(57) **CLAIM**

The ornamental design for an adjustable tube jack mount, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of the adjustable tube jack mount showing the environment thereof.

FIG. 2 is an enlarged front view.

FIG. 3 is a top view. The opposite bottom view is identical to the top view.

FIG. 4 is a right side view. The left side view is identical to the right side view.

FIG. 5 is a view opposite to FIG. 2.

FIG. 6 is a view of an alternative embodiment of the invention showing the environment thereof.

FIG. 7 is an enlarged front view of the alternative embodiment.

FIG. 8 is a top view. The opposite bottom view of FIG. 8 is identical to FIG. 8.

FIG. 9 is a side view. The opposite side view is identical to FIG. 9; and,

FIG. 10 is a rear view.

The broken line showing of the vehicle is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
