(57) **CLAIM**

The ornamental design for a plant identification stake, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a plant identification stake showing my new design;

FIG. 2 is a bottom perspective view of the plant identification stake;

FIG. 3 is a side elevational view of the plant identification stake;

FIG. 4 is a bottom plan view of the plant identification stake; and,

FIG. 5 is a perspective top view of the plant identification stake shown in use.

In the drawings, the broken lines illustrate the environmental in which the plant identification stake is used and form no part of the claimed design.
