(57) **CLAIM**

The ornamental design for a smokeless tobacco container  
holder, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a front and left side perspective view of a smokeless  
tobacco container holder showing my new design;

FIG. 2 is a front elevation thereof.

FIG. 3 is a rear elevation thereof.

FIG. 4 is a top view thereof.

FIG. 5 is a bottom view thereof.

FIG. 6 is a right side elevation thereof, the left side being a  
mirror image of the right side; and,

FIG. 7 is a rear and right side perspective view thereof.

Environment is indicated by “dash-double-dot” lines,  
whereas in FIGS. 3 and 7, the dashed lines indicate stitching  
which forms part of the claimed design.

In all Figures, shading accords to the lighting convention  
described in 37 C.F.R. § 1.84 (m).

The broken line showing of environment in the drawings is  
included for the purpose of illustrating only and forms no part  
of the claimed design.
