(57) **CLAIM**

The ornamental design for a blade hub, as shown and described.

**DESCRIPTION**

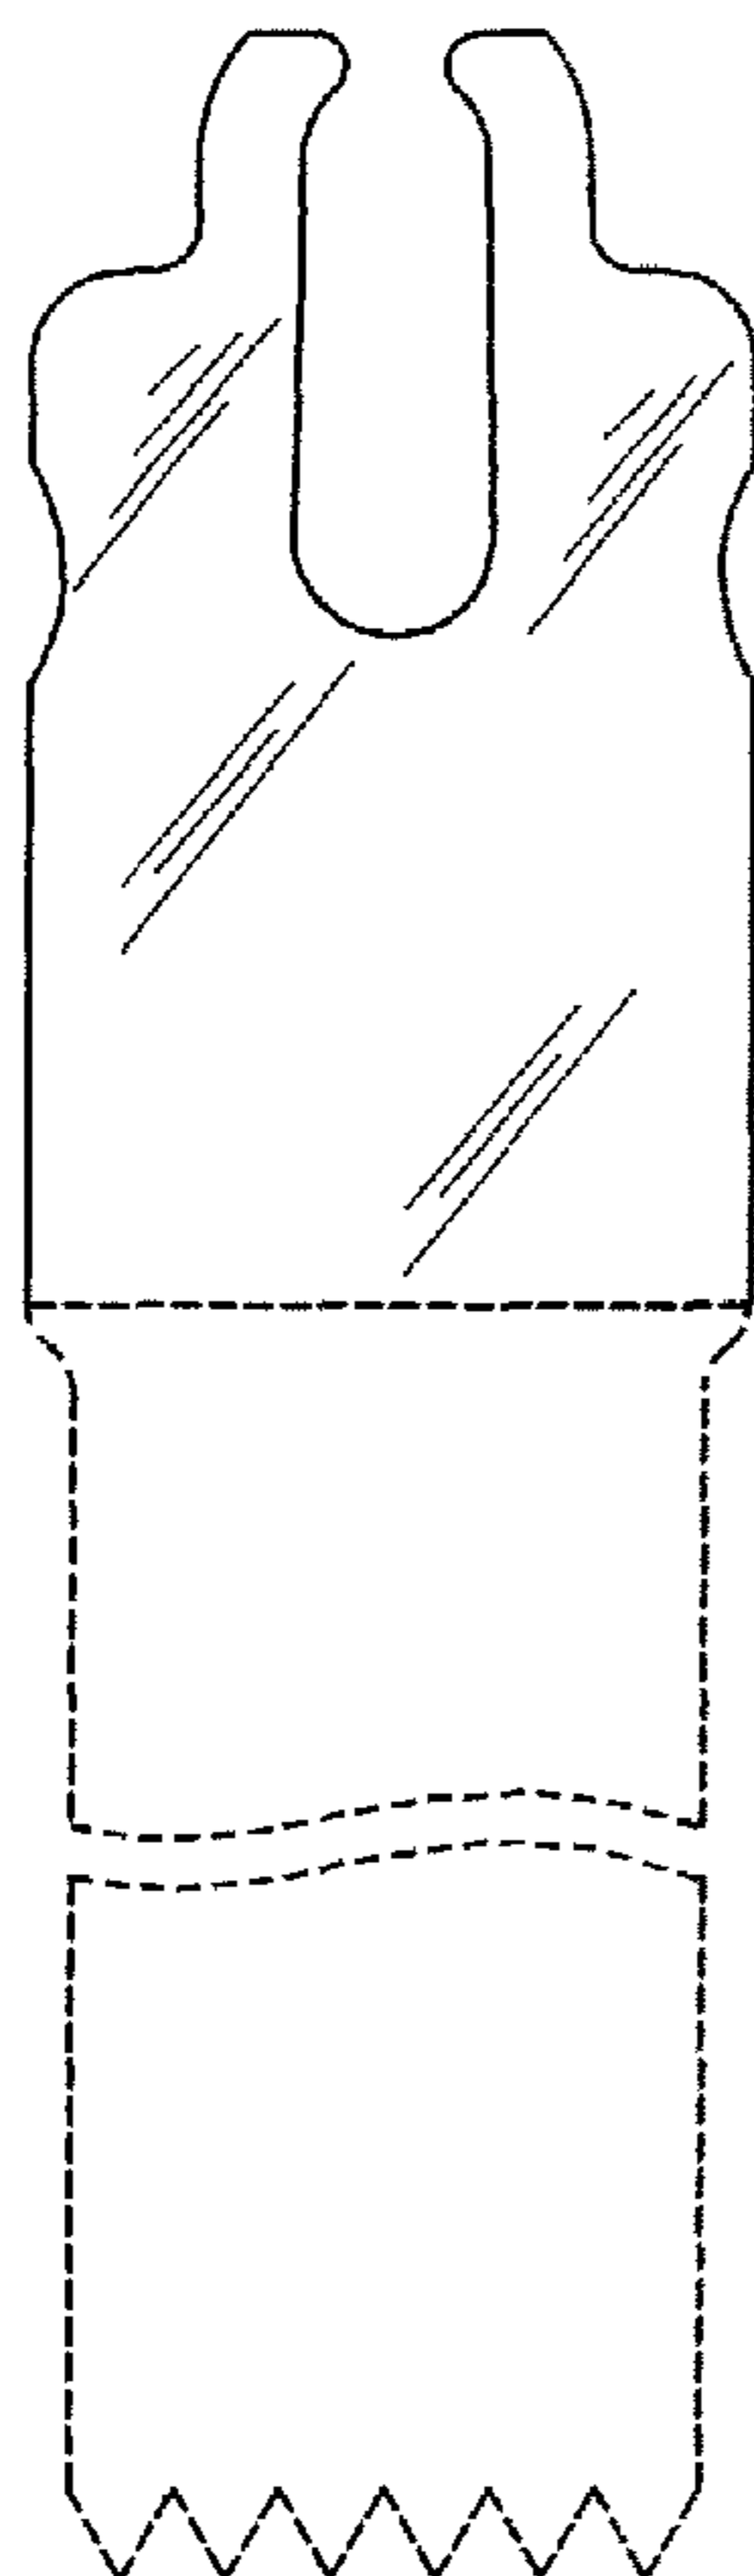

FIG. 1 is a top view of an embodiment of a blade hub, the bottom view being an identical image thereof;

FIG. 2 is a left side elevation view of the blade hub of FIG. 1, the right side elevation view being an identical image thereof; and,

FIG. 3 is a front elevation view of the blade hub of FIG. 1.

The features of the blade hub shown in broken lines depict environmental subject matter only and form no part of the claimed design.
