(57) **CLAIM**

The ornamental design for a combined glow stick and multi-purpose safety device, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the combined glow stick and multi-purpose safety device according to the present design with an actuator button and wrist strap shown in phantom;

FIG. 2 is a top plan view of the design of FIG. 1 with the actuator button and wrist strap attachment flange shown in phantom;

FIG. 3 is a left side elevation view of the design of FIG. 1 with the actuator button and wrist strap attachment flange shown in phantom, the right side being a mirror image thereof but without the wrist strap attachment flange;

FIG. 4 is a bottom plan view of the design of FIG. 1 with the wrist strap attachment flange shown in phantom;

FIG. 5 is a rear elevation view of the design of FIG. 1 with the actuator button and wrist strap attachment flange shown in phantom; and,

FIG. 6 is a front elevation view of the design of FIG. 1 with the actuator button and wrist strap attachment flange shown in phantom.

The broken line showing is for illustrative purposes only and forms no part of the claimed design.
