(57) **CLAIM**

The ornamental design for a temporary transfer tattoo, as shown and described.

DESCRIPTION

The sole FIGURE is a top plan view of a temporary transfer tattoo showing my new design, the dot pattern having no appreciable thickness and the reverse side of the dot pattern being non-ornamental. The dash-dot-dot-dash broken line depicts the boundary of one repeat unit of the claimed design and forms no part thereof; the evenly spaced broken lines depict environmental structure not forming part of the claimed design. The design repeats uniformly in one or more directions.
