(57) **CLAIM**

We claim the ornamental design for a navigation row for a hand-held electronic device, as shown and described.

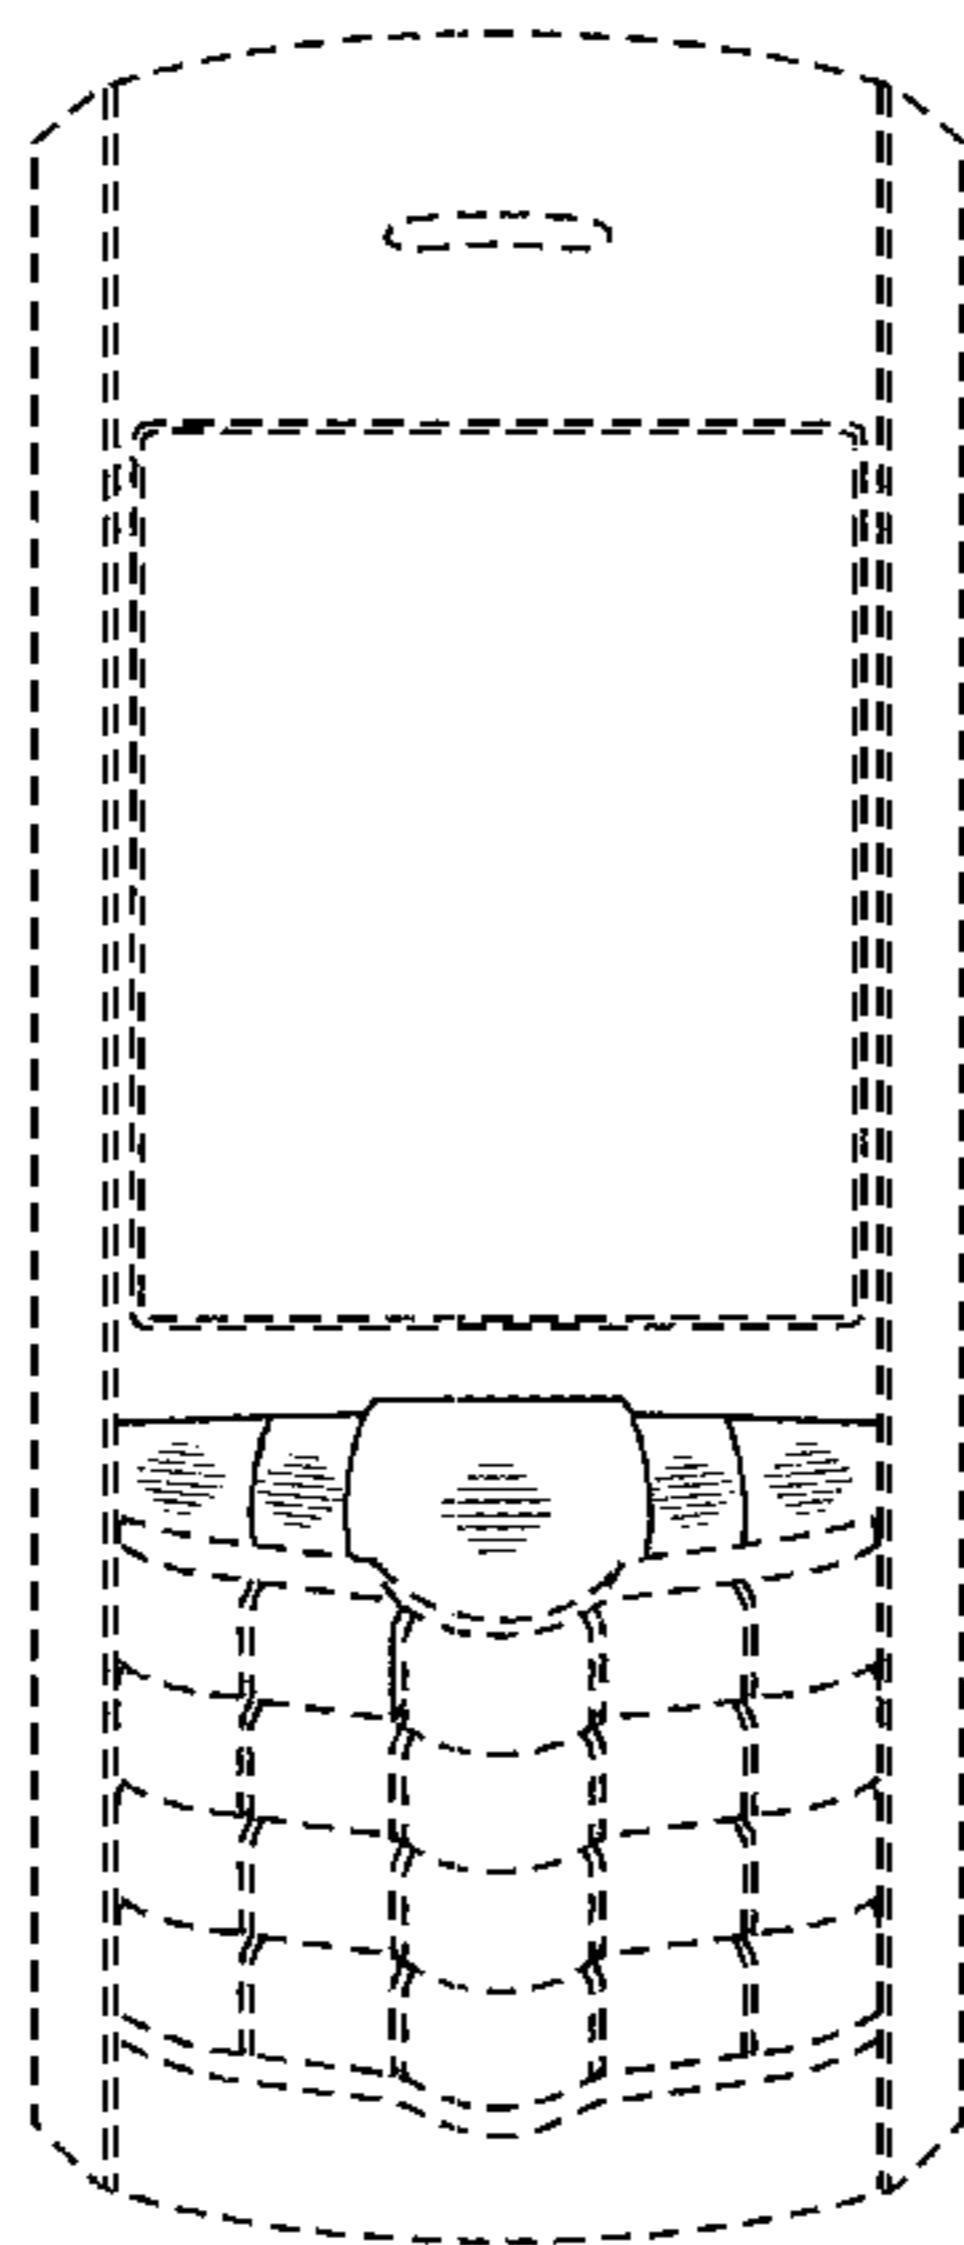

DESCRIPTION

FIG. 1 is a front elevational view of a navigation row for a hand-held electronic device; and,

FIG. 2 is a front elevational view thereof.

The portions of the hand-held electronic device, including portions of the keypad, shown in broken lines are included for the purpose of illustrating environment and form no part of the claimed design. The broken lines immediately adjacent to the left, right and bottom of the navigation row keys form an unclaimed boundary.
