(57) **CLAIM**

What is claimed is the ornamental design for a gas powered internal combustion engine for use in a leaf blower, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of my gas powered internal combustion engine for use in a leaf blower;

FIG. 2 is a right side elevational view of my gas powered internal combustion engine for use in a leaf blower;

FIG. 3 is a left side elevational view of my gas powered internal combustion engine for use in a leaf blower;

FIG. 4 is a top plan view of my gas powered internal combustion engine for use in a leaf blower;

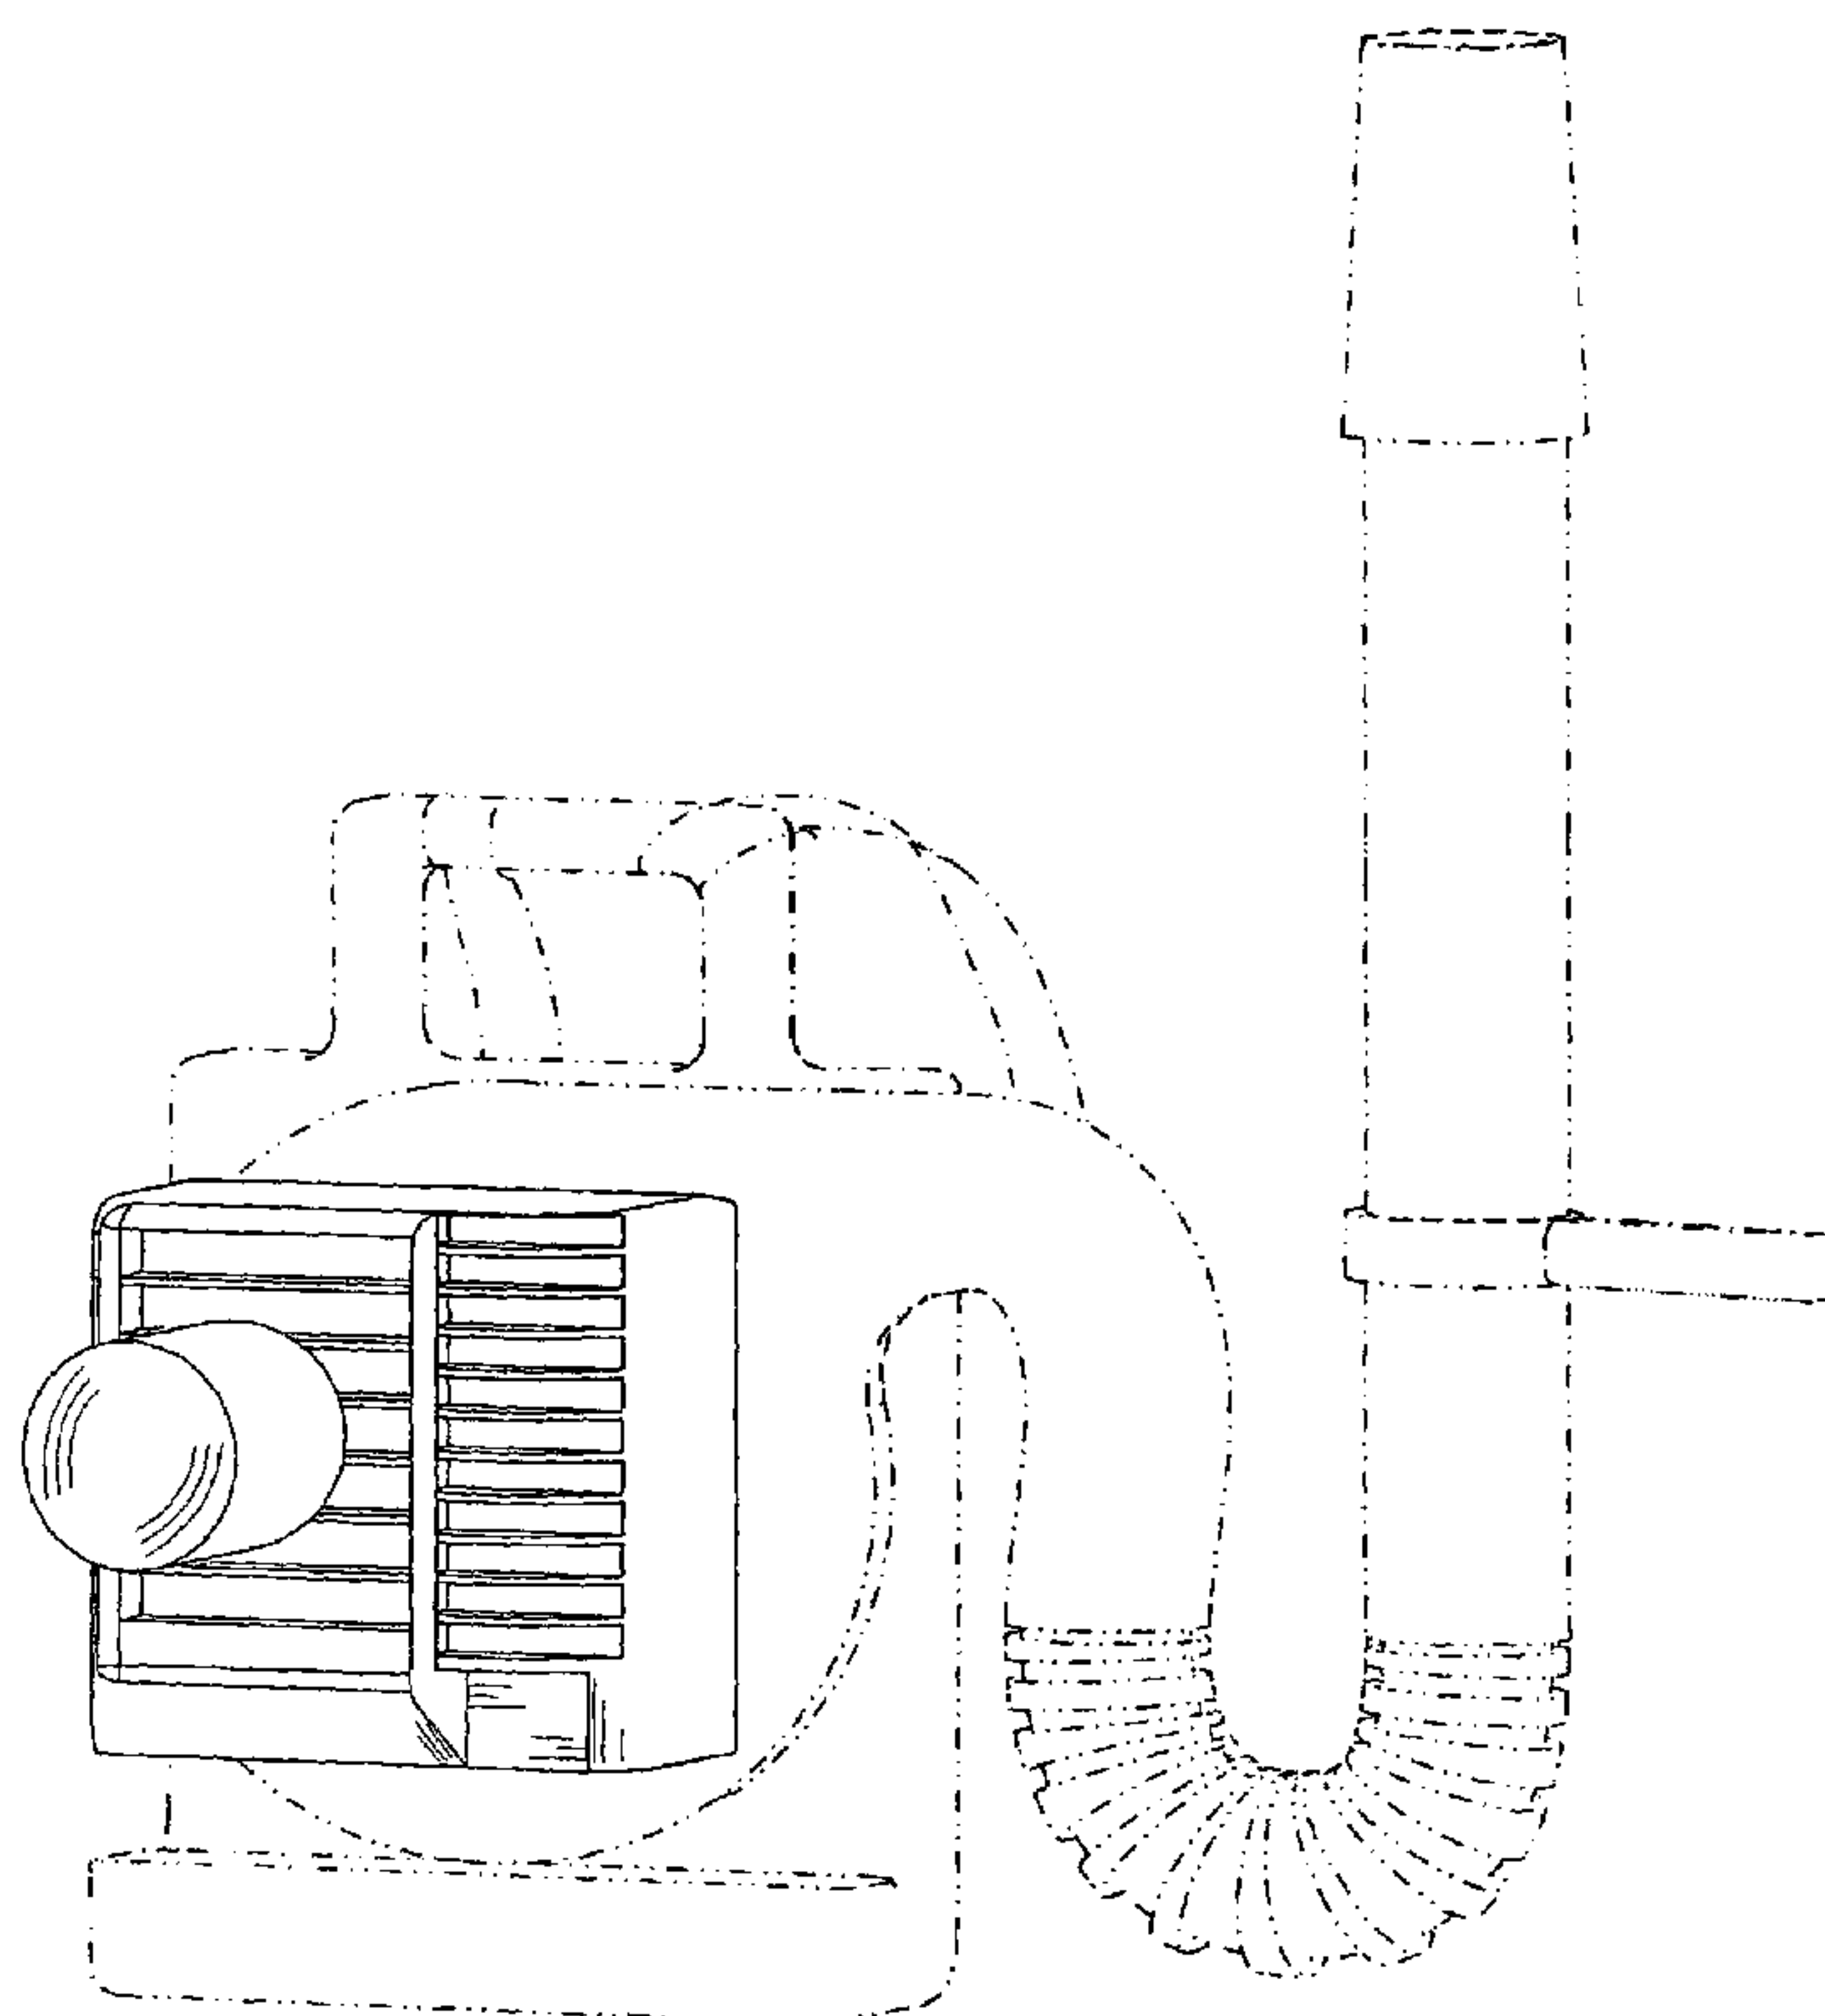

FIG. 5 is a bottom plan view of my gas powered internal combustion engine for use in a leaf blower;

FIG. 6 is a front elevational view of my gas powered internal combustion engine for use in a leaf blower; and,

FIG. 7 is rear elevational view of my gas powered internal combustion engine for use in a leaf blower.

The broken lines in the Figures are included for the purpose of illustrating a portion of the gas powered internal combustion engine for use in a leaf blower that forms no part of the claimed design.
