(57) **CLAIM**

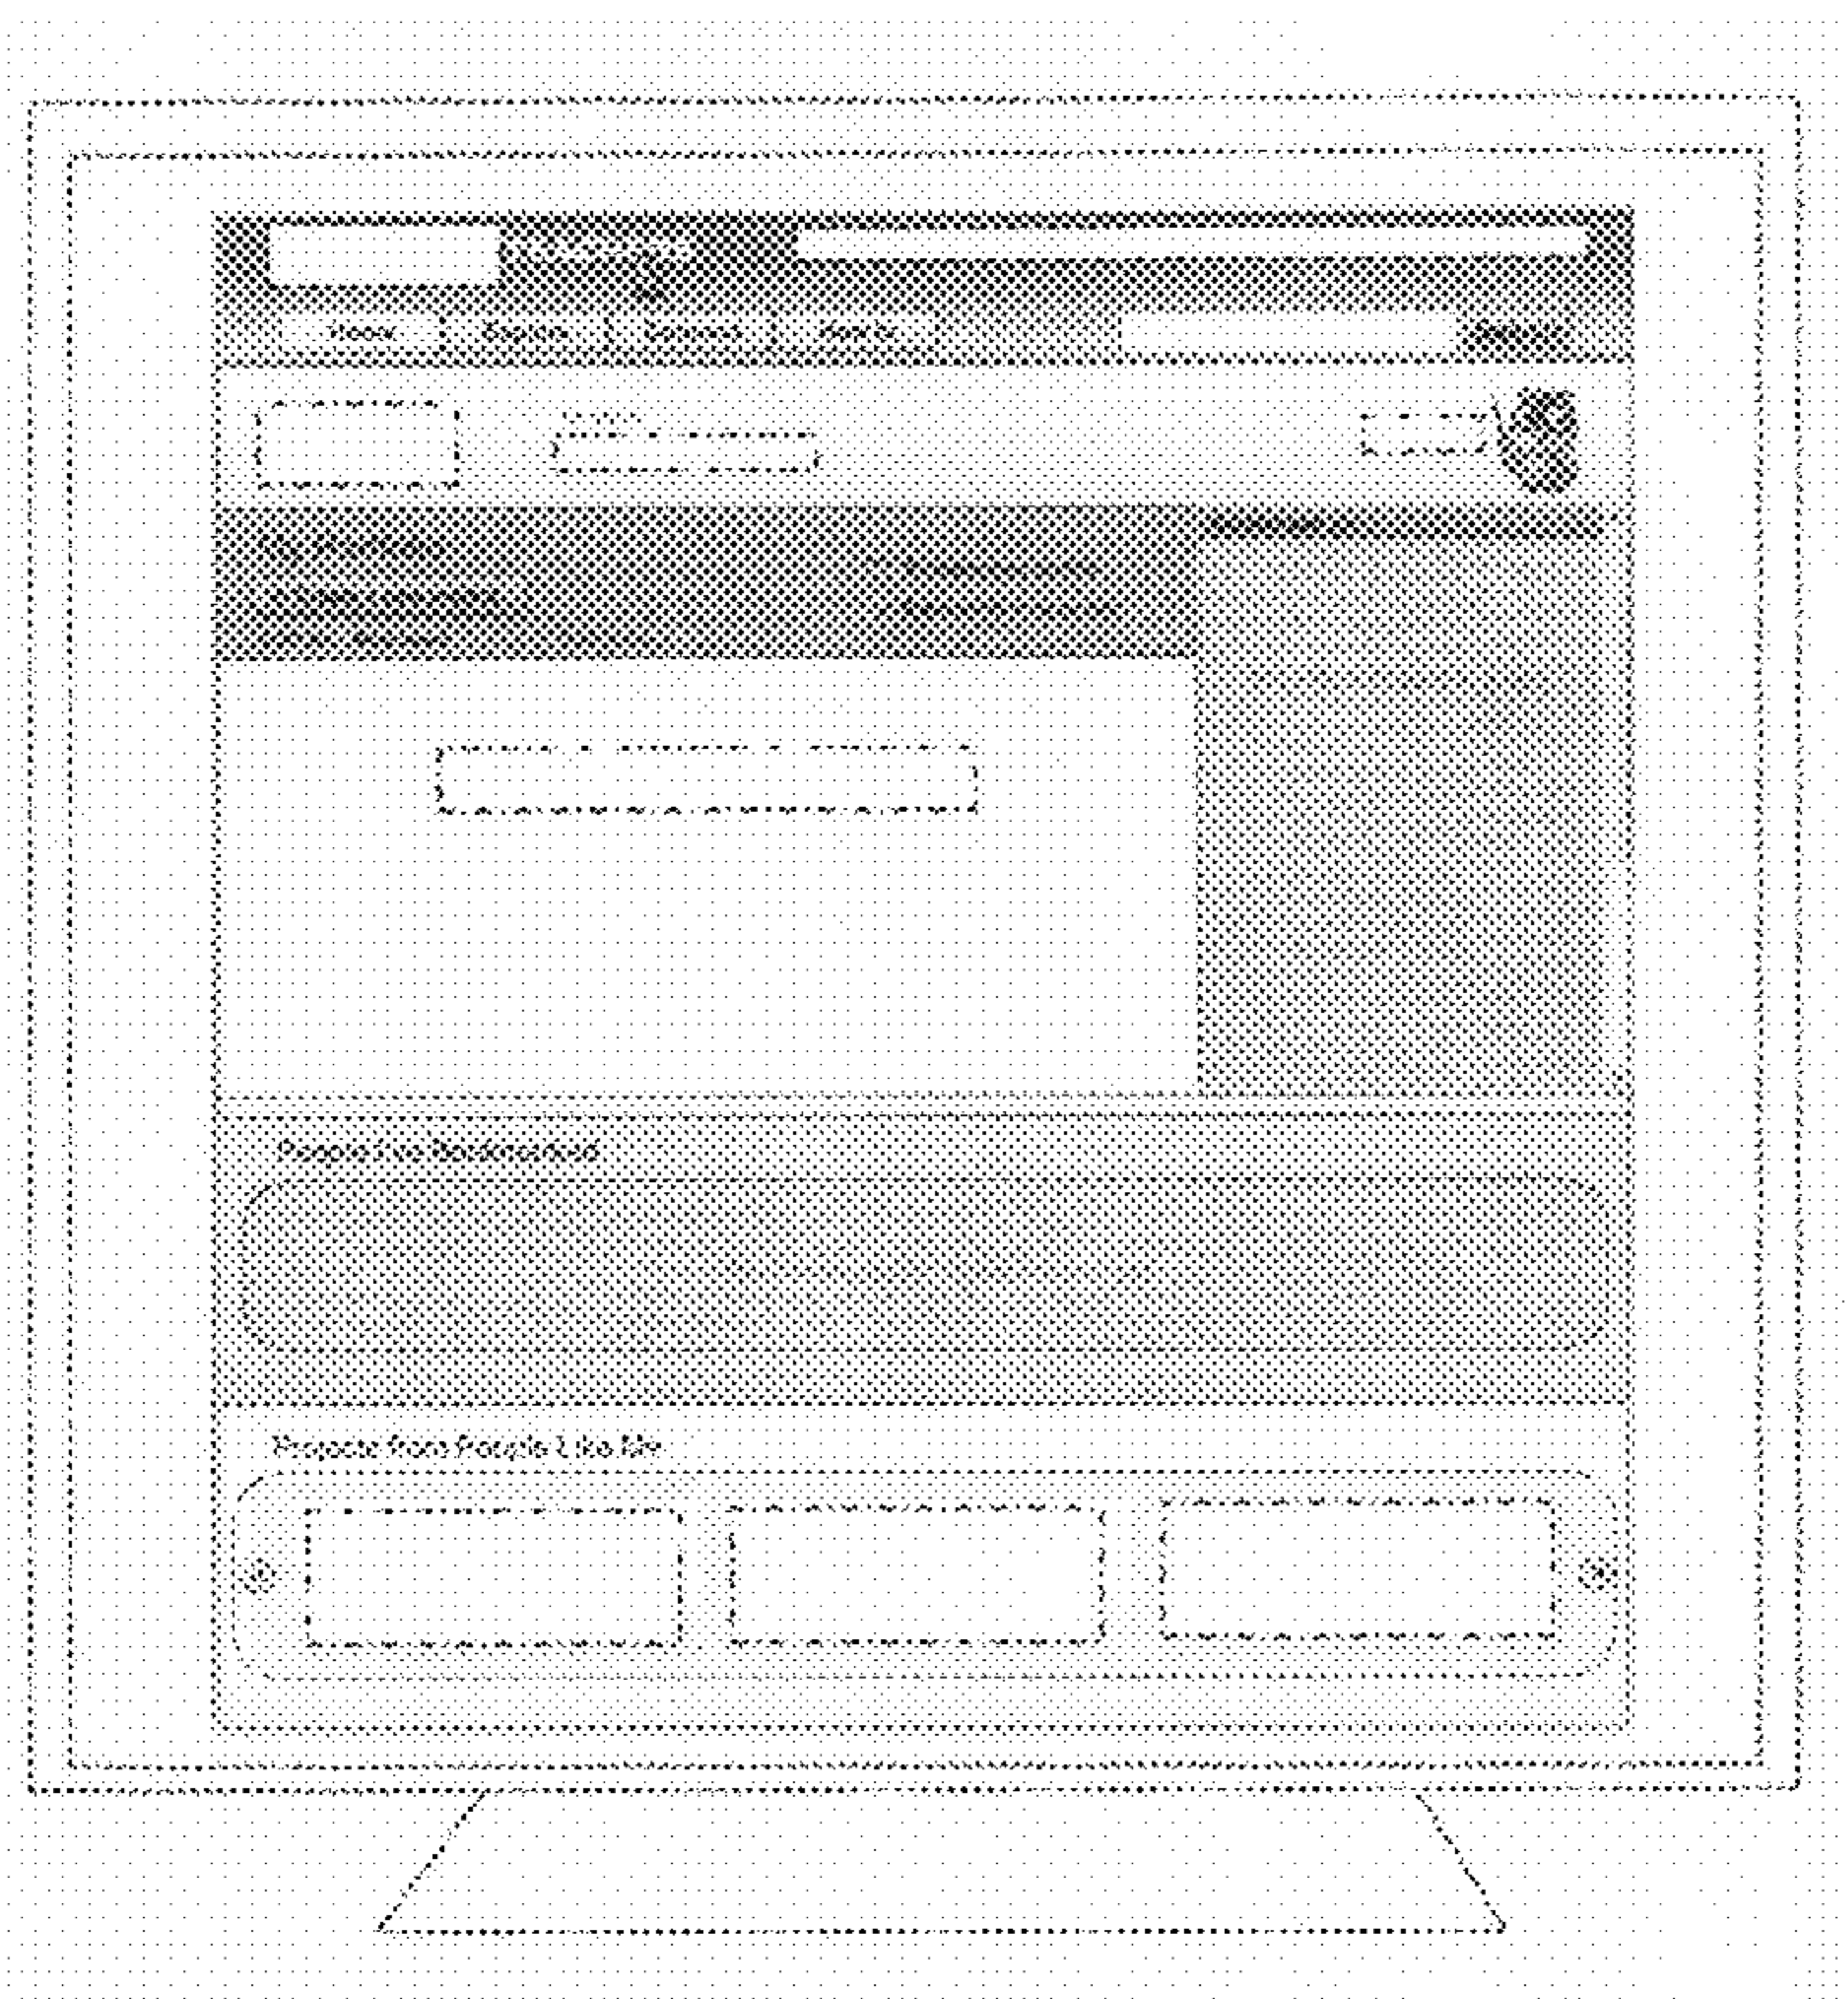

The ornamental design for a graphical user interface for com-
puter screen, as shown and described.

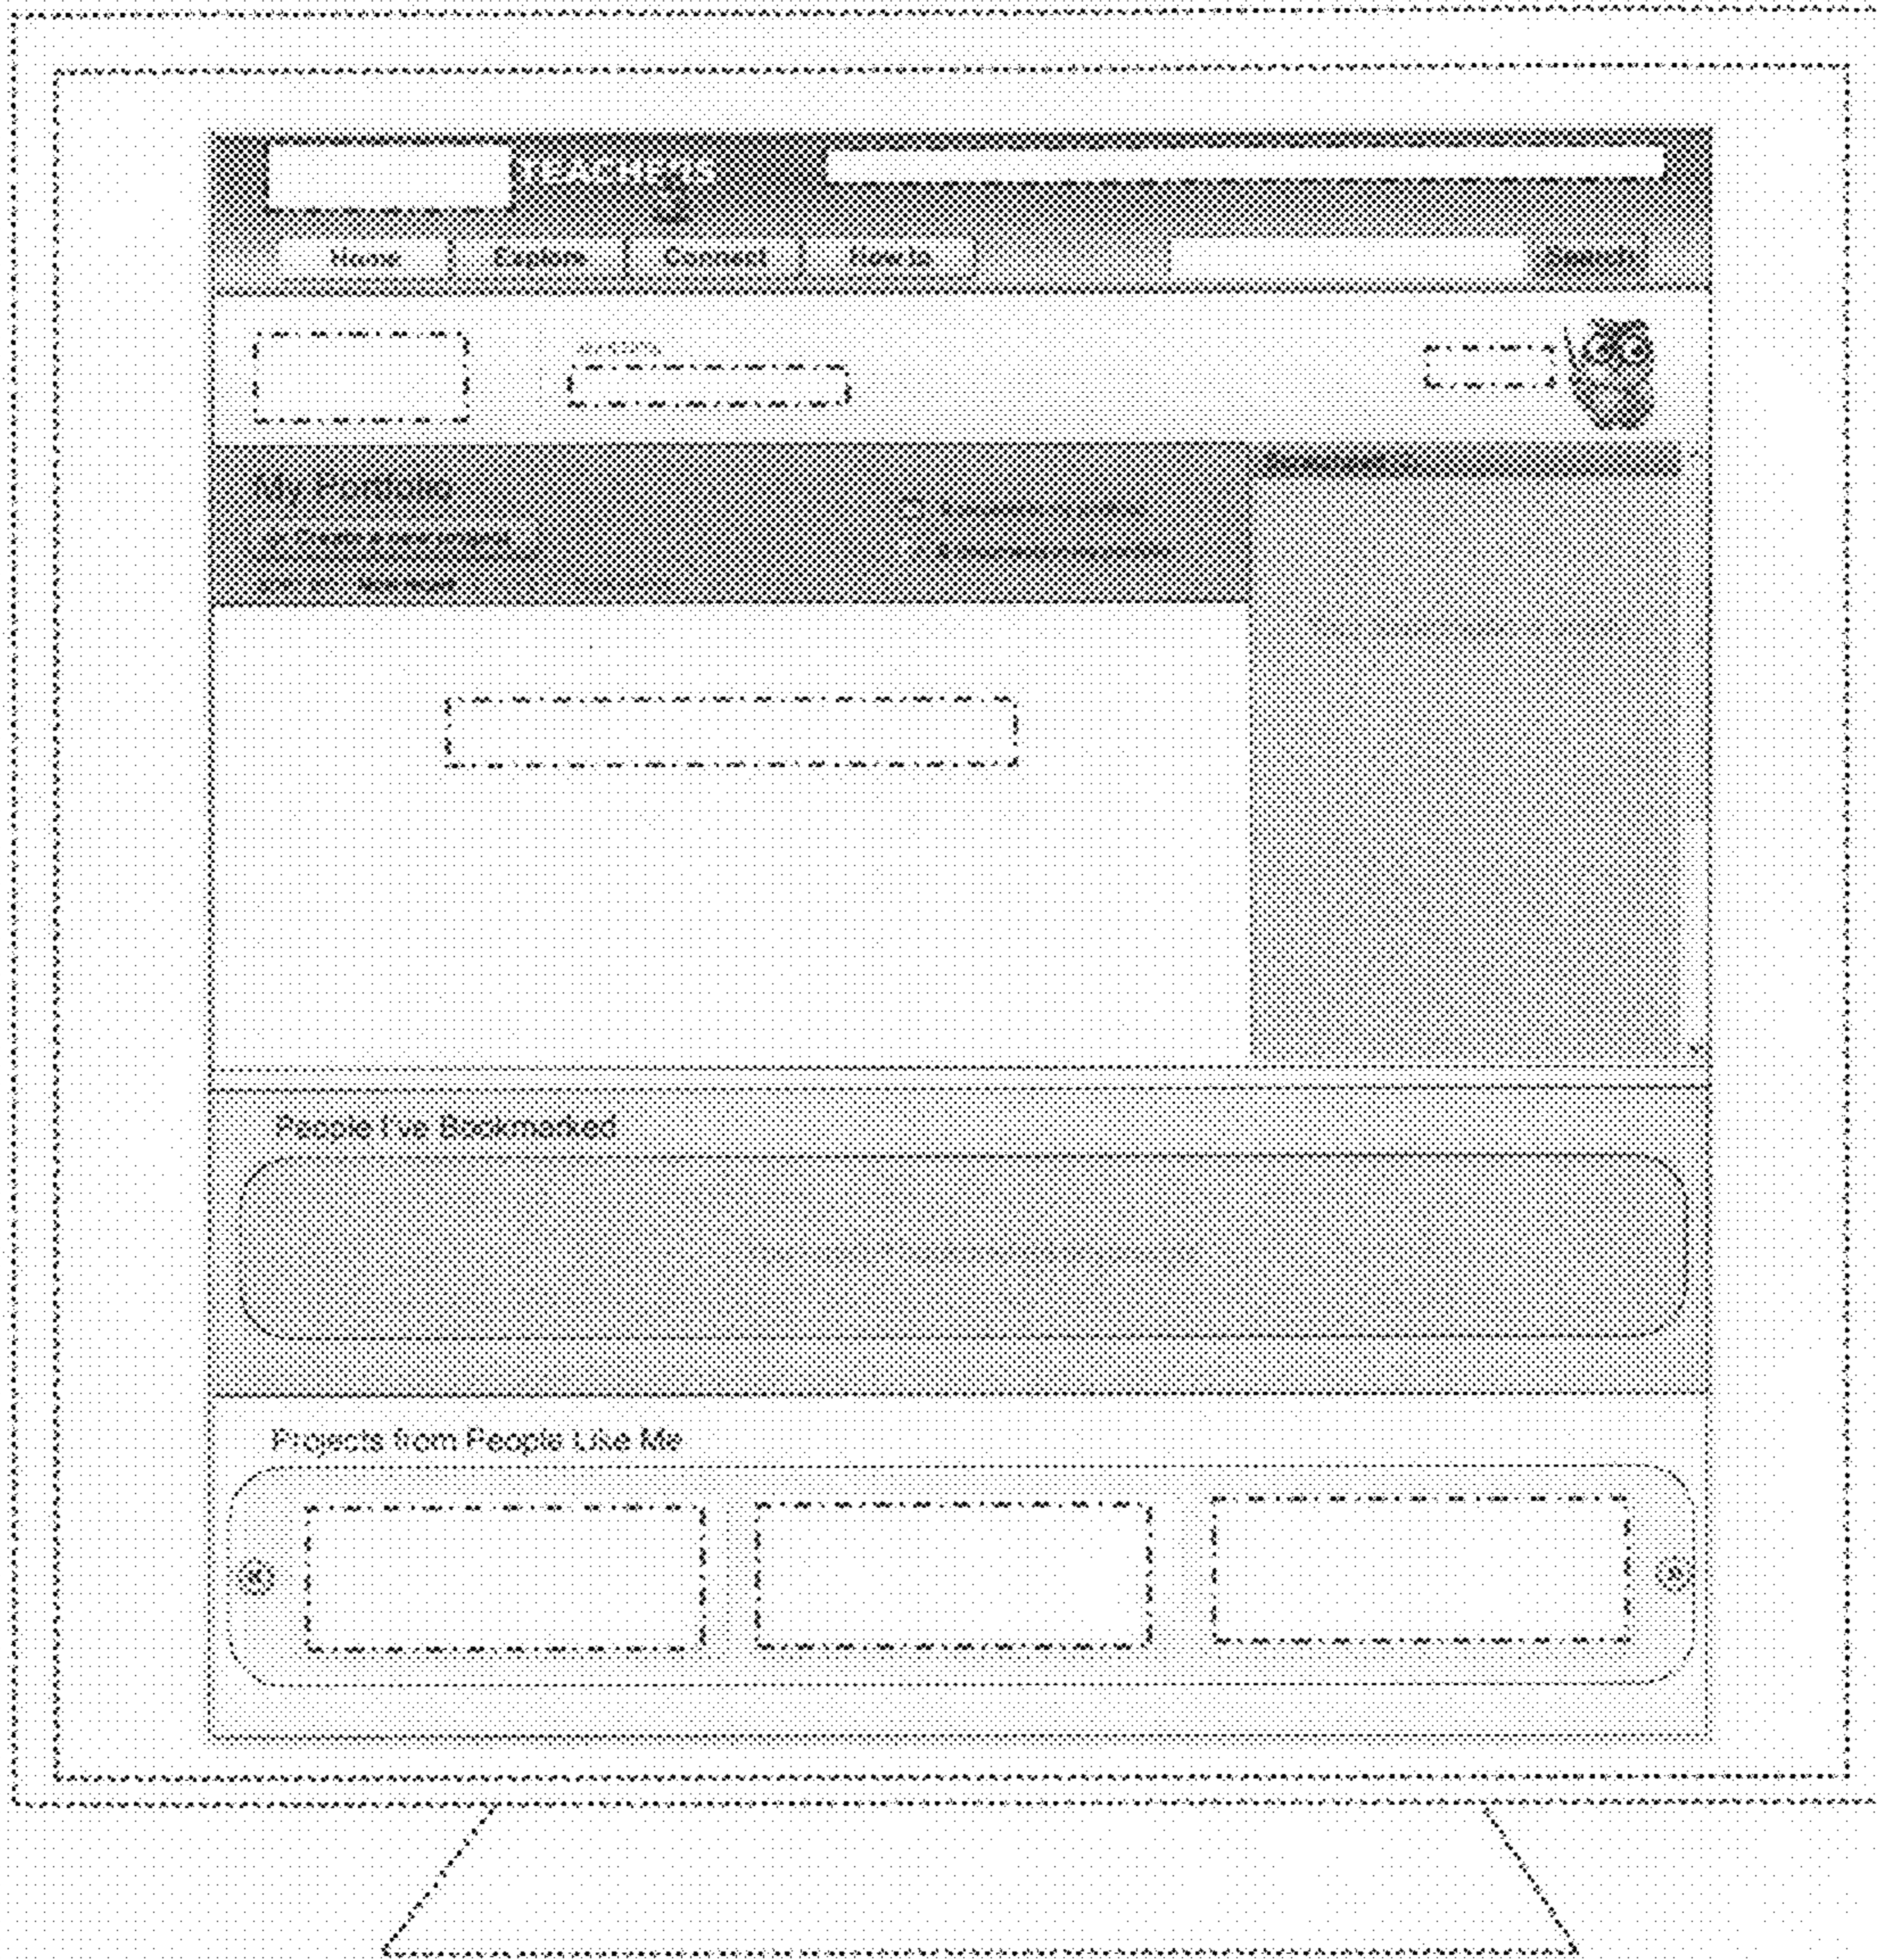

DESCRIPTION

The sole FIGURE is a front view of our graphical user inter-
face for computer screen showing our new design.

The broken line showing of a computer screen is included for
the purpose of showing environmental structure and forms no
part of the claimed design. The content inside of the broken
line dot-dash lines form no part of the claimed design.
