(57) **CLAIM**

I claim the ornamental design for a combination overlay and pointing device cover, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the combination overlay and pointing device cover.

FIG. 2 is a top view of the combination overlay and pointing device cover.

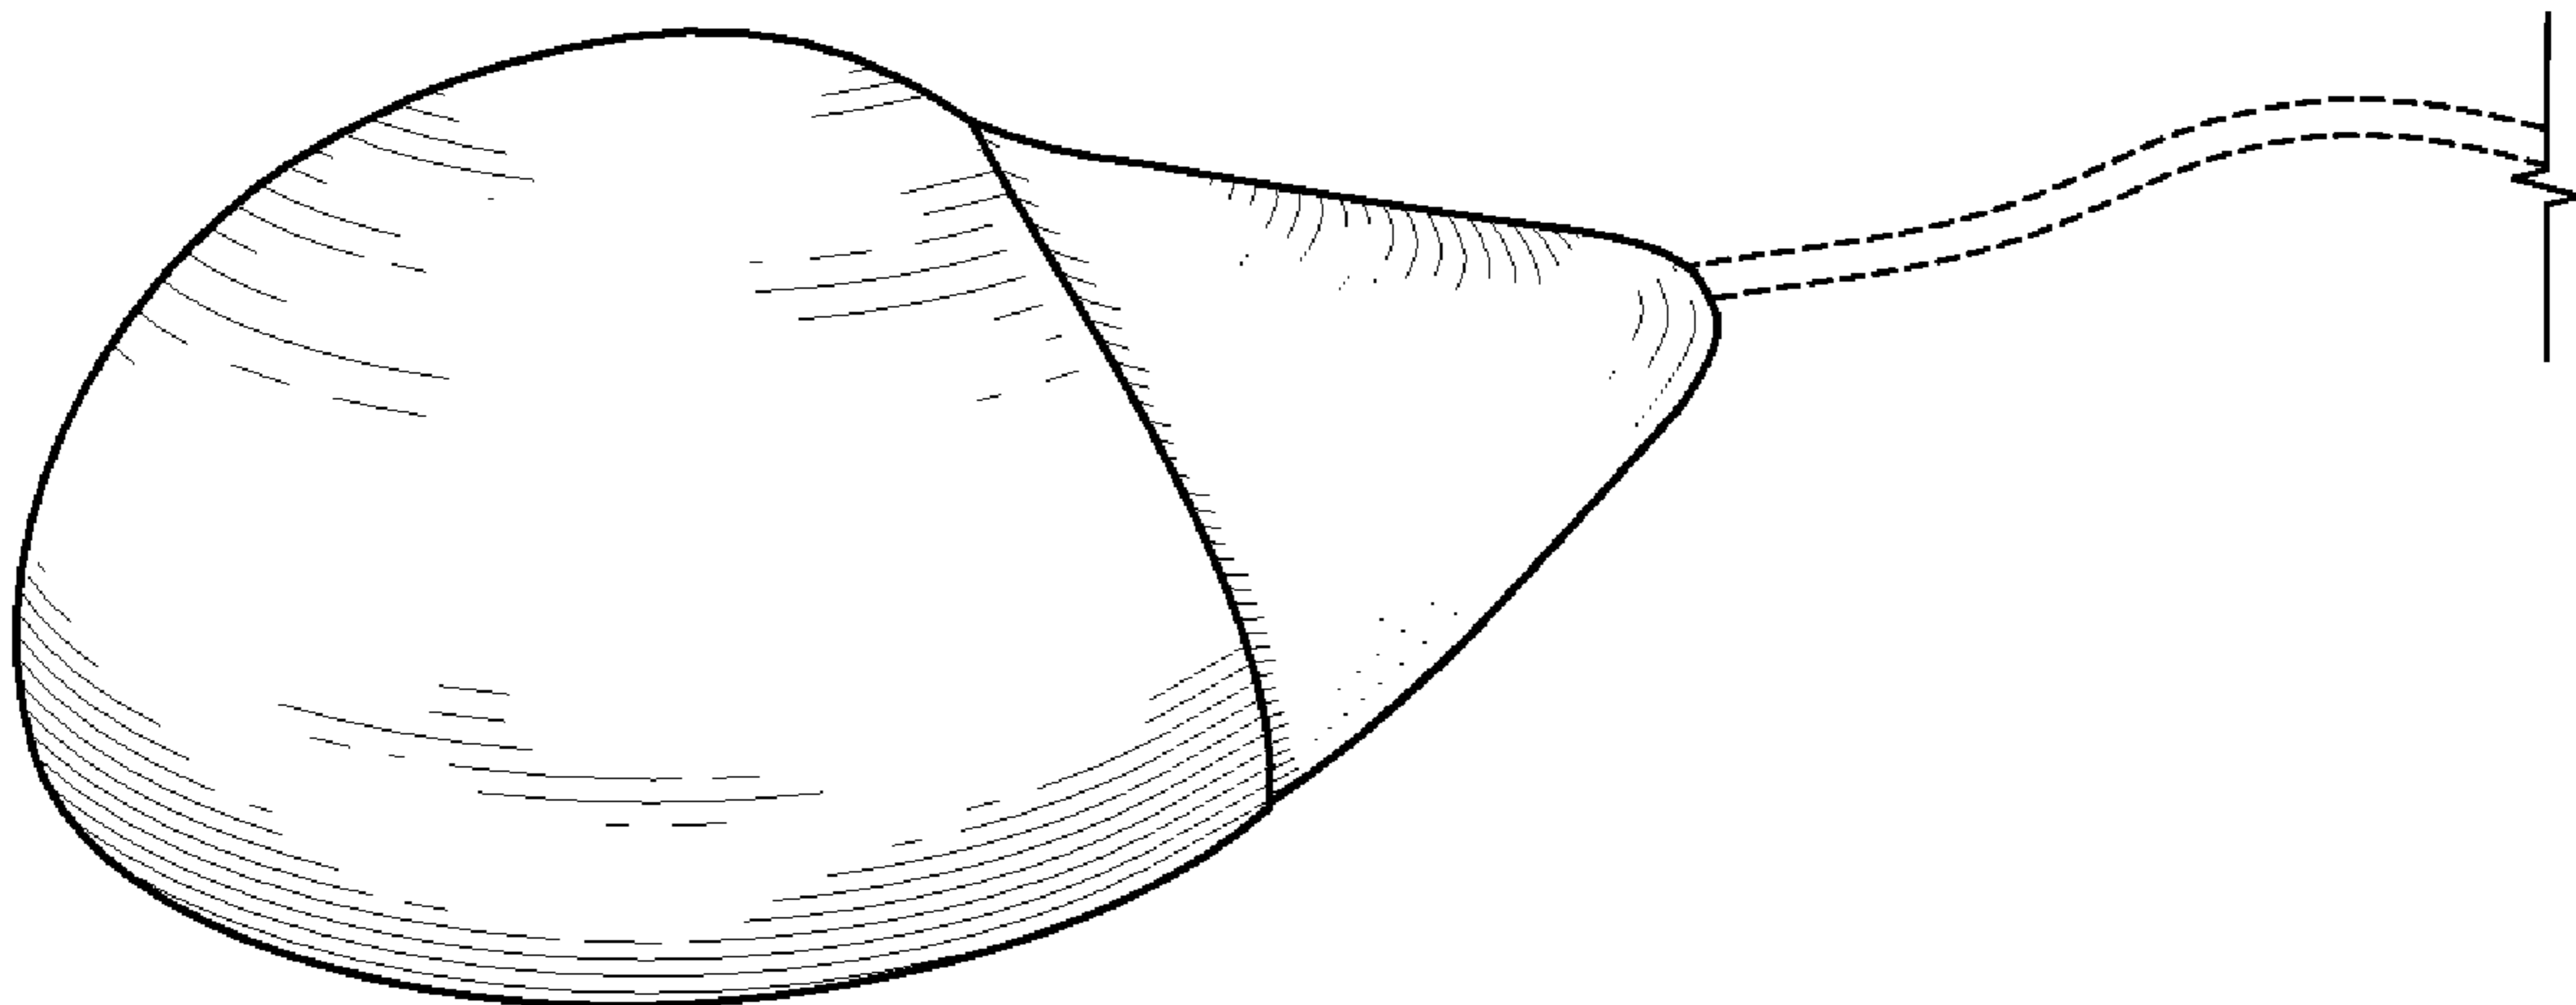

FIG. 3 is a side view of the combination overlay and pointing device cover.

FIG. 4 is a rear side view of the combination overlay and pointing device cover; and,

FIG. 5 is a front side view of the combination overlay and pointing device cover.

The broken lines in the Figures are for environment illustration purposes only and form no part of the claimed design. The bottom views form no part of the design and are omitted.
