(57) **CLAIM**

The ornamental design for a clip device for securing a dia-  
phragm hunting call and the like, as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view illustrating a clip device for  
securing a diaphragm hunting call and the like;

FIG. 2 is a bottom perspective view illustrating the clip device  
for securing a diaphragm hunting call and the like;

FIG. 3 is a top plan view illustrating the clip device for  
securing a diaphragm hunting call and the like;

FIG. 4 is bottom plan view illustrating the clip device for  
securing a diaphragm hunting call and the like;

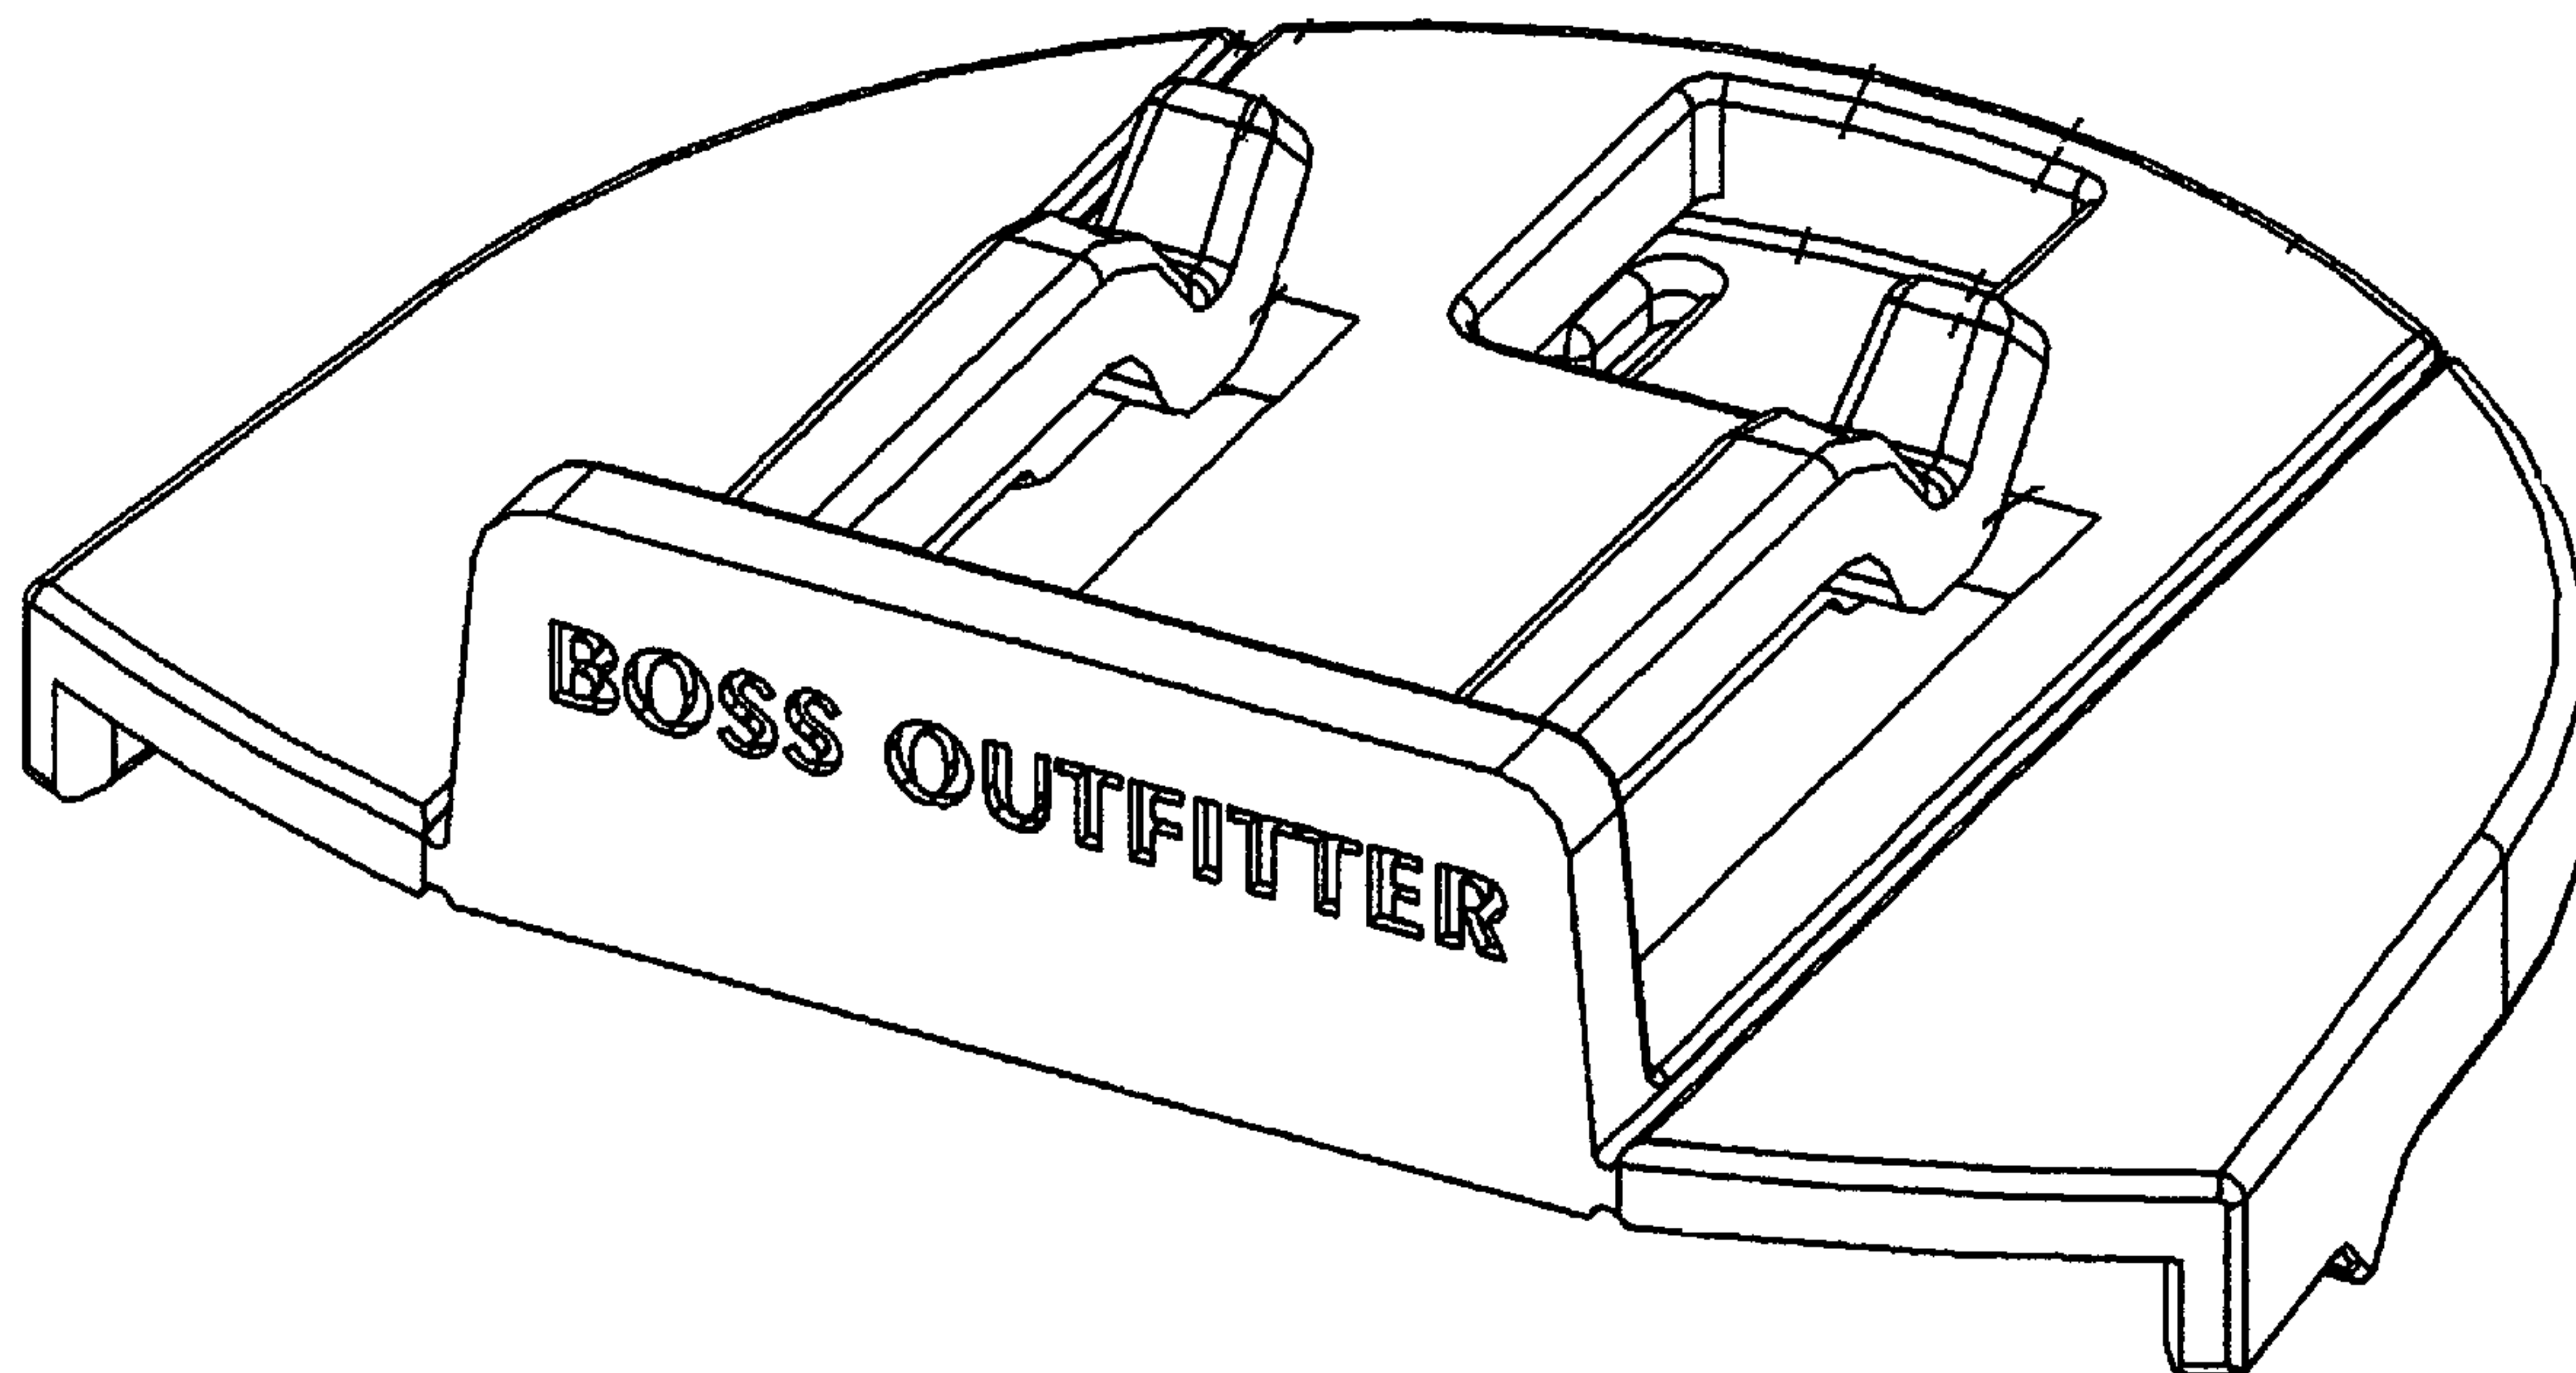

FIG. 5 is a right side elevational view illustrating the clip  
device for securing a diaphragm hunting call and the like;

FIG. 6 is an front elevational view illustrating the clip device  
for securing a diaphragm hunting call and the like;

FIG. 7 is an rear elevational view illustrating the clip device  
for securing a diaphragm hunting call and the like; and,

FIG. 8 is a left side elevational view illustrating the clip device  
for securing a diaphragm hunting call and the like.
