(57) **CLAIM**

We claim the ornamental design for a lock-out closure for a container with a corresponding lock-out dispenser, as shown and described.

DESCRIPTION

FIG 1 is a perspective view of a lock-out closure for a container with a corresponding lock-out dispenser insert, showing our new design; and,

FIG. 2 is a top view thereof.

The broken lines shown represent unclaimed portions of the lock-out closure for a container with a corresponding lock-out dispenser insert and form no part of the claimed design.
