(57) **CLAIM**

The ornamental design for a canine cleanroom suit, as shown and described.

DESCRIPTION

FIG. 1 is a side environmental view showing my new design as worn by a dog; the other side view being a mirror image thereof;

FIG. 2 is a top view thereof; wherein the longitudinal marking indicates a closure;

FIG. 3 is a front elevation view thereof;

FIG. 4 is a rear view thereof; and,

FIG. 5 is a bottom view thereof; wherein the markings at the base of the tail, the ankles and neck indicate gathering of material.

The broken lines of the dog are for illustrative purposes only and form no part of the claimed design.
