(57) **CLAIM**

I claim the ornamental design for a welders seat for iron workers, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view from the upper left front of the welder's seat of the invention together with safety line of the invention.

FIG. 2 is an isometric bottom right view thereof; and,

FIG. 3 is an isometric upper left rear view thereof attached to a beam and tie off line on said beam.

The safety line, beam and tie off line shown in the drawings in broken lines to illustrate environmental use of the welders seat for iron workers.

1 Claim, 3 Drawing Sheets

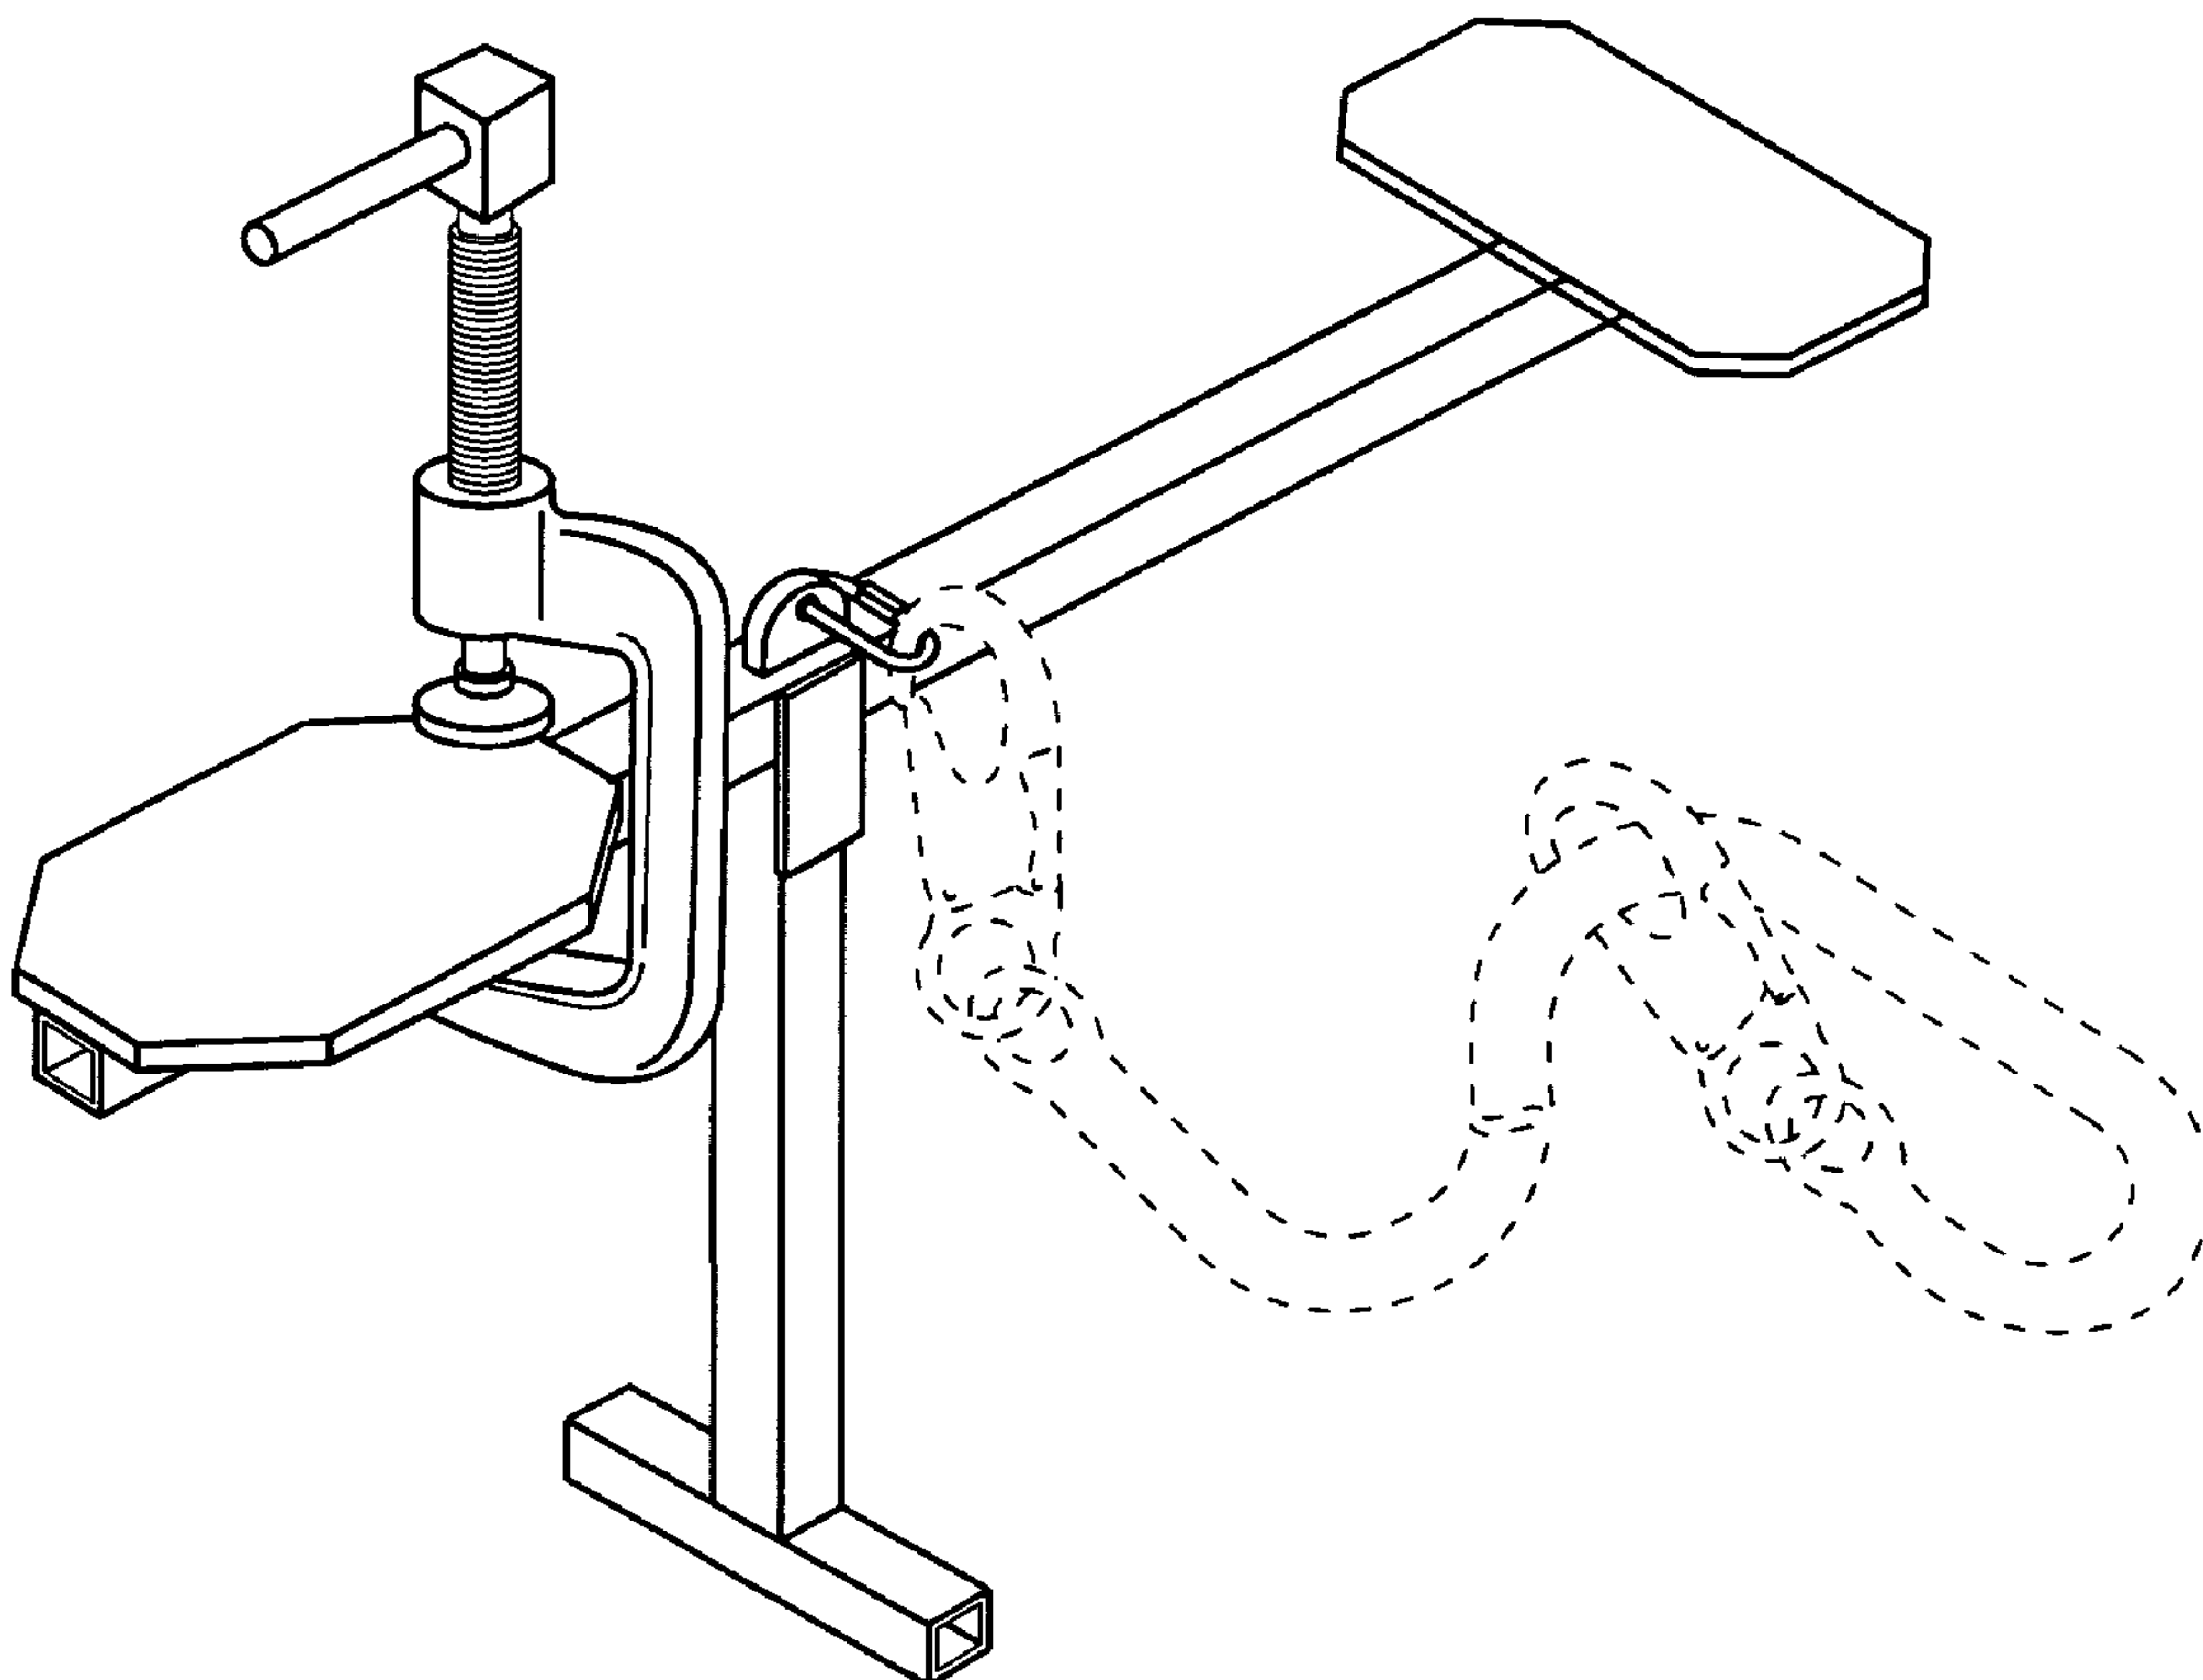

FIG. 1

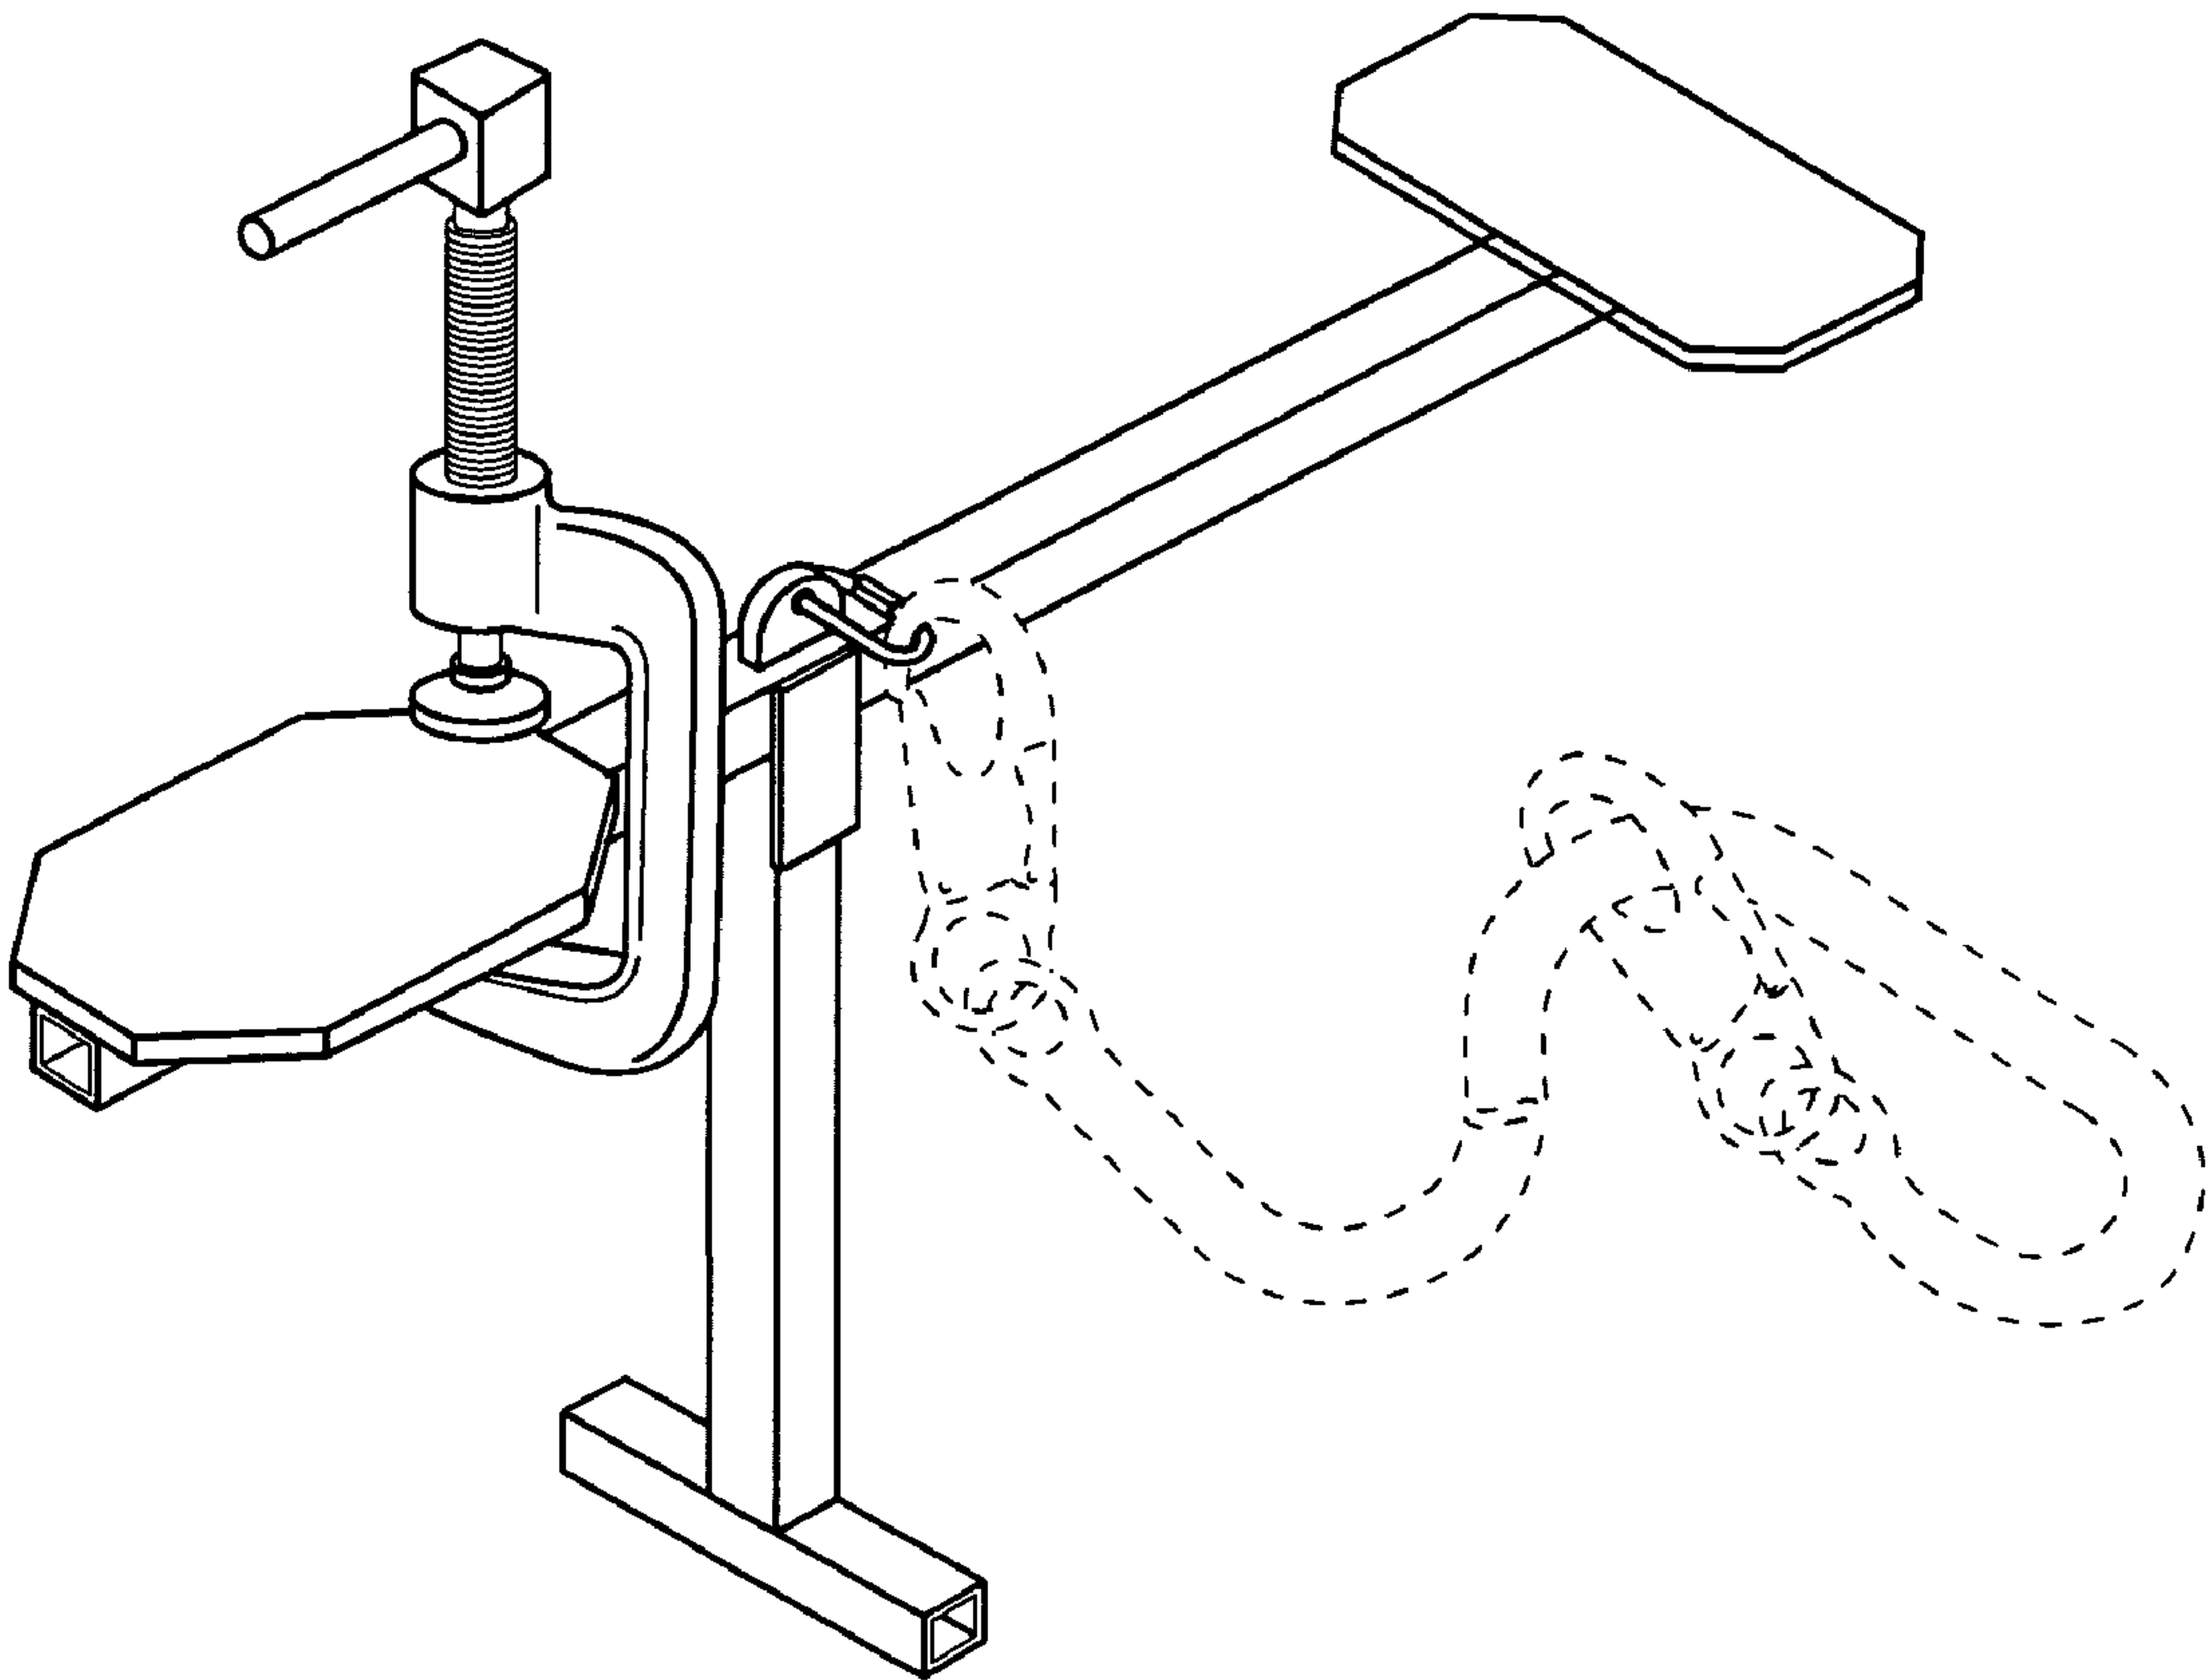

FIG. 2

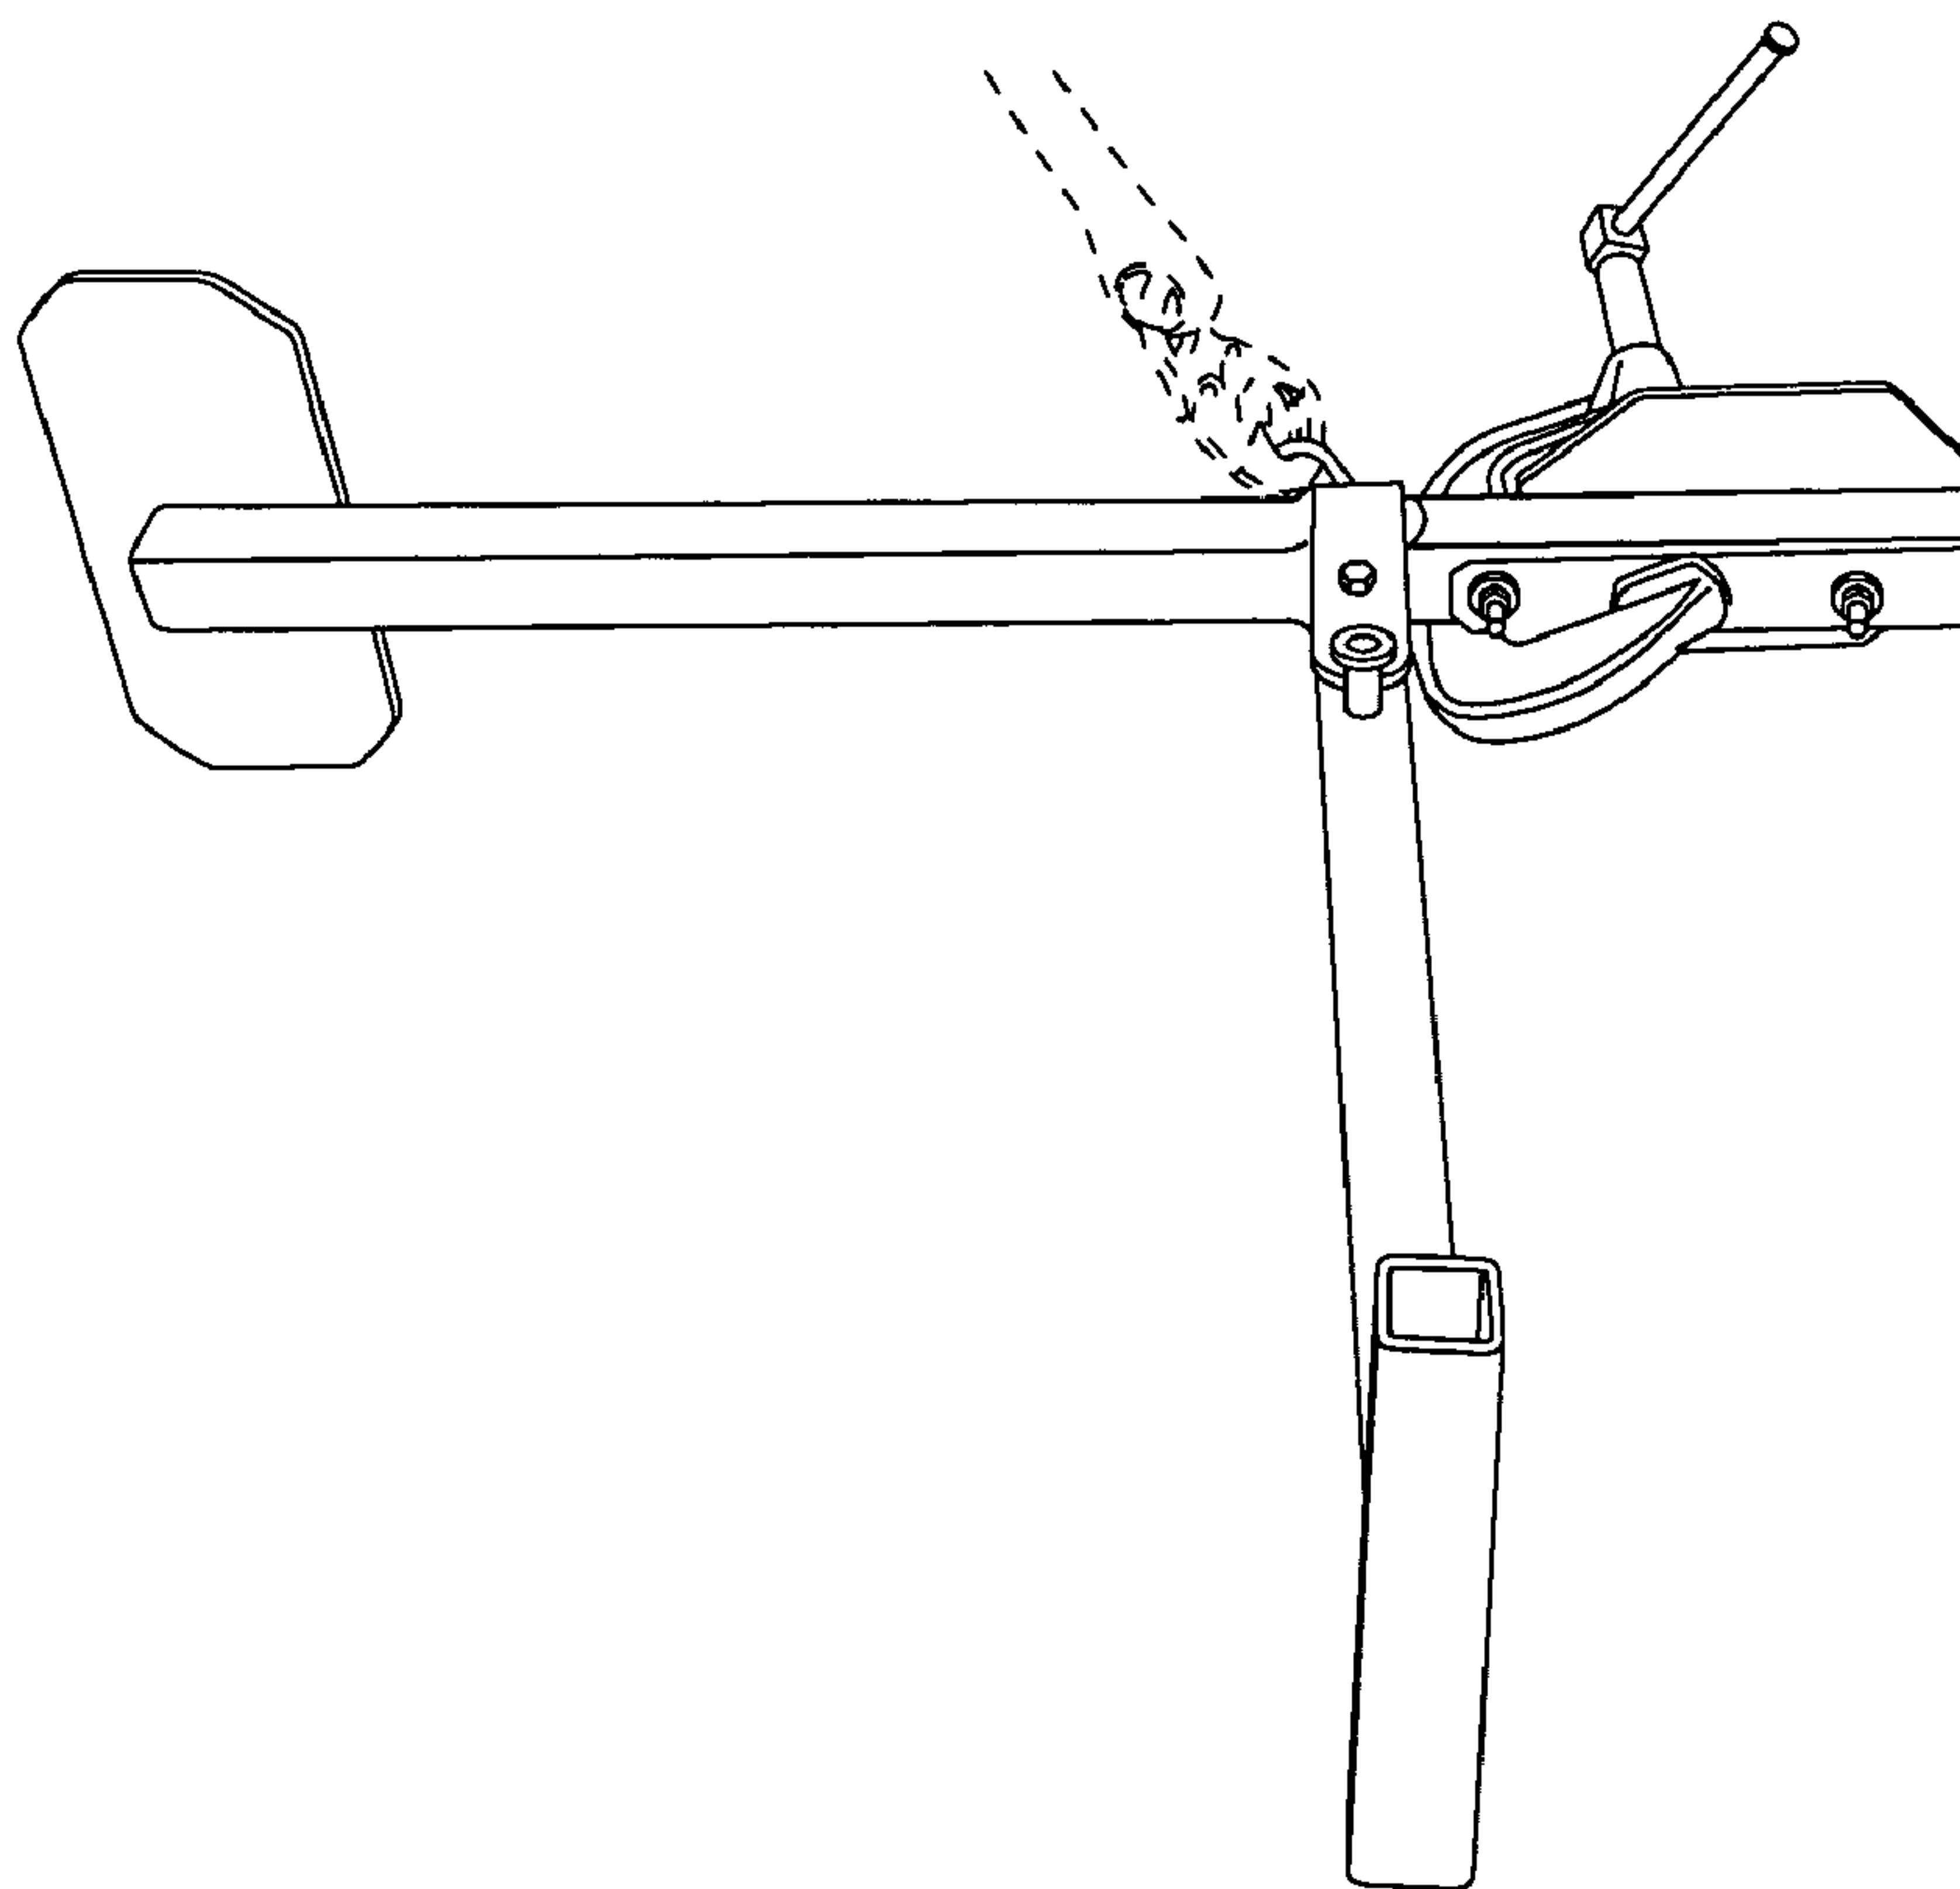

FIG. 3
