FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a side elevational view thereof;

FIG. 5 is an opposite side elevational view thereof;

FIG. 6 is a top plan view thereof; and,

FIG. 7 is a bottom plan view thereof.

The broken line showing of the six features below the display in FIGS. 1 and 2 represents the bounds of the claimed design while the five broken line circles in FIG. 7 are superimposed on a continuous surface. All other broken lines are directed to environment and are for illustrative purposes only. None of the broken lines form a part of the claimed design.
