(57) **CLAIM**

The ornamental design for a combination ceiling fan and light fixture, as shown and described.

DESCRIPTION

FIG. 1 is a bottom perspective view of a combination ceiling fan and light fixture in accordance with my design;

FIG. 2 is a reduced top plan view of the combination ceiling fan and light fixture in accordance with my design;

FIG. 3 is a reduced bottom plan view of the combination ceiling fan and light fixture in accordance with my design;

FIG. 4 is an enlarged front elevation view of the combination ceiling fan and light fixture in accordance with my design;

FIG. 5 is an enlarged back elevation view of the combination ceiling fan and light fixture in accordance with my design; and,

FIG. 6 is an enlarged side elevation view of the combination ceiling fan and light fixture in accordance with my design, the opposite side view being a mirror image of that shown except for the position of the fan blades.

The broken line showing a canopy and support pole is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
