(57) **CLAIM**

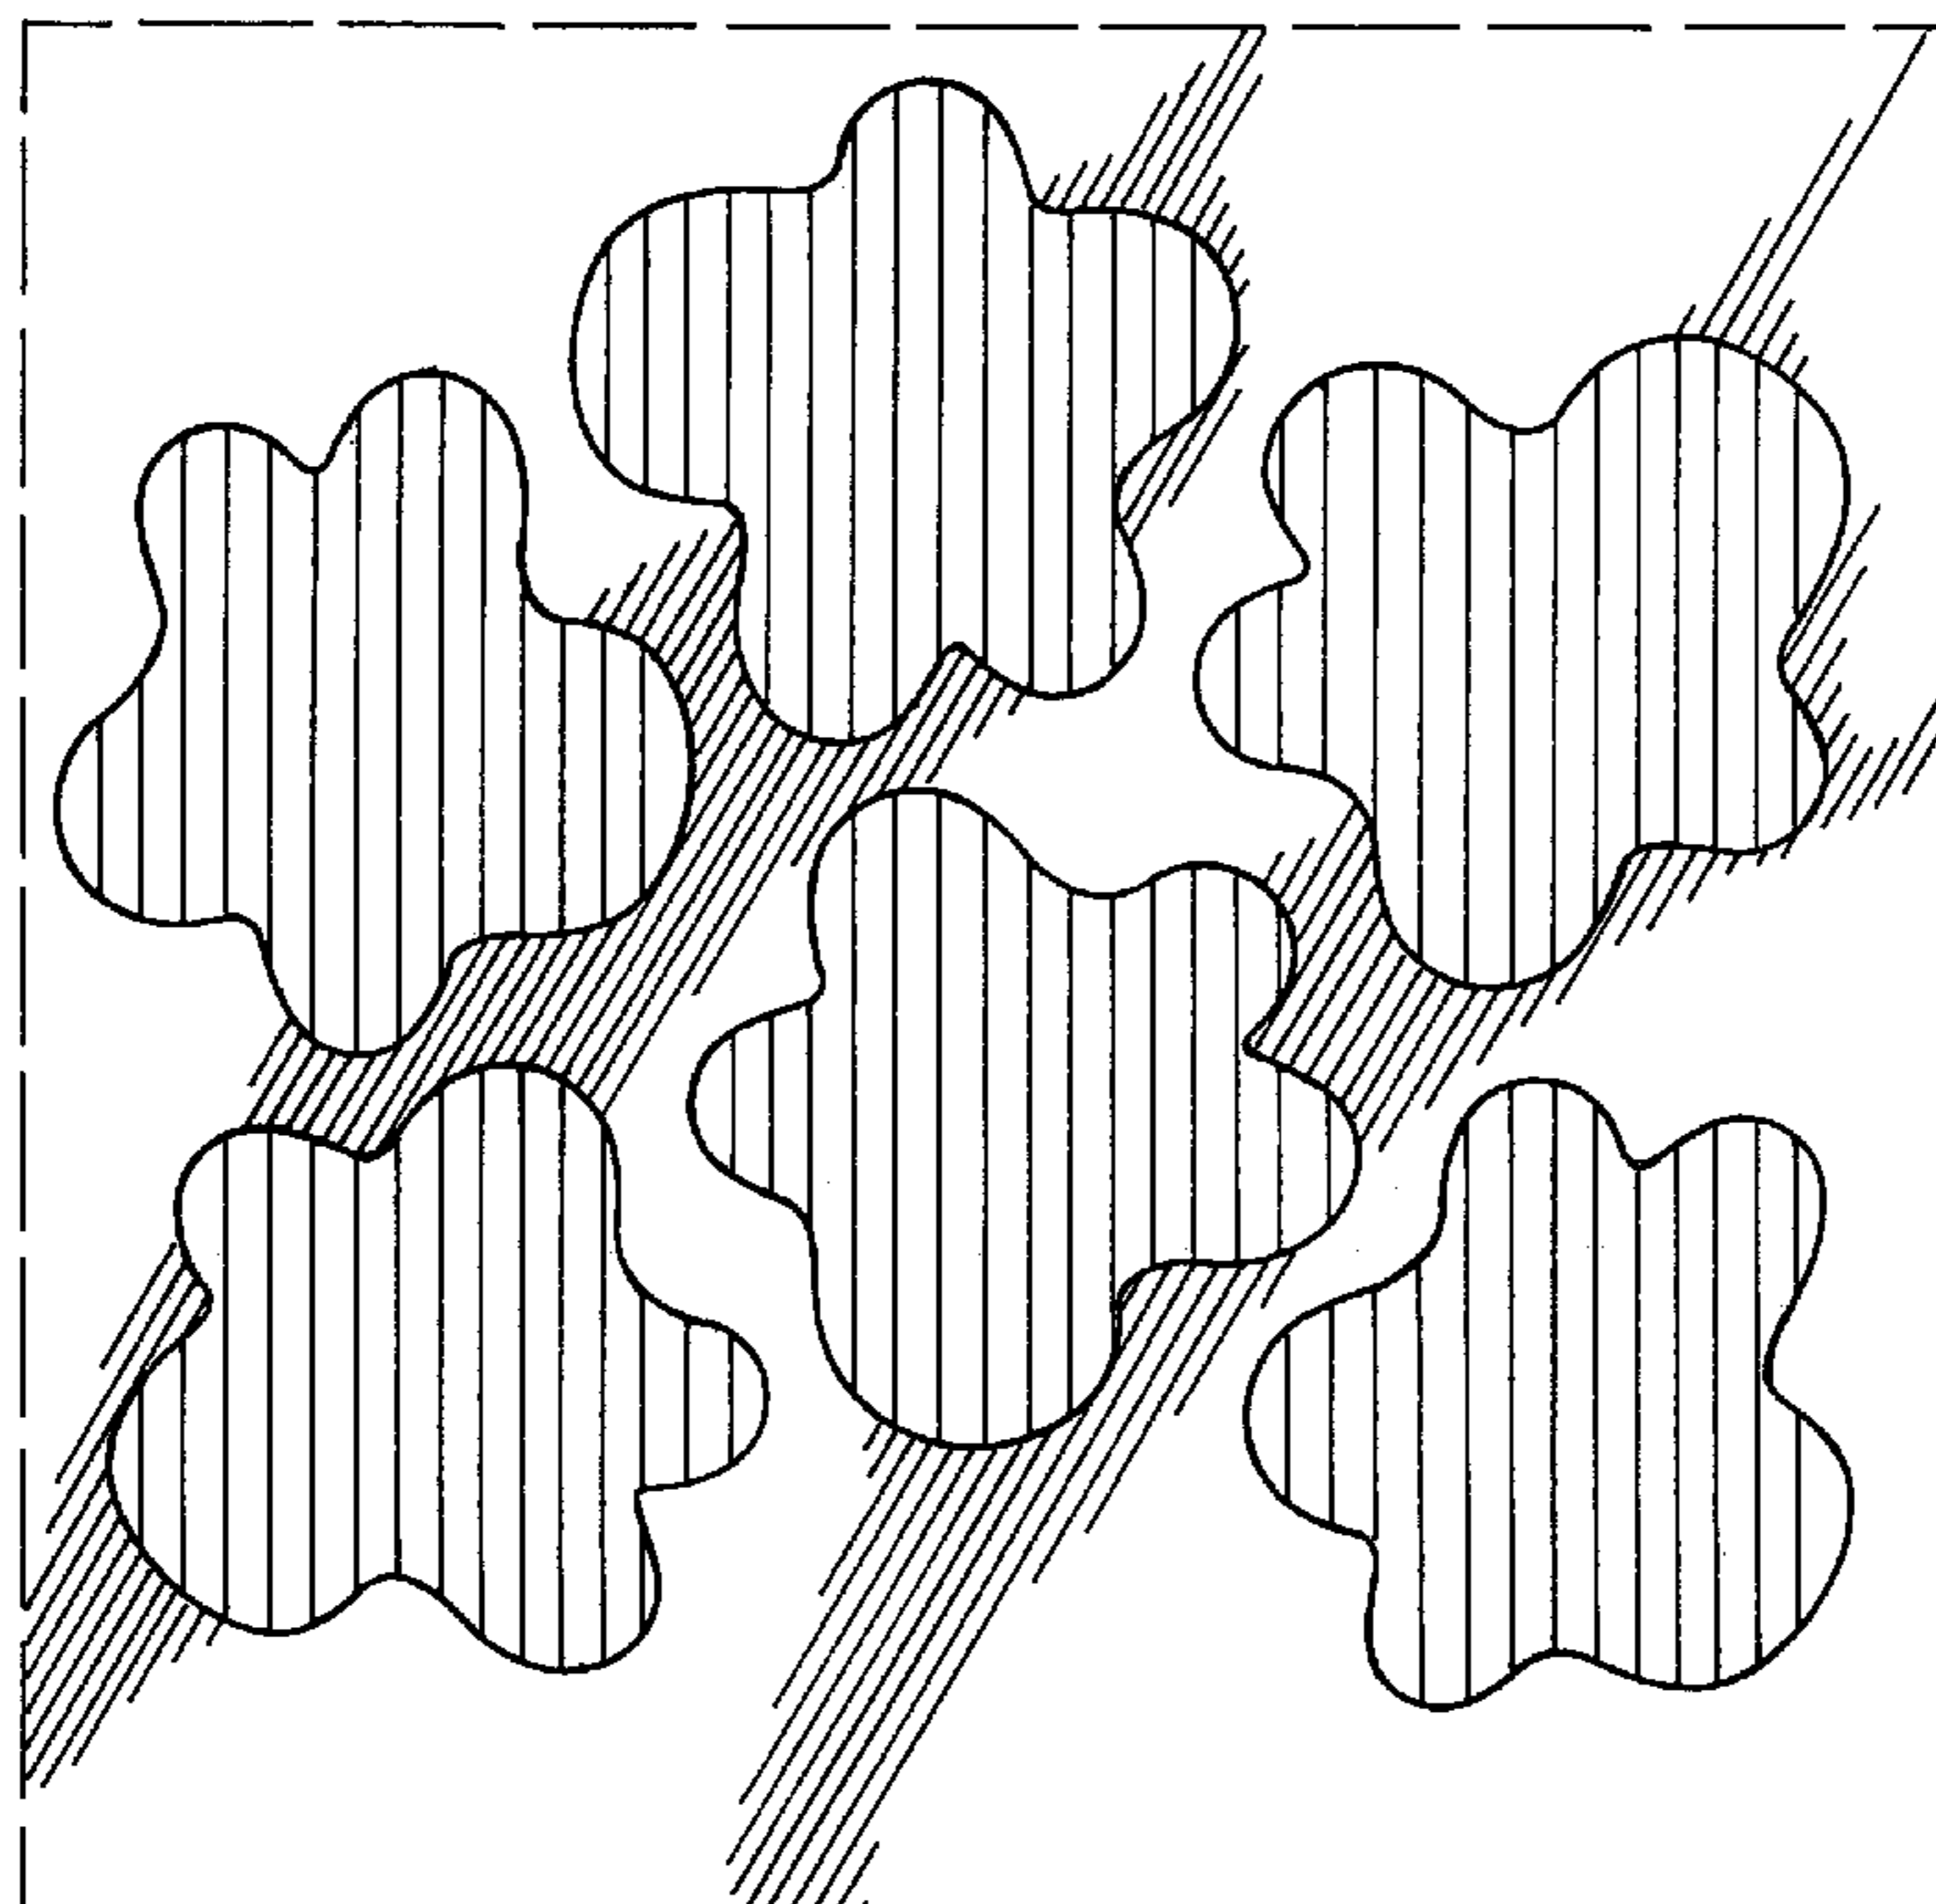

I claim the ornamental design for disposable palette of food colorant, as shown and described.

DESCRIPTION

FIG. 1 is a face view showing of a first form of my new design; FIG. 2 is a face view showing a second form of my new design, having portions lined to indicate color contrast; and, FIG. 3 is a face view showing a third form of my new design, having portions lined to indicate color.

The depicted front surface portion of the disposable palette of food colorant is substantially flat, with darkened areas of the drawing designating where food colorant is printed onto the depicted surface portion. Surface(s) not shown in the drawing or described in the specification form(s) no part of the claimed design. The broken line showing in the drawings is a boundary that forms no part of the claimed design.
