(57) **CLAIM**

The ornamental design for a hook fastener, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a top perspective view of the hook fastener in accordance with my design.

FIG. 2 is a bottom perspective view of the hook fastener in accordance with my design.

FIG. 3 is a left side elevation view of the hook fastener in accordance with my design, with the right side elevation view being identical thereto.

FIG. 4 is a top plan view of the hook fastener in accordance with my design.

FIG. 5 is a front elevation view of the hook fastener in accordance with my design.

FIG. 6 is a bottom plan view of the hook fastener in accordance with my design; and,

FIG. 7 is a rear elevation view of the hook fastener in accordance with my design.

The broken lines showing environment structure are for illustrative purposes and form no part of the claimed design.
