(57) **CLAIM**

The ornamental design for a control element with surface  
ornamentation for an electrical device, as shown and  
described.

**DESCRIPTION**

The patent or application file contains at least one drawing  
executed in color. Copies of this patent with color drawings  
will be provided by the Office upon request and payment of  
the necessary fee.

The sole FIGURE is a plan view of the control element with  
surface ornamentation for an electrical device showing our  
new design. The sides and back of the design do not form a  
part of the claimed design. The control elements are shown on  
the surface of an electrical device wherein the depth of the  
surface is not being claimed. The shade of gray of the surface  
shown is an integral part of the claimed design.
