(57) **CLAIM**

The ornamental design for a multiple electrical plug with light indicator design, as shown and described.

DESCRIPTION

FIG. 1 presents a top pictorial view of my new multiple electrical plug with light indicator design.

FIG. 2 presents a top plan view of the multiple electrical plug with light indicator as illustrated in FIG. 1.

FIG. 3 presents a bottom pictorial view of the multiple electrical plug with light indicator as illustrated in FIG. 1.

FIG. 4 presents a bottom view of the multiple electrical plug with light indicator design as illustrated in FIG. 1.

FIG. 5 presents a front elevational view of the multiple electrical plug with light indicator design as illustrated in FIG. 1.

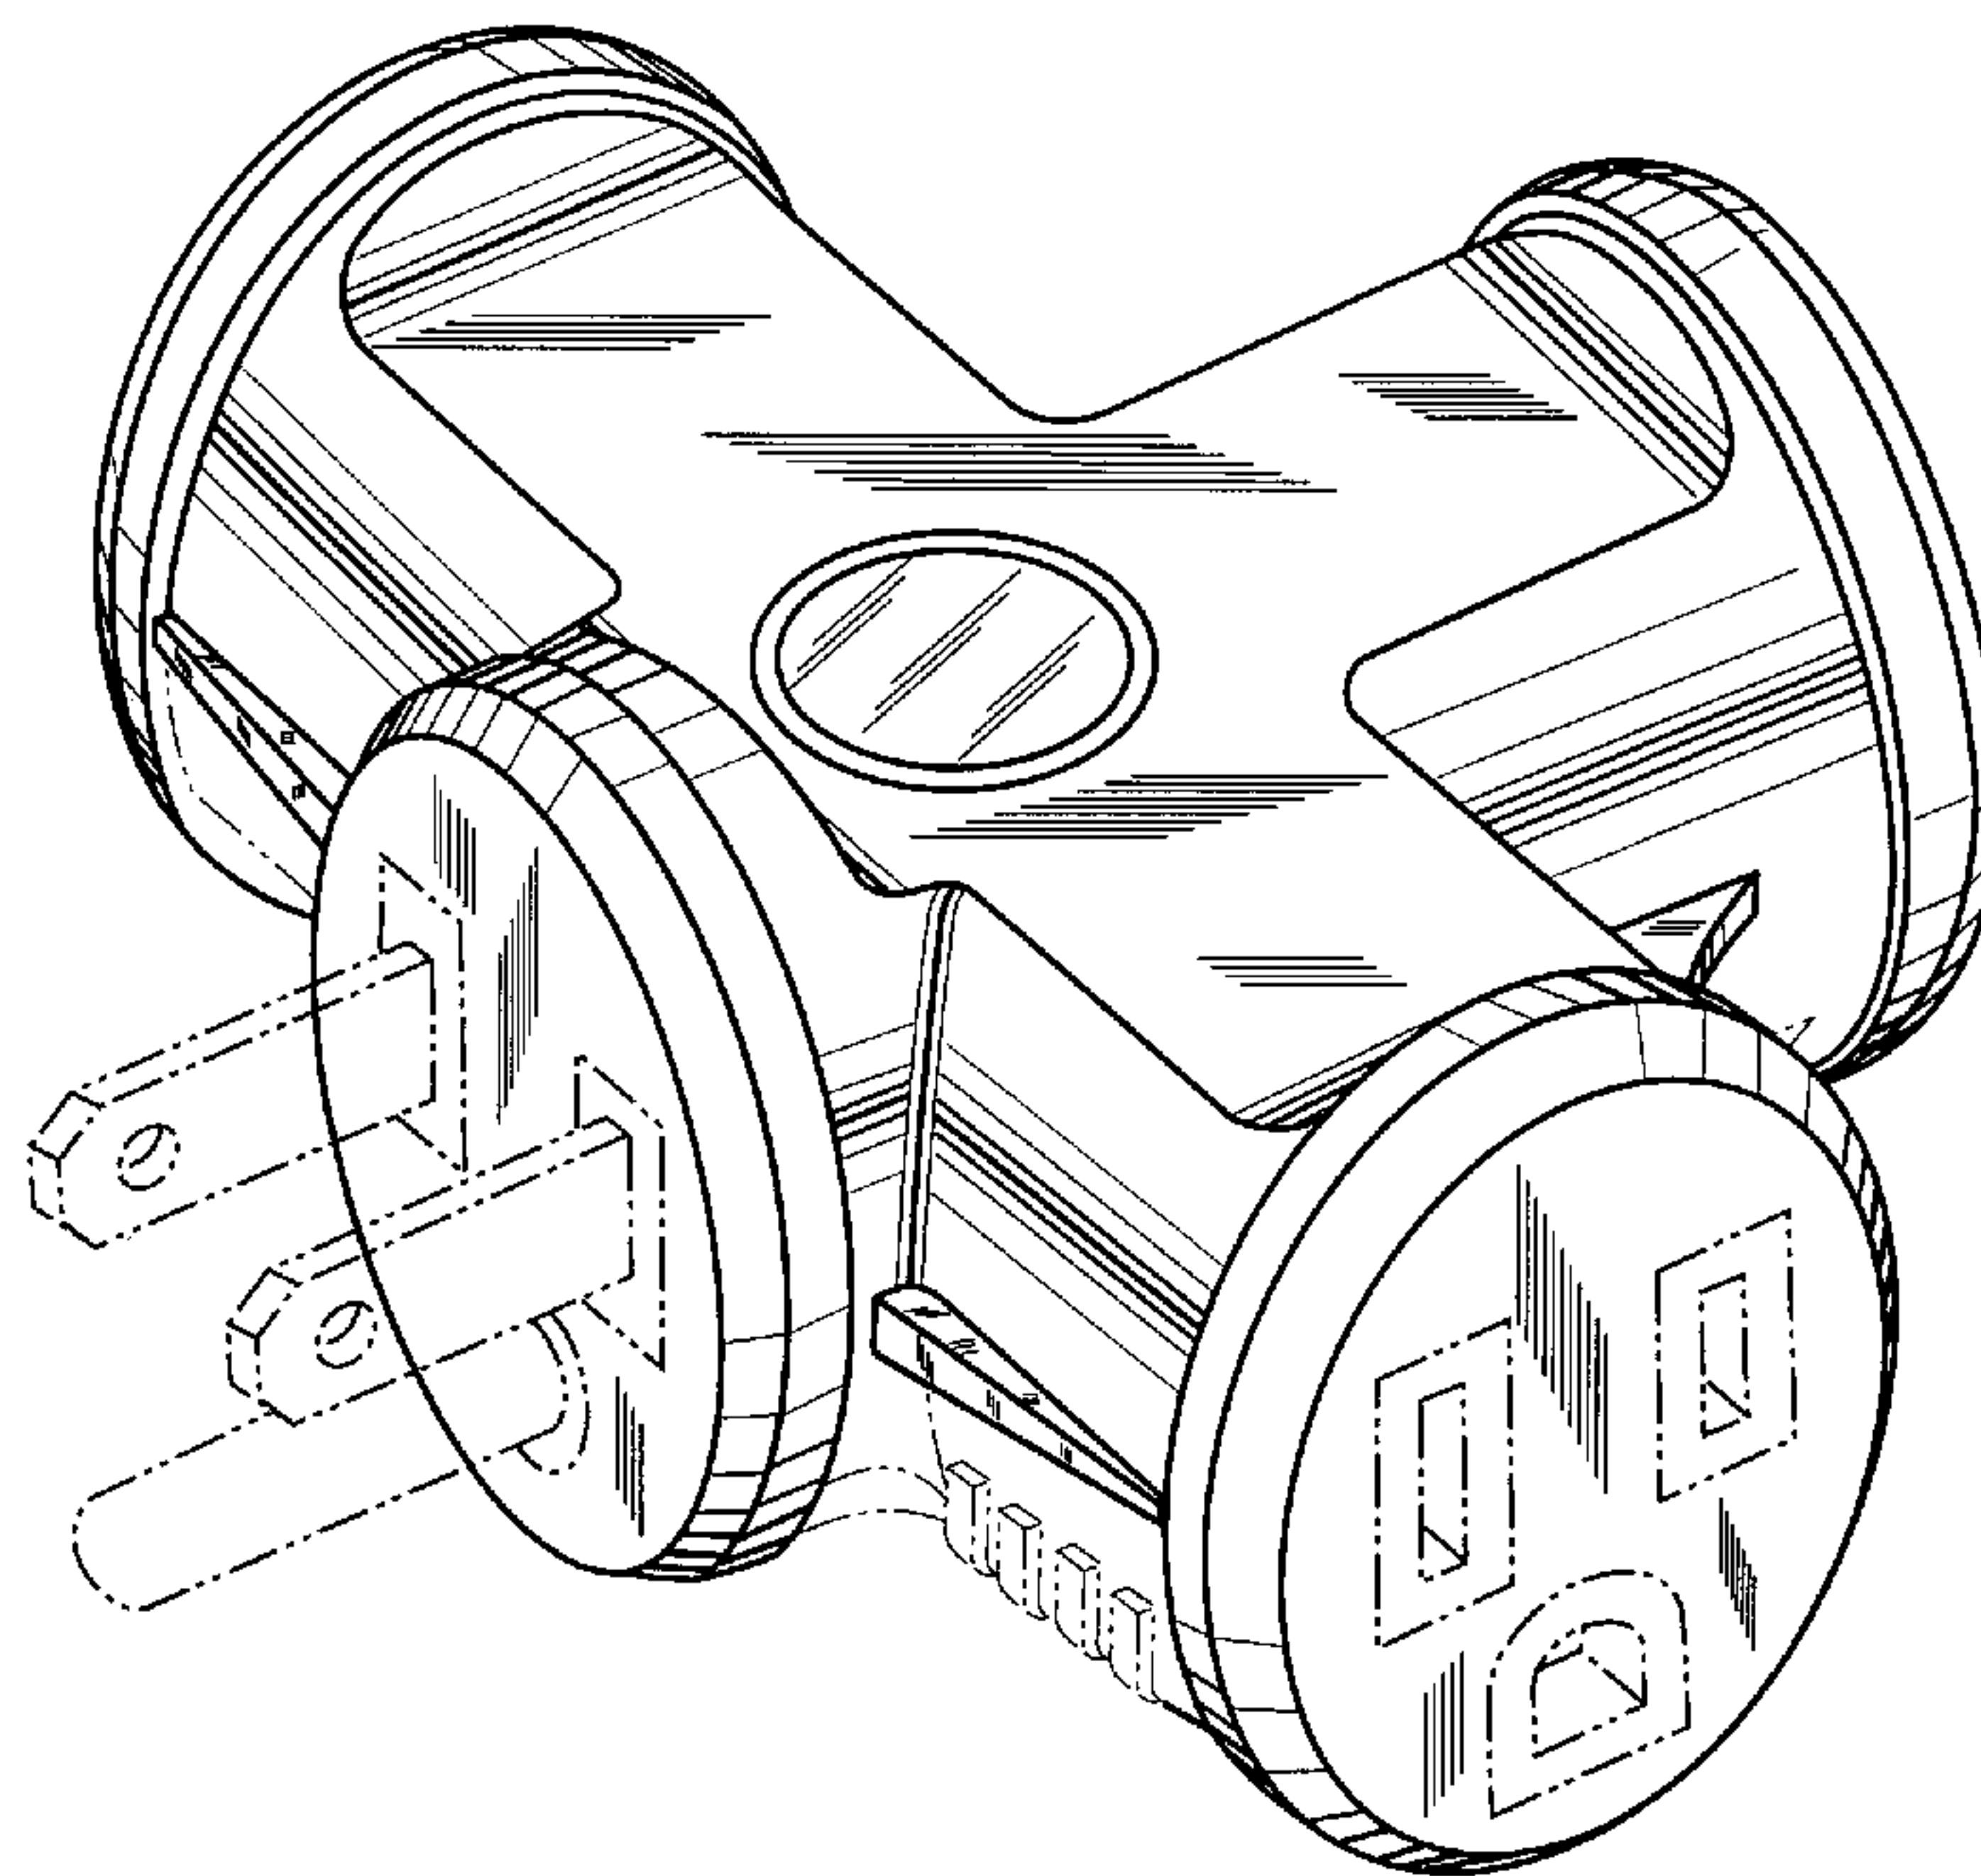

FIG. 6 presents a rear elevational view of the multiple electrical plug as illustrated in FIG. 1; and,

FIG. 7 presents a left side elevational view of the multiple electrical plug with light indicator illustrated in FIG. 1.

The right side elevational view of the multiple electrical plug with light indicator illustrated in FIG. 1 is a reverse view of FIG. 7.

The broken lines in the drawings are for illustrative purposes only and form no part of the claimed design.
