See application file for complete search history.

DESCRIPTION

FIG. 1 is a front left perspective view showing a snowmobile front fairing according to our design;

FIG. 2 is a bottom plan view thereof;

FIG. 3 is a left side elevation view thereof, the right side being a mirror image thereof;

FIG. 4 is a front elevation view thereof;

FIG. 5 is a top plan view thereof; and,

FIG. 6 is a front left perspective view showing a typical snowmobile (in dashed broken lines) including the snowmobile front fairing according to our design.

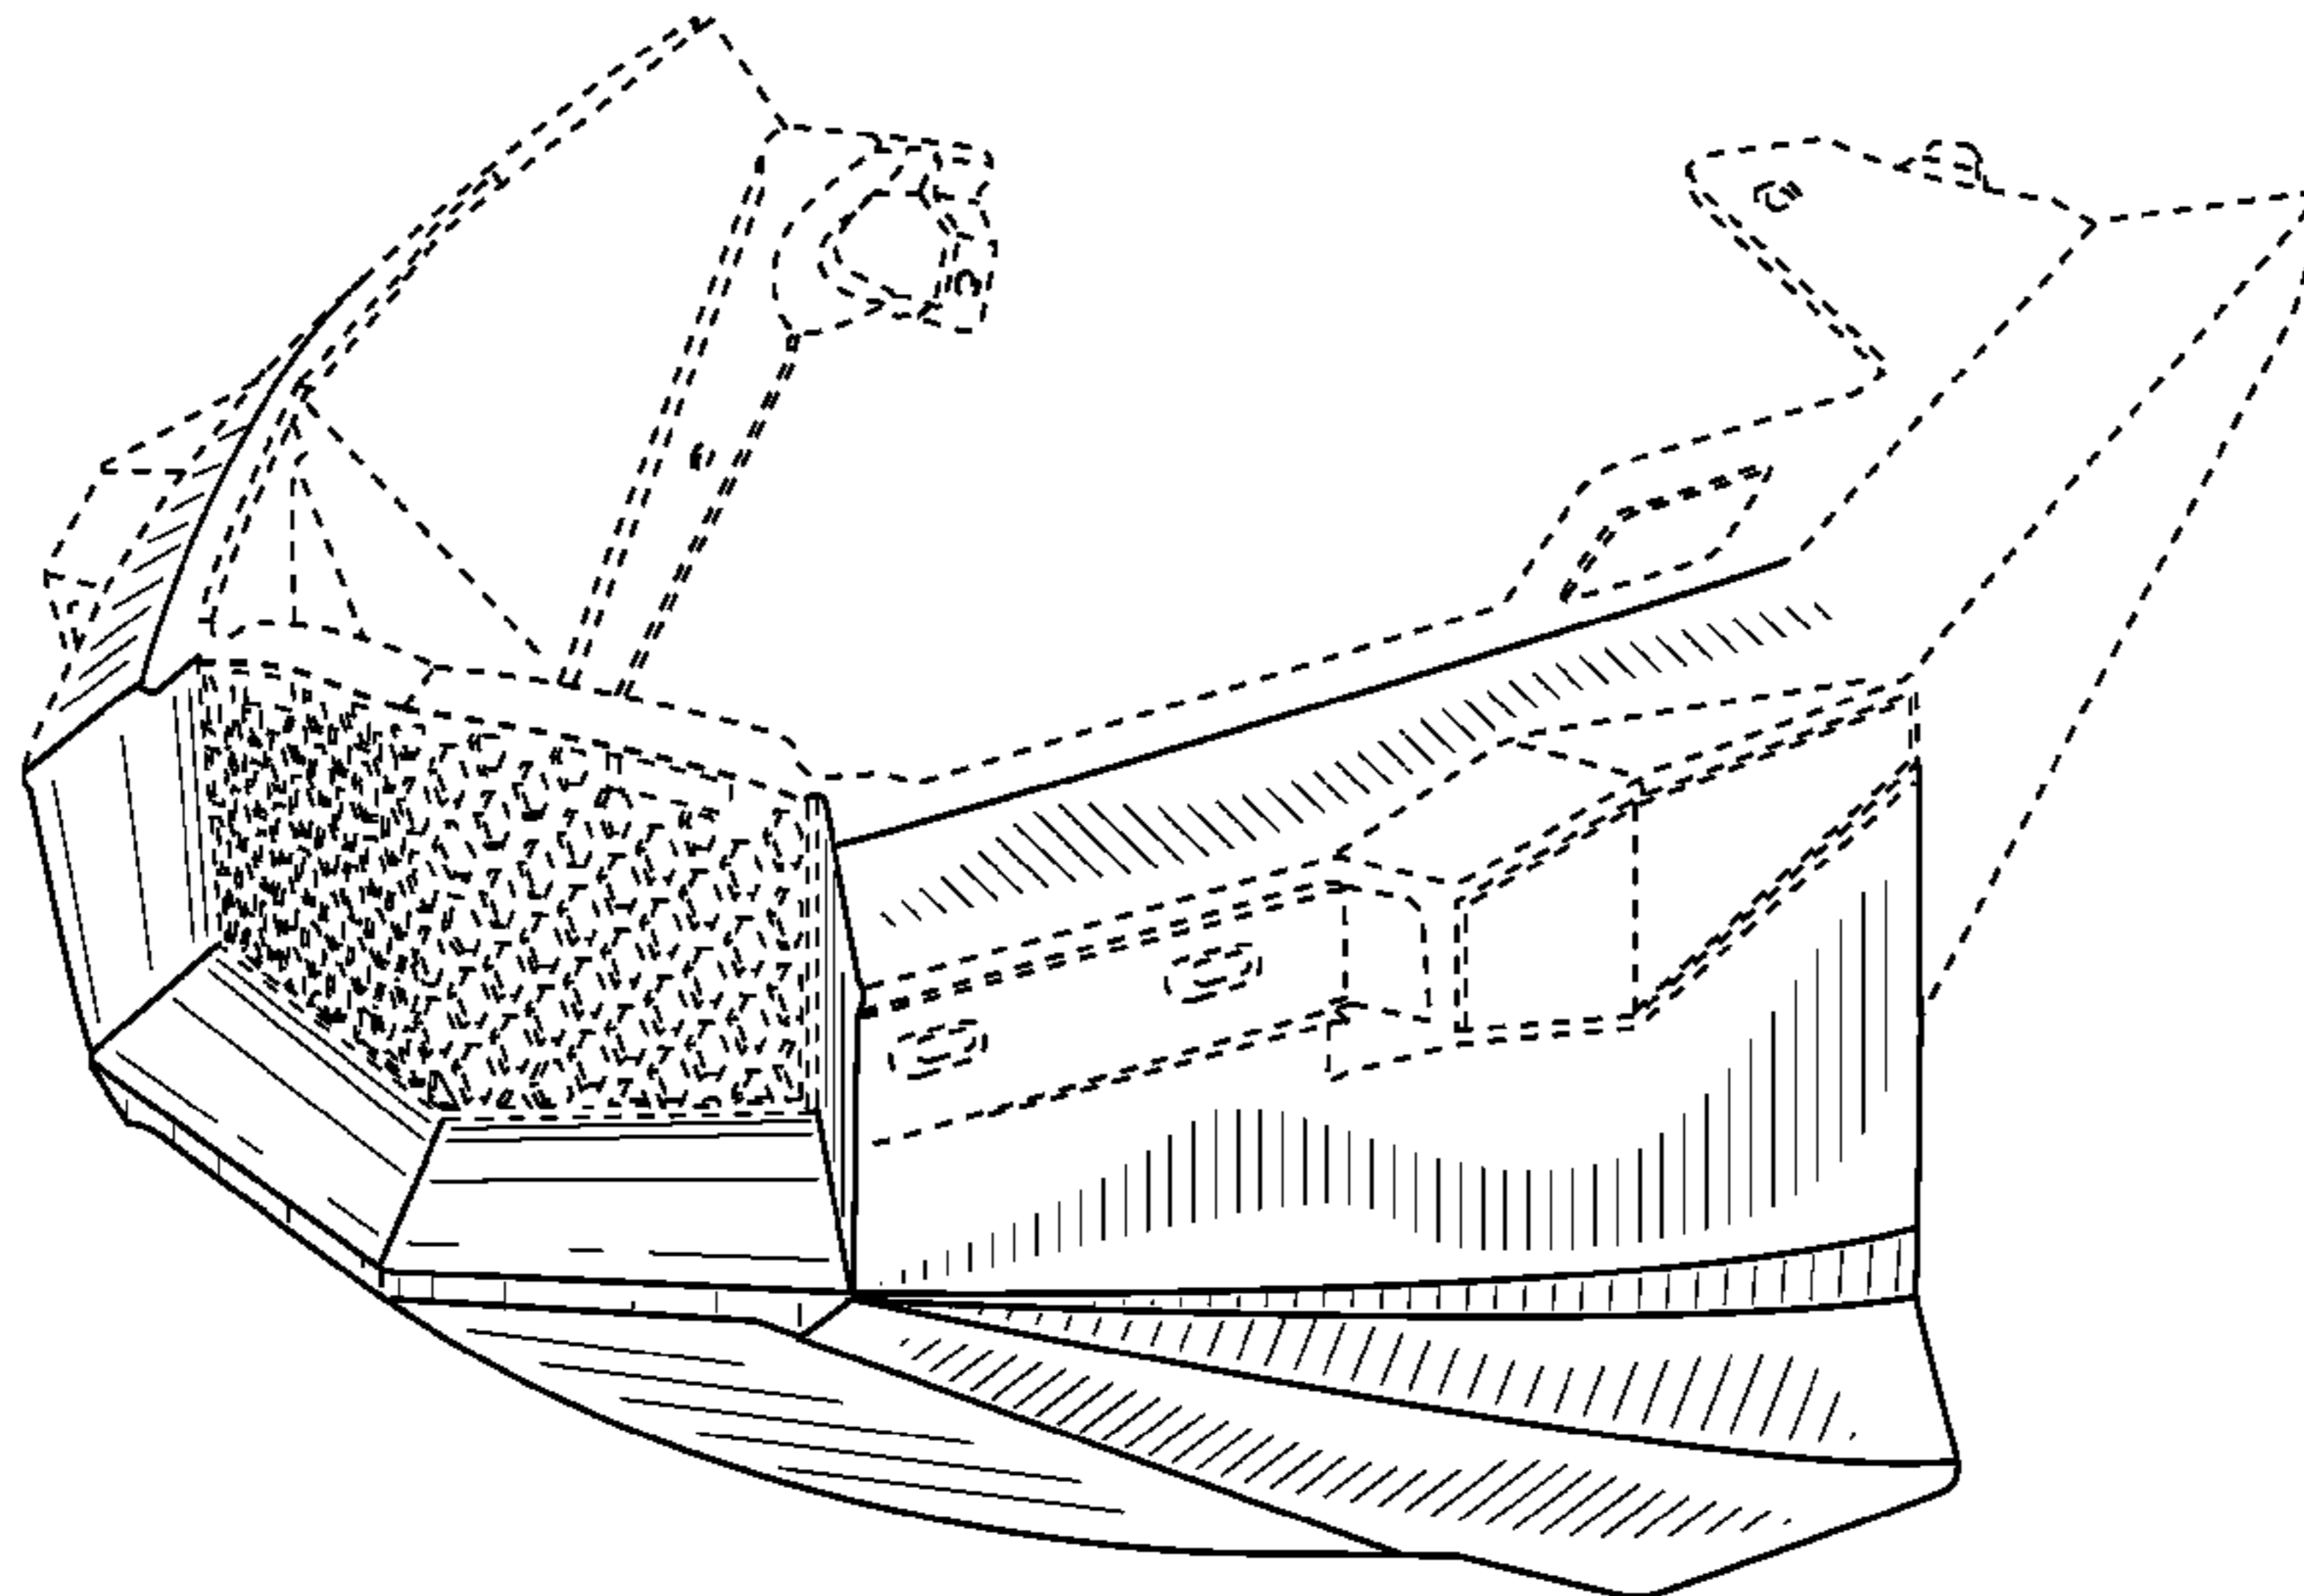

Throughout the Figures, the dashed broken lines represent environmental matter and/or unclaimed portions of the snowmobile front fairing and form no part of the claimed design. The dash-dot broken lines represent the boundary between claimed and unclaimed areas and form no part of the claimed design. Portions of the snowmobile front fairing not shown in the Figures form no part of the claimed design.
