(57) **CLAIM**

The ornamental design for display screen with color icon or packaging with color surface ornamentation, as shown and described.

**DESCRIPTION**

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen with color icon or packaging with color surface ornamentation showing our new design.

The broken line showing of a display screen or packaging surface is included for the purpose of illustrating unclaimed environment and forms no part of the claimed design.
