(57) **CLAIM**

The ornamental design for a hand-operated spray gun for high pressure washer, as shown and described.

DESCRIPTION

FIG. 1 is a front, top and right side perspective view of the design;

FIG. 2 is a front, top and left side perspective view of the design;

FIG. 3 is a front elevational view of the design;

FIG. 4 is a right side elevational view of the design;

FIG. 5 is a rear elevational view of the design;

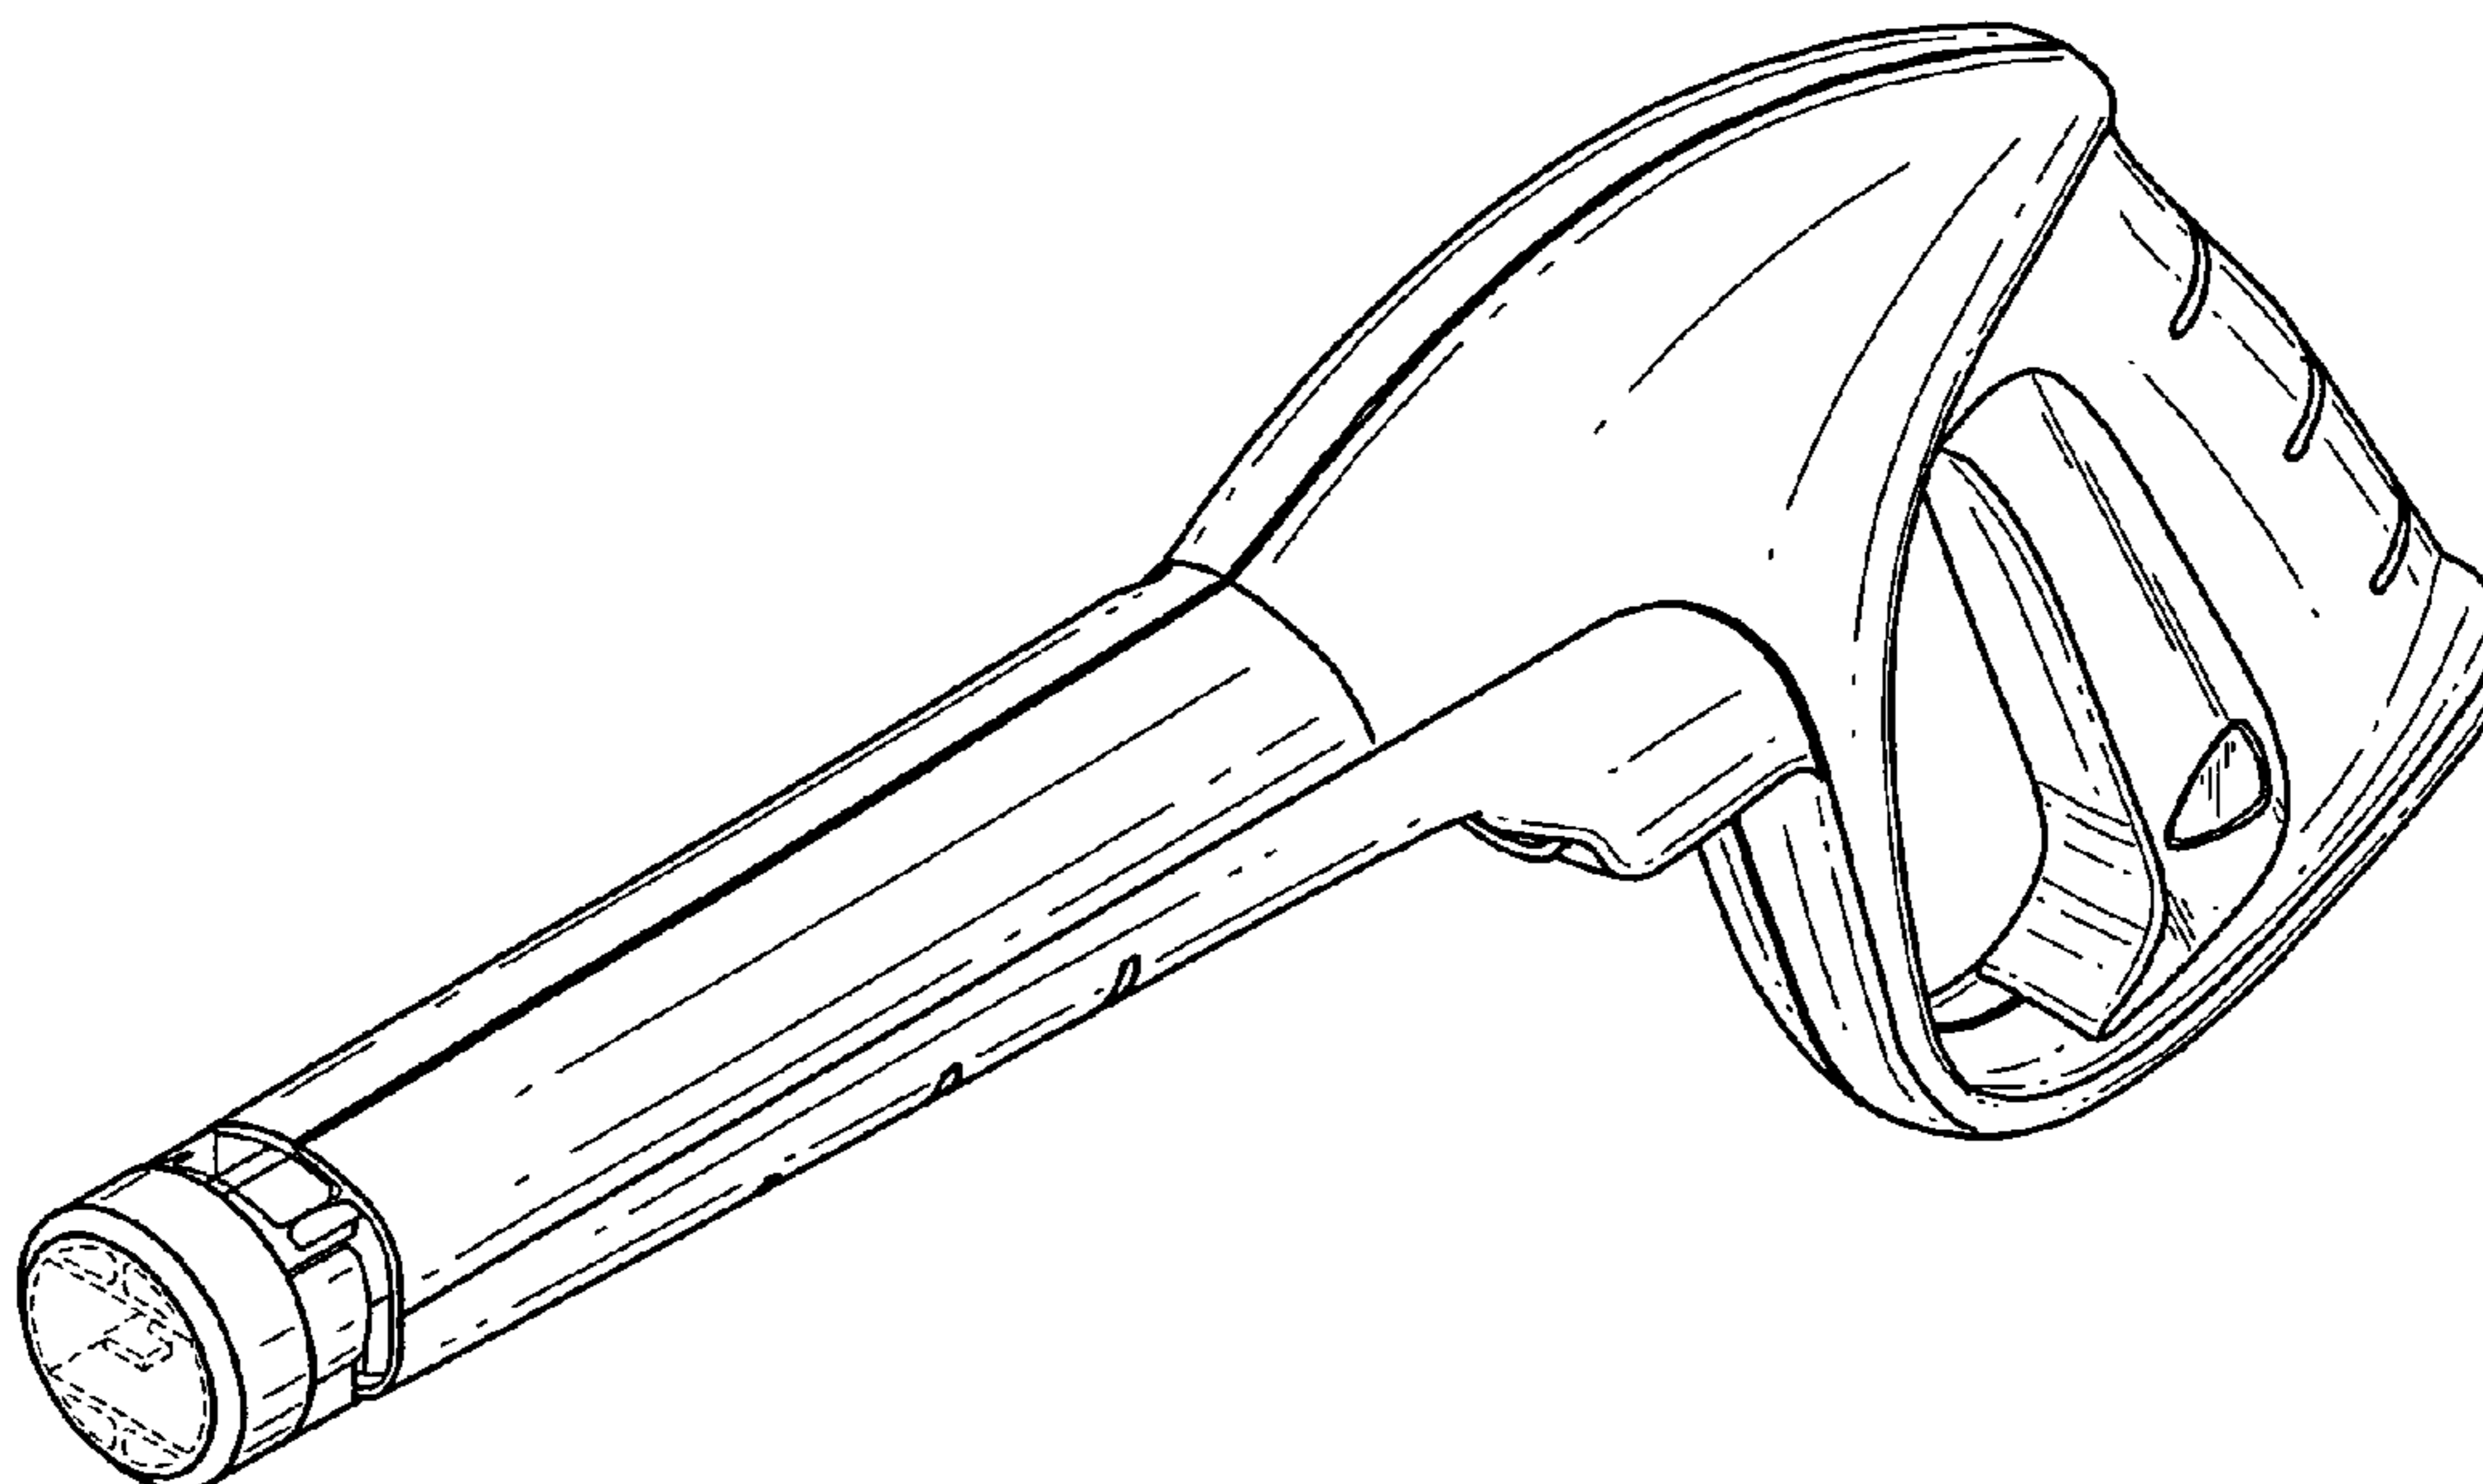

FIG. 6 is a left side elevational view of the design;

FIG. 7 is a top plan view of the design; and,

FIG. 8 is a bottom plan view of the design.

The broken line showing of the nozzle interior in FIGS. 1, 2, and 3 is for the purpose of illustrating one possible interior structure and forms no part of the claimed design.
