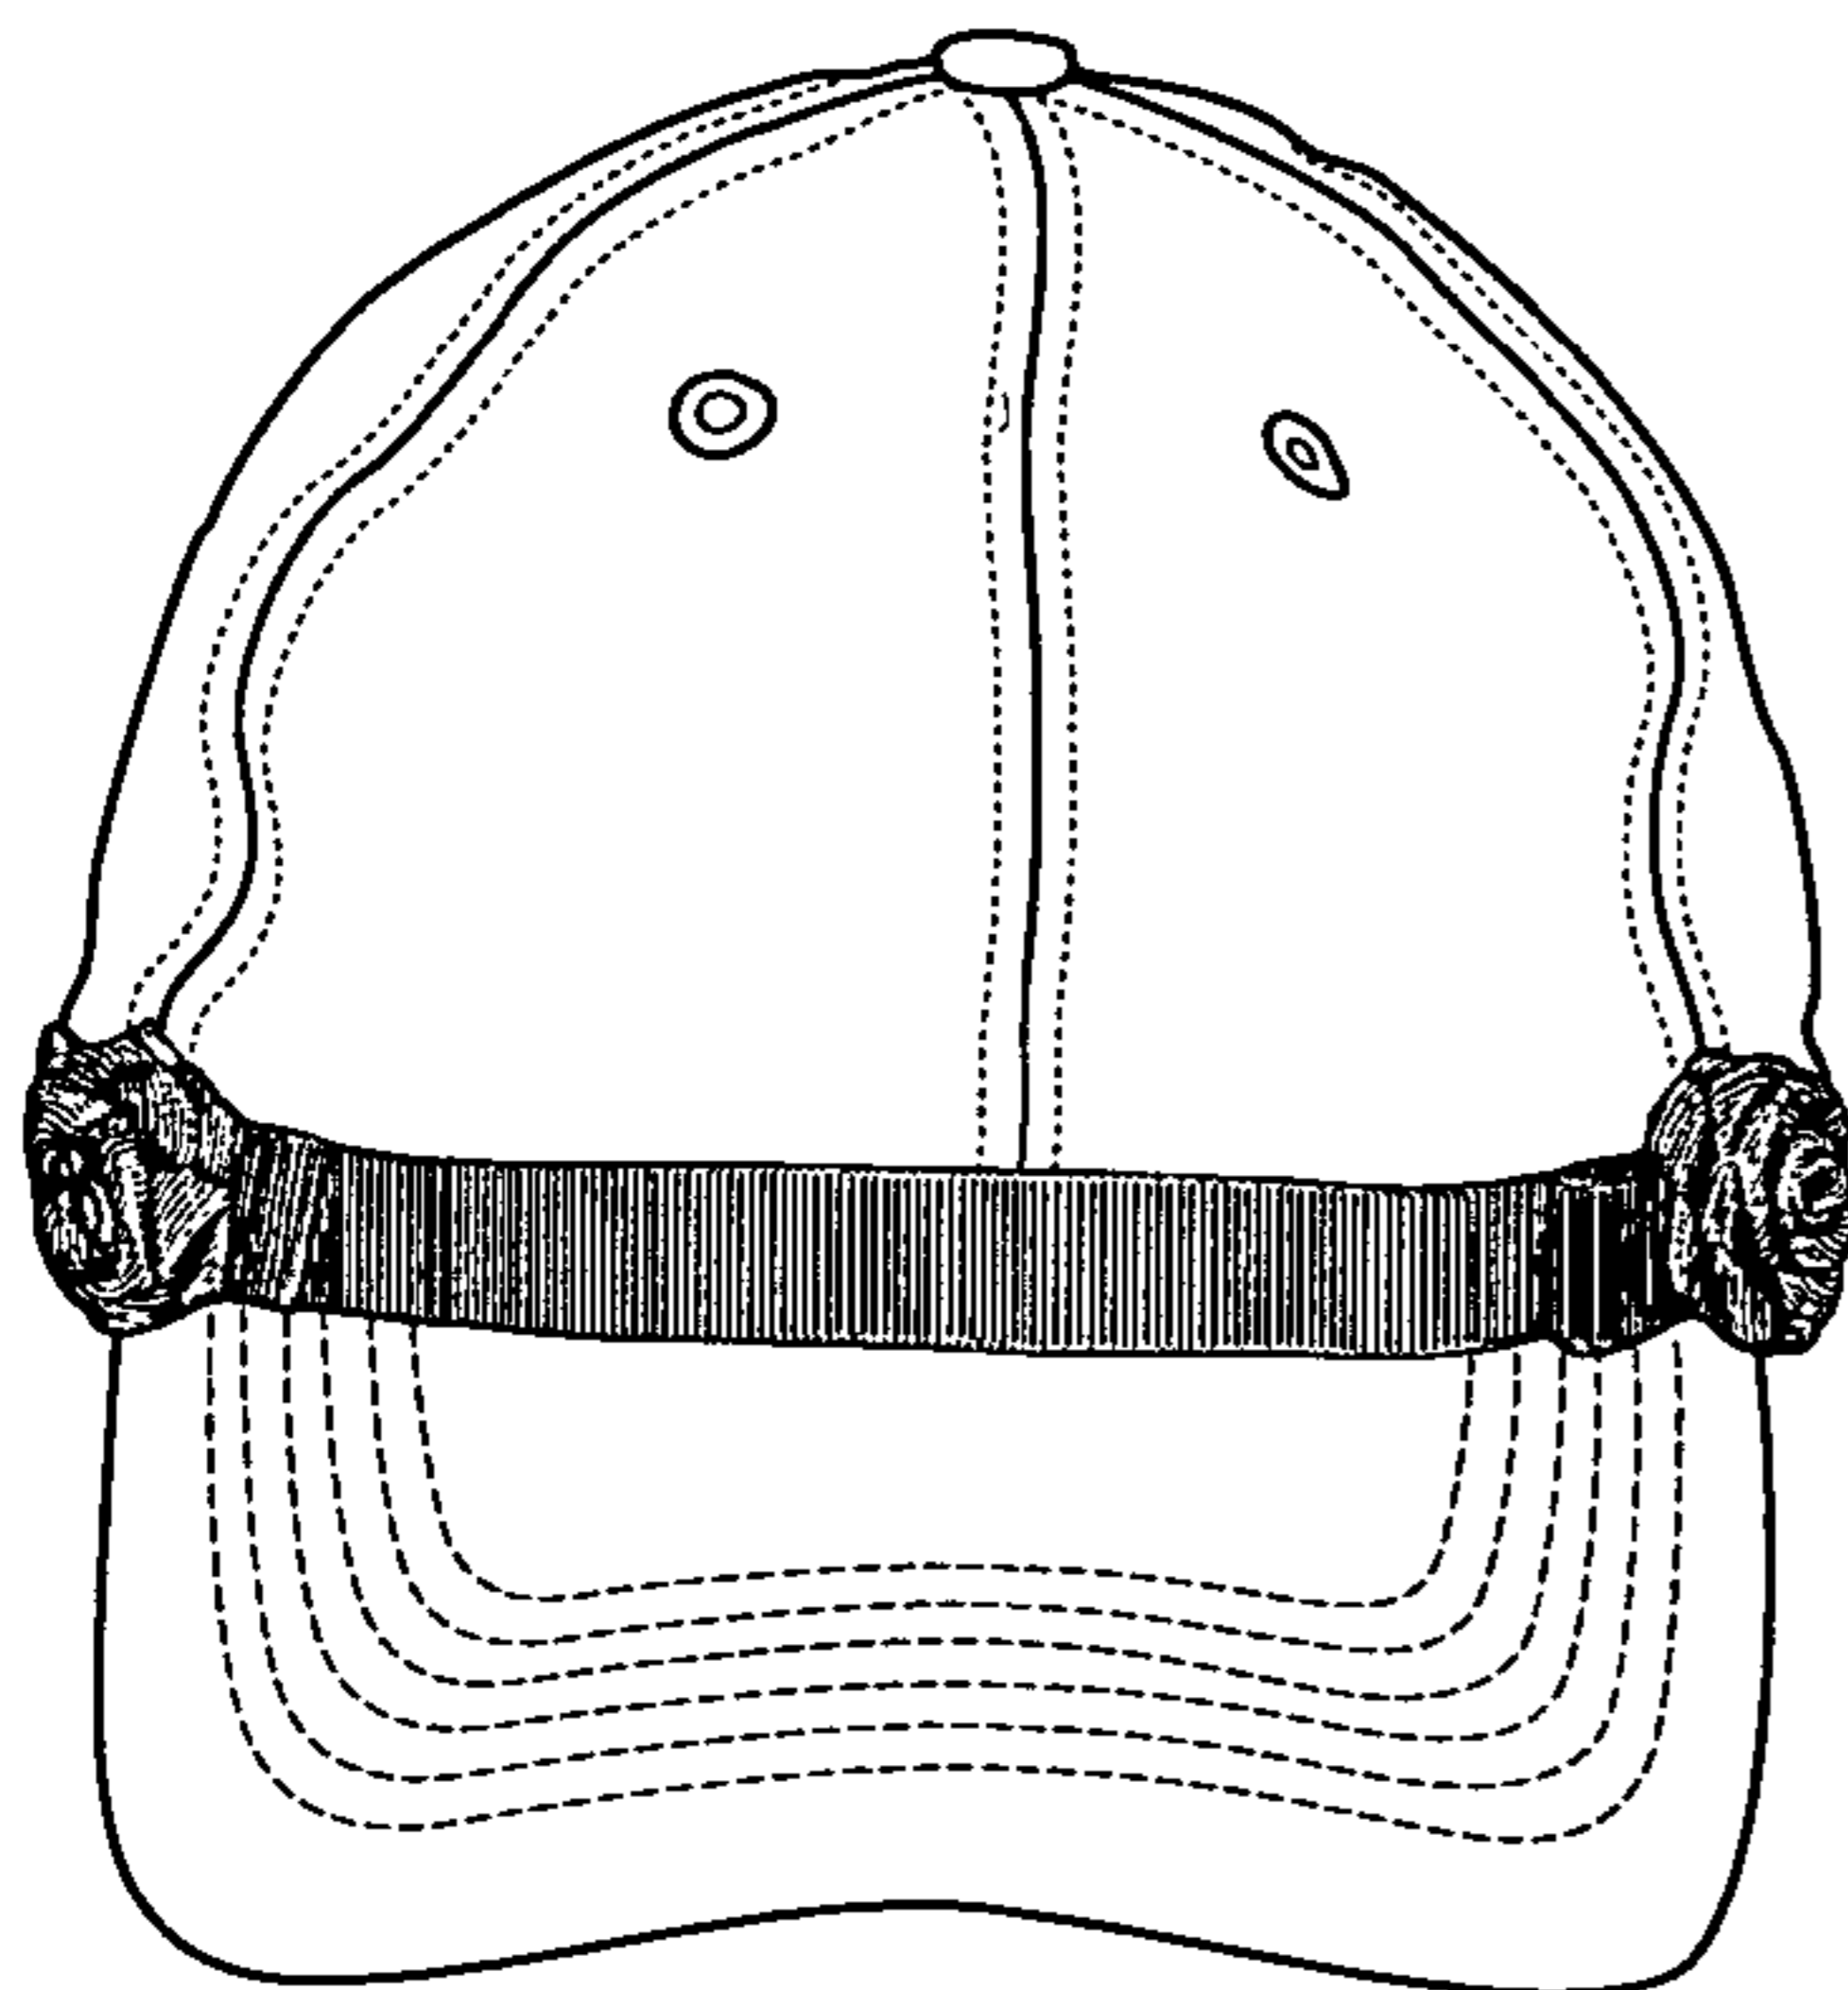

FIG. 2 is a left side elevational view thereof;

FIG. 3 is a right side elevational view thereof; and,

FIG. 4 is a back side elevational view thereof.

The broken lines shown along each side of the crown seams, along the arch on the back of the cap, and the six rows on the visor represent environmental matter and form no part of the claimed design.
