(57) **CLAIM**

The ornamental design for a color icon for a portion of a display screen, as shown and described.

DESCRIPTION

The FIGURE is a front view of a color icon for a portion of a display screen showing our new design.

The broken line showing of a portion of the display screen is included for the purpose of illustrating environmental structure and forms no part of the claimed design.

The patent or application file contains at least one drawing executed in color. Copies of the patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.
