(57) **CLAIM**

We claim the ornamental design for an inflatable two chamber bed with headboard, as shown and described.

DESCRIPTION

FIG. 1 is perspective view of the inflatable two chamber bed with headboard of the present invention;

FIG. 2 is a top plan view of the inflatable two chamber bed with headboard of the present invention;

FIG. 3 is a bottom plan view of the inflatable two chamber bed with headboard of the present invention;

FIG. 4 is a right side elevation view of the inflatable two chamber bed with headboard of the present invention;

FIG. 5 is a left side elevation view of the inflatable two chamber bed with headboard of the present invention;

FIG. 6 is a front perspective view of the inflatable two chamber bed with headboard of the present invention; and,

FIG. 7 is a rear perspective view of the inflatable two chamber bed with headboard of the present invention.

The ornamental design which is claimed is shown in solid lines in the drawings. Any broken lines in the drawings are for illustrative purposes only and form no part of the claimed design.
