(57) **CLAIM**

The ornamental design for a bed panel, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a bed panel embodying my design for use in a bed headboard or footboard;

FIG. 2 is a rear elevational view thereof;

FIG. 3 is a left side elevational view thereof, the right side elevational view, top plan view and bottom plan view all being identical thereto;

FIG. 4 is a cross-sectional view as shown along lines 4—4 in FIG. 1;

FIG. 5 is a front elevational view of the bed panel as shown in FIG. 1 positioned in a typical bed headboard, the broken lines show the headboard and are included for the purpose of illustrating the environment and form no part of the claimed bed panel design;

FIG. 6 is a front elevational view of an alternate embodiment of the bed panel;

FIG. 7 is a rear elevational view thereof;

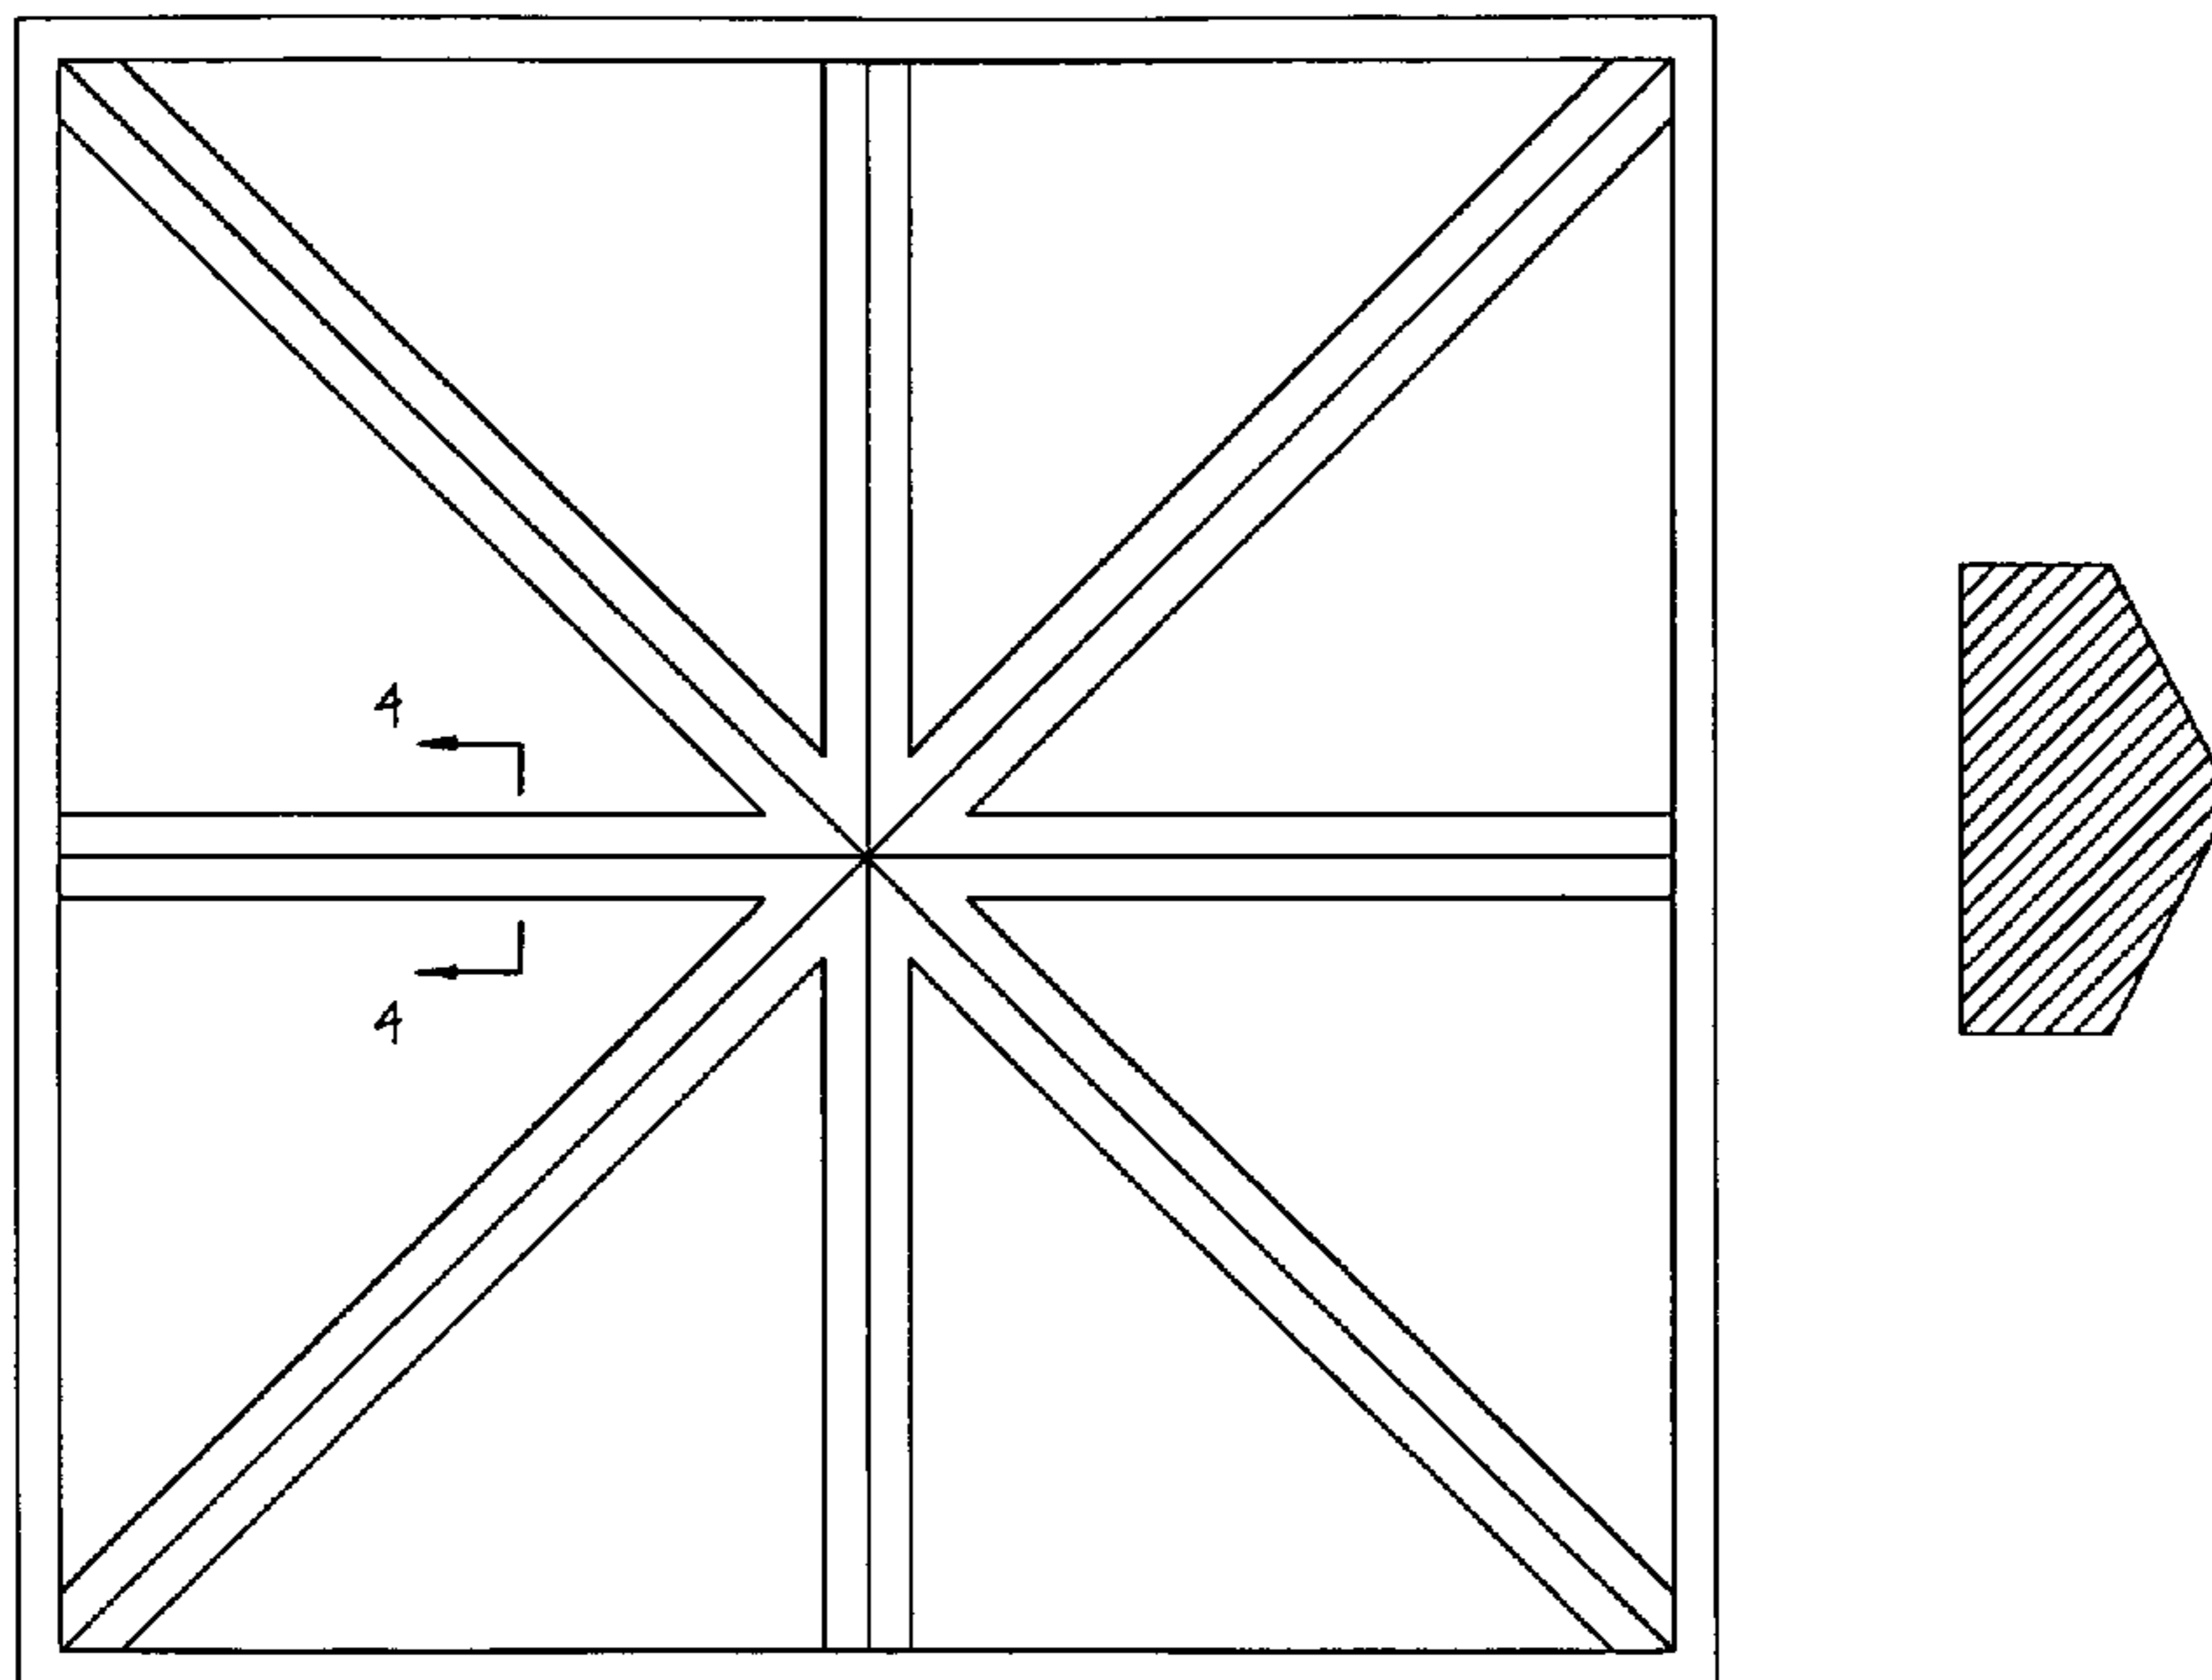

FIG. 8 is a left side elevational view thereof, the right side elevational view being identical thereto;

FIG. 9 is a top plan view thereof, the bottom plan view being identical thereto;

FIG. 10 is a cross-sectional view as shown along lines 10—10 in FIG. 6; and,

FIG. 11 is a front elevational view of the bed panel as shown in FIG. 6 positioned in a typical bed headboard, the broken lines show the headboard and are included for the purpose of illustrating the environment and form no part of the claimed bed panel design.
