(57) **CLAIM**

The ornamental design for a liner engaging member for a trashcan, as shown and described.

DESCRIPTION

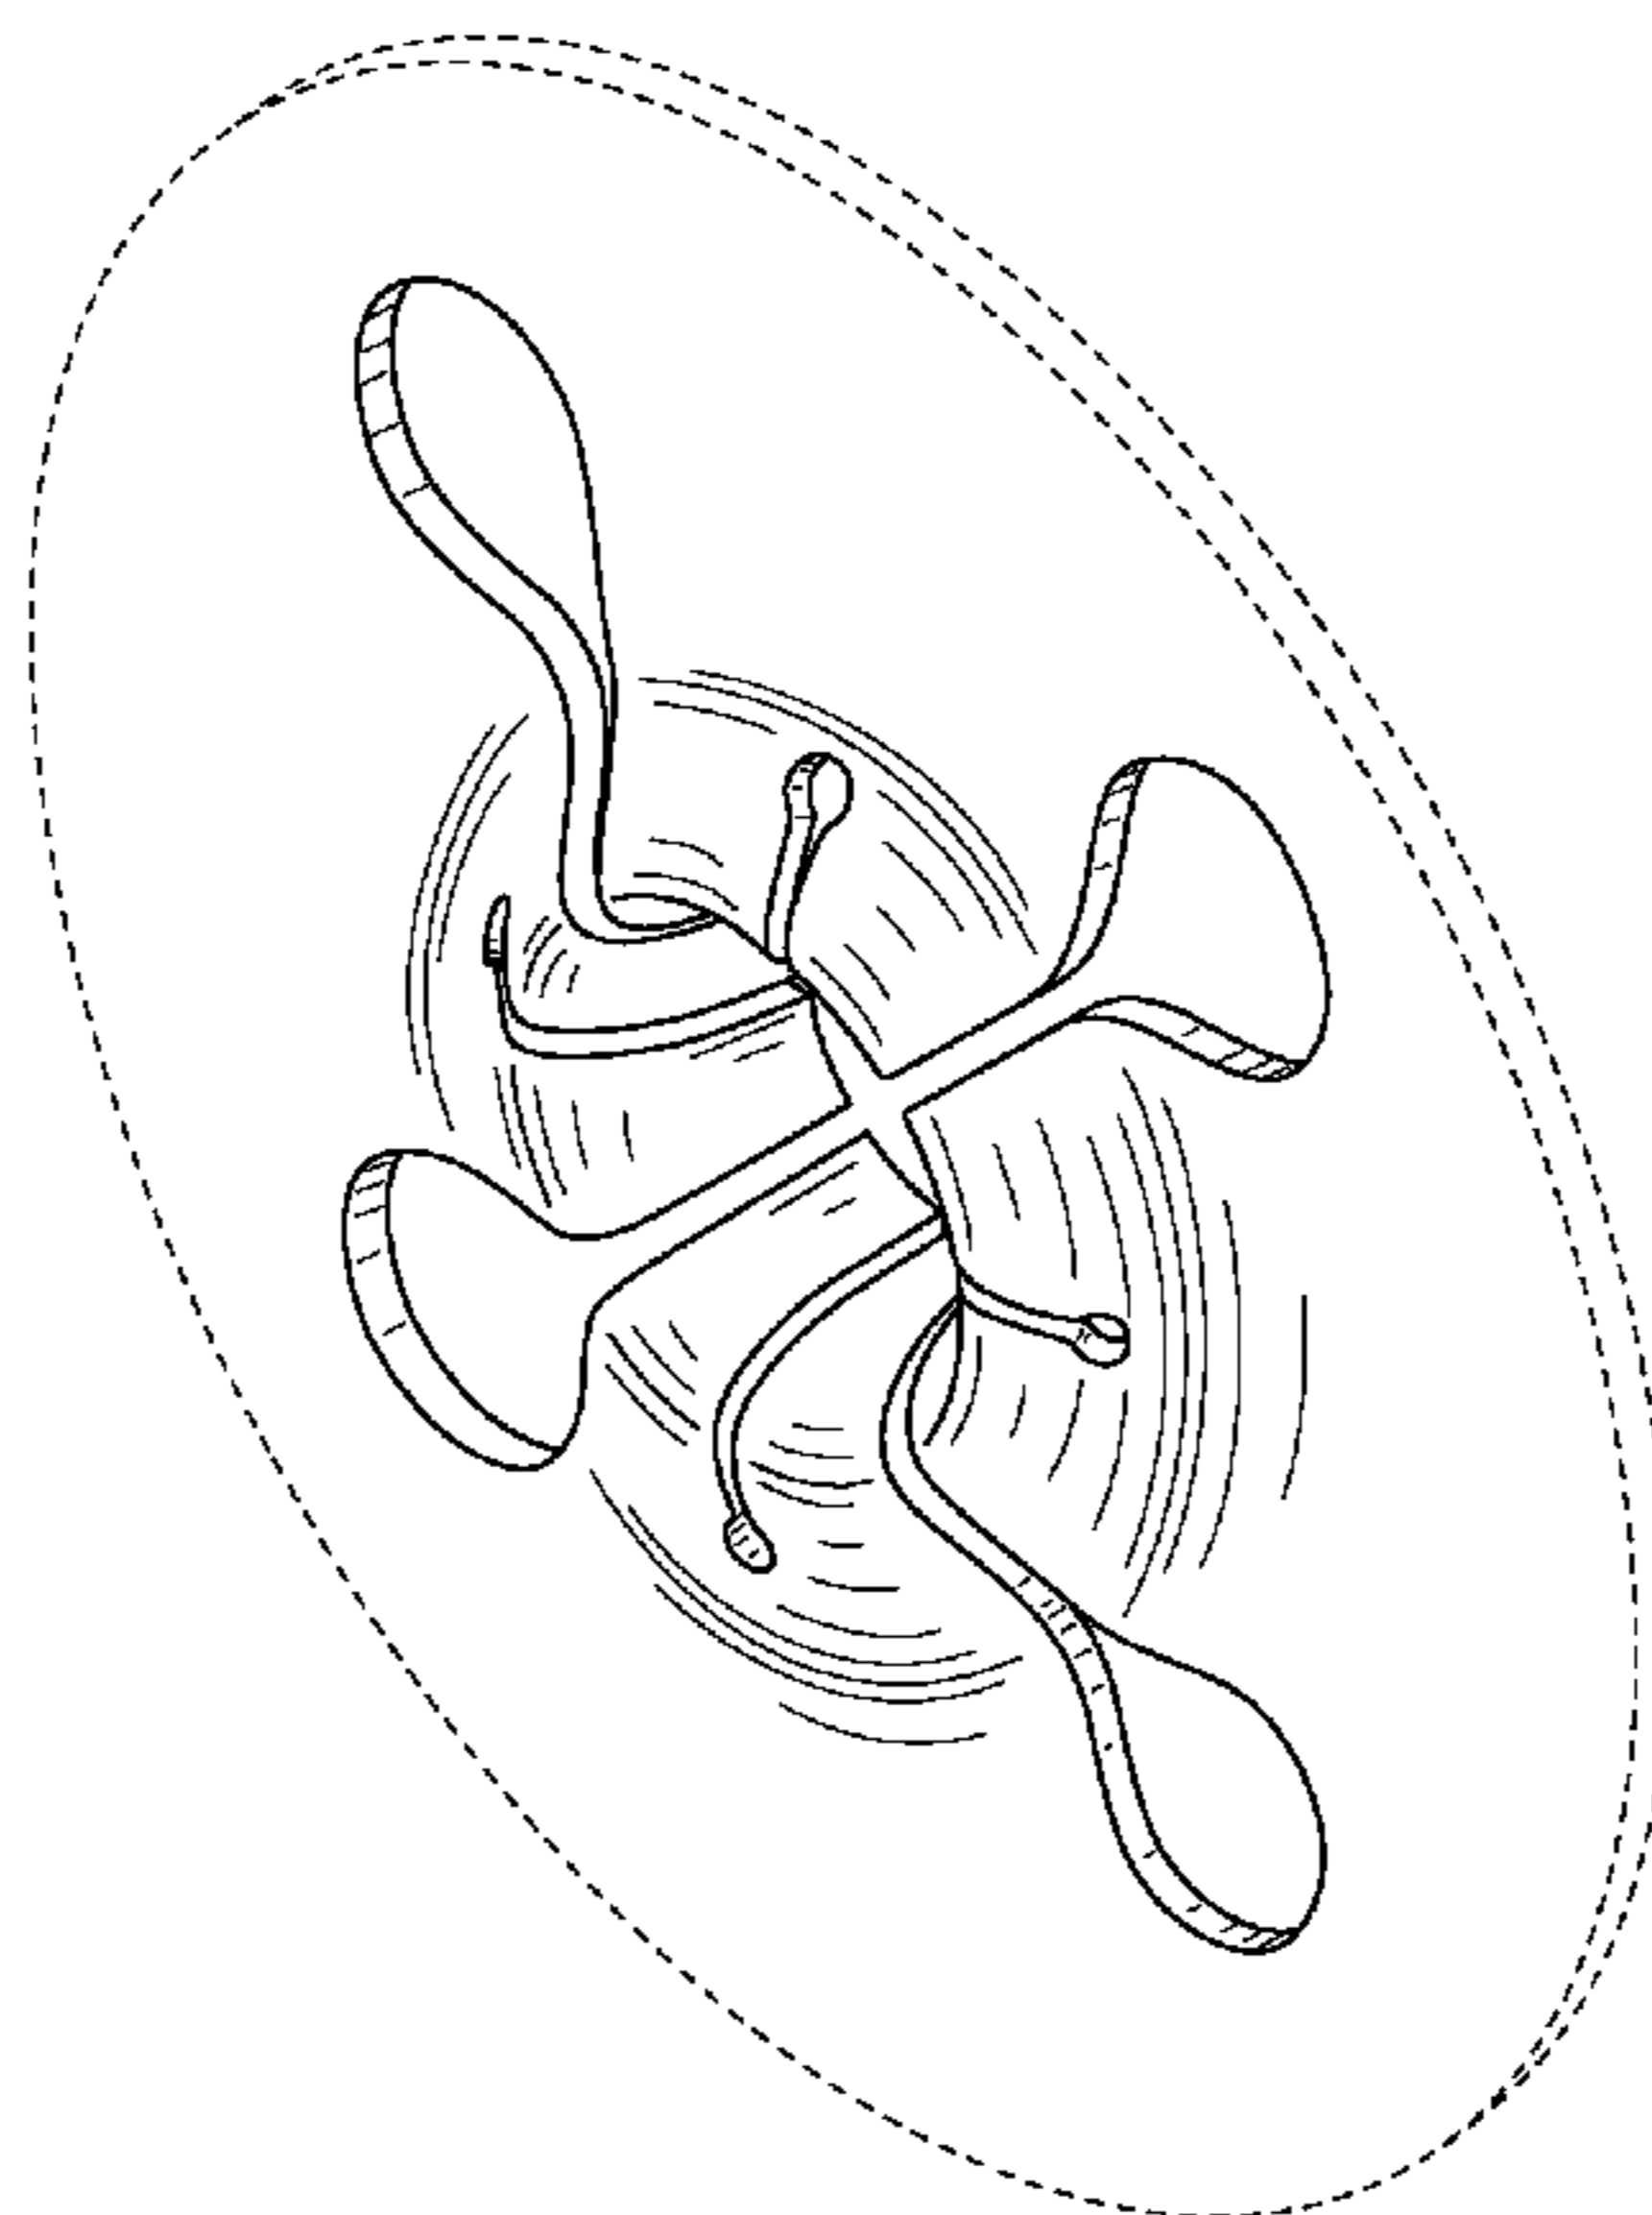

FIG. 1 is a front perspective view of a liner engaging member for a trashcan in accordance with the present invention;

FIG. 2 is a front elevational view thereof; and,

FIG. 3 is a side elevational view thereof, which is representative of the top, bottom and opposite side view thereof.

The broken lines in the drawings are included for the purpose of illustrating environment and form no part of the claimed design.
