(22) Filed: **May 2, 2008**

The ornamental design for an automated food service system for remote recreational facilities, as shown and described.

Related U.S. Application Data

DESCRIPTION

(63) Continuation-in-part of application No. 11/132,238, filed on May 19, 2005.

The application is directed to an automated food service system for remote recreational facilities. The invention shown herein is part of a system for providing safe, fresh uncooked meat products to a consumer.
