(57) **CLAIM**

The ornamental design for the secondary package for dis-
penser, as shown and described.

DESCRIPTION

The present application file contains at least one drawing
executed in color. Copies of this patent or patent application
publication with color drawing(s) will be provided by the
Office upon request and payment of the necessary fee.

The sole FIGURE is a front elevational view of the secondary
package for dispenser showing our new design.

The broken lines are included for the purpose of illustrating
the boundary of the claimed surface adjacent to the unclaimed
portion of the secondary package. The broken boundary line
likewise forms no part of the claimed design.
