(57) **CLAIM**

The ornamental design for display screen with icon or packaging with surface ornamentation, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with icon or packaging with surface ornamentation showing our new design.

The interior broken line defines the bounds of the claimed design. This broken line and the area therewithin form no part of the claimed design. The outer broken line showing of a display screen or packaging surface is included for the purpose of illustrating unclaimed environment and forms no part of the claimed design.
