(57) **CLAIM**

We claim the ornamental design for a lint remover and package, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a lint remover and package, showing our new design in a folded configuration;

FIG. 2 is a rear elevational view of the invention in the folded configuration;

FIG. 3 is a front elevational view of the invention in the folded configuration;

FIG. 4 is a left-side elevational view of the invention in the folded configuration, the right-side elevational view being a mirror image thereof;

FIG. 5 is a top plan view of the invention in the folded configuration, the bottom plan view being a mirror image thereof;

FIG. 6 is a rear elevational view of the invention in an unfolded configuration, illustrating lint remover labels contained within the package; and,

FIG. 7 is an exploded rear elevational view of the invention in the unfolded configuration, illustrating the lint remover labels exploded away from the package.

The broken lines showing a logo in FIGS. 6 and 7 are included for the purpose of illustrating a logo as printed on the lint remover labels, and forms no part of the claimed design. The broken lines showing three underlying lint remover labels are illustrated for the purpose of showing the design in use, and form no part of the claimed design.
