(57) **CLAIM**

The ornamental design for a thermostat with display, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top, right-hand side perspective view of a thermostat with display comprising a first embodiment of a new, original and ornamental design;

FIG. 2 is a front view of a thermostat with display comprising the first embodiment of the new, original and ornamental design, the rear, right-hand side and left-hand side views being mirror images thereof;

FIG. 3 is a top view of a thermostat with display comprising the first embodiment of the new, original and ornamental design;

FIG. 4 is a bottom view of a thermostat with display comprising the first embodiment of the new, original and ornamental design;

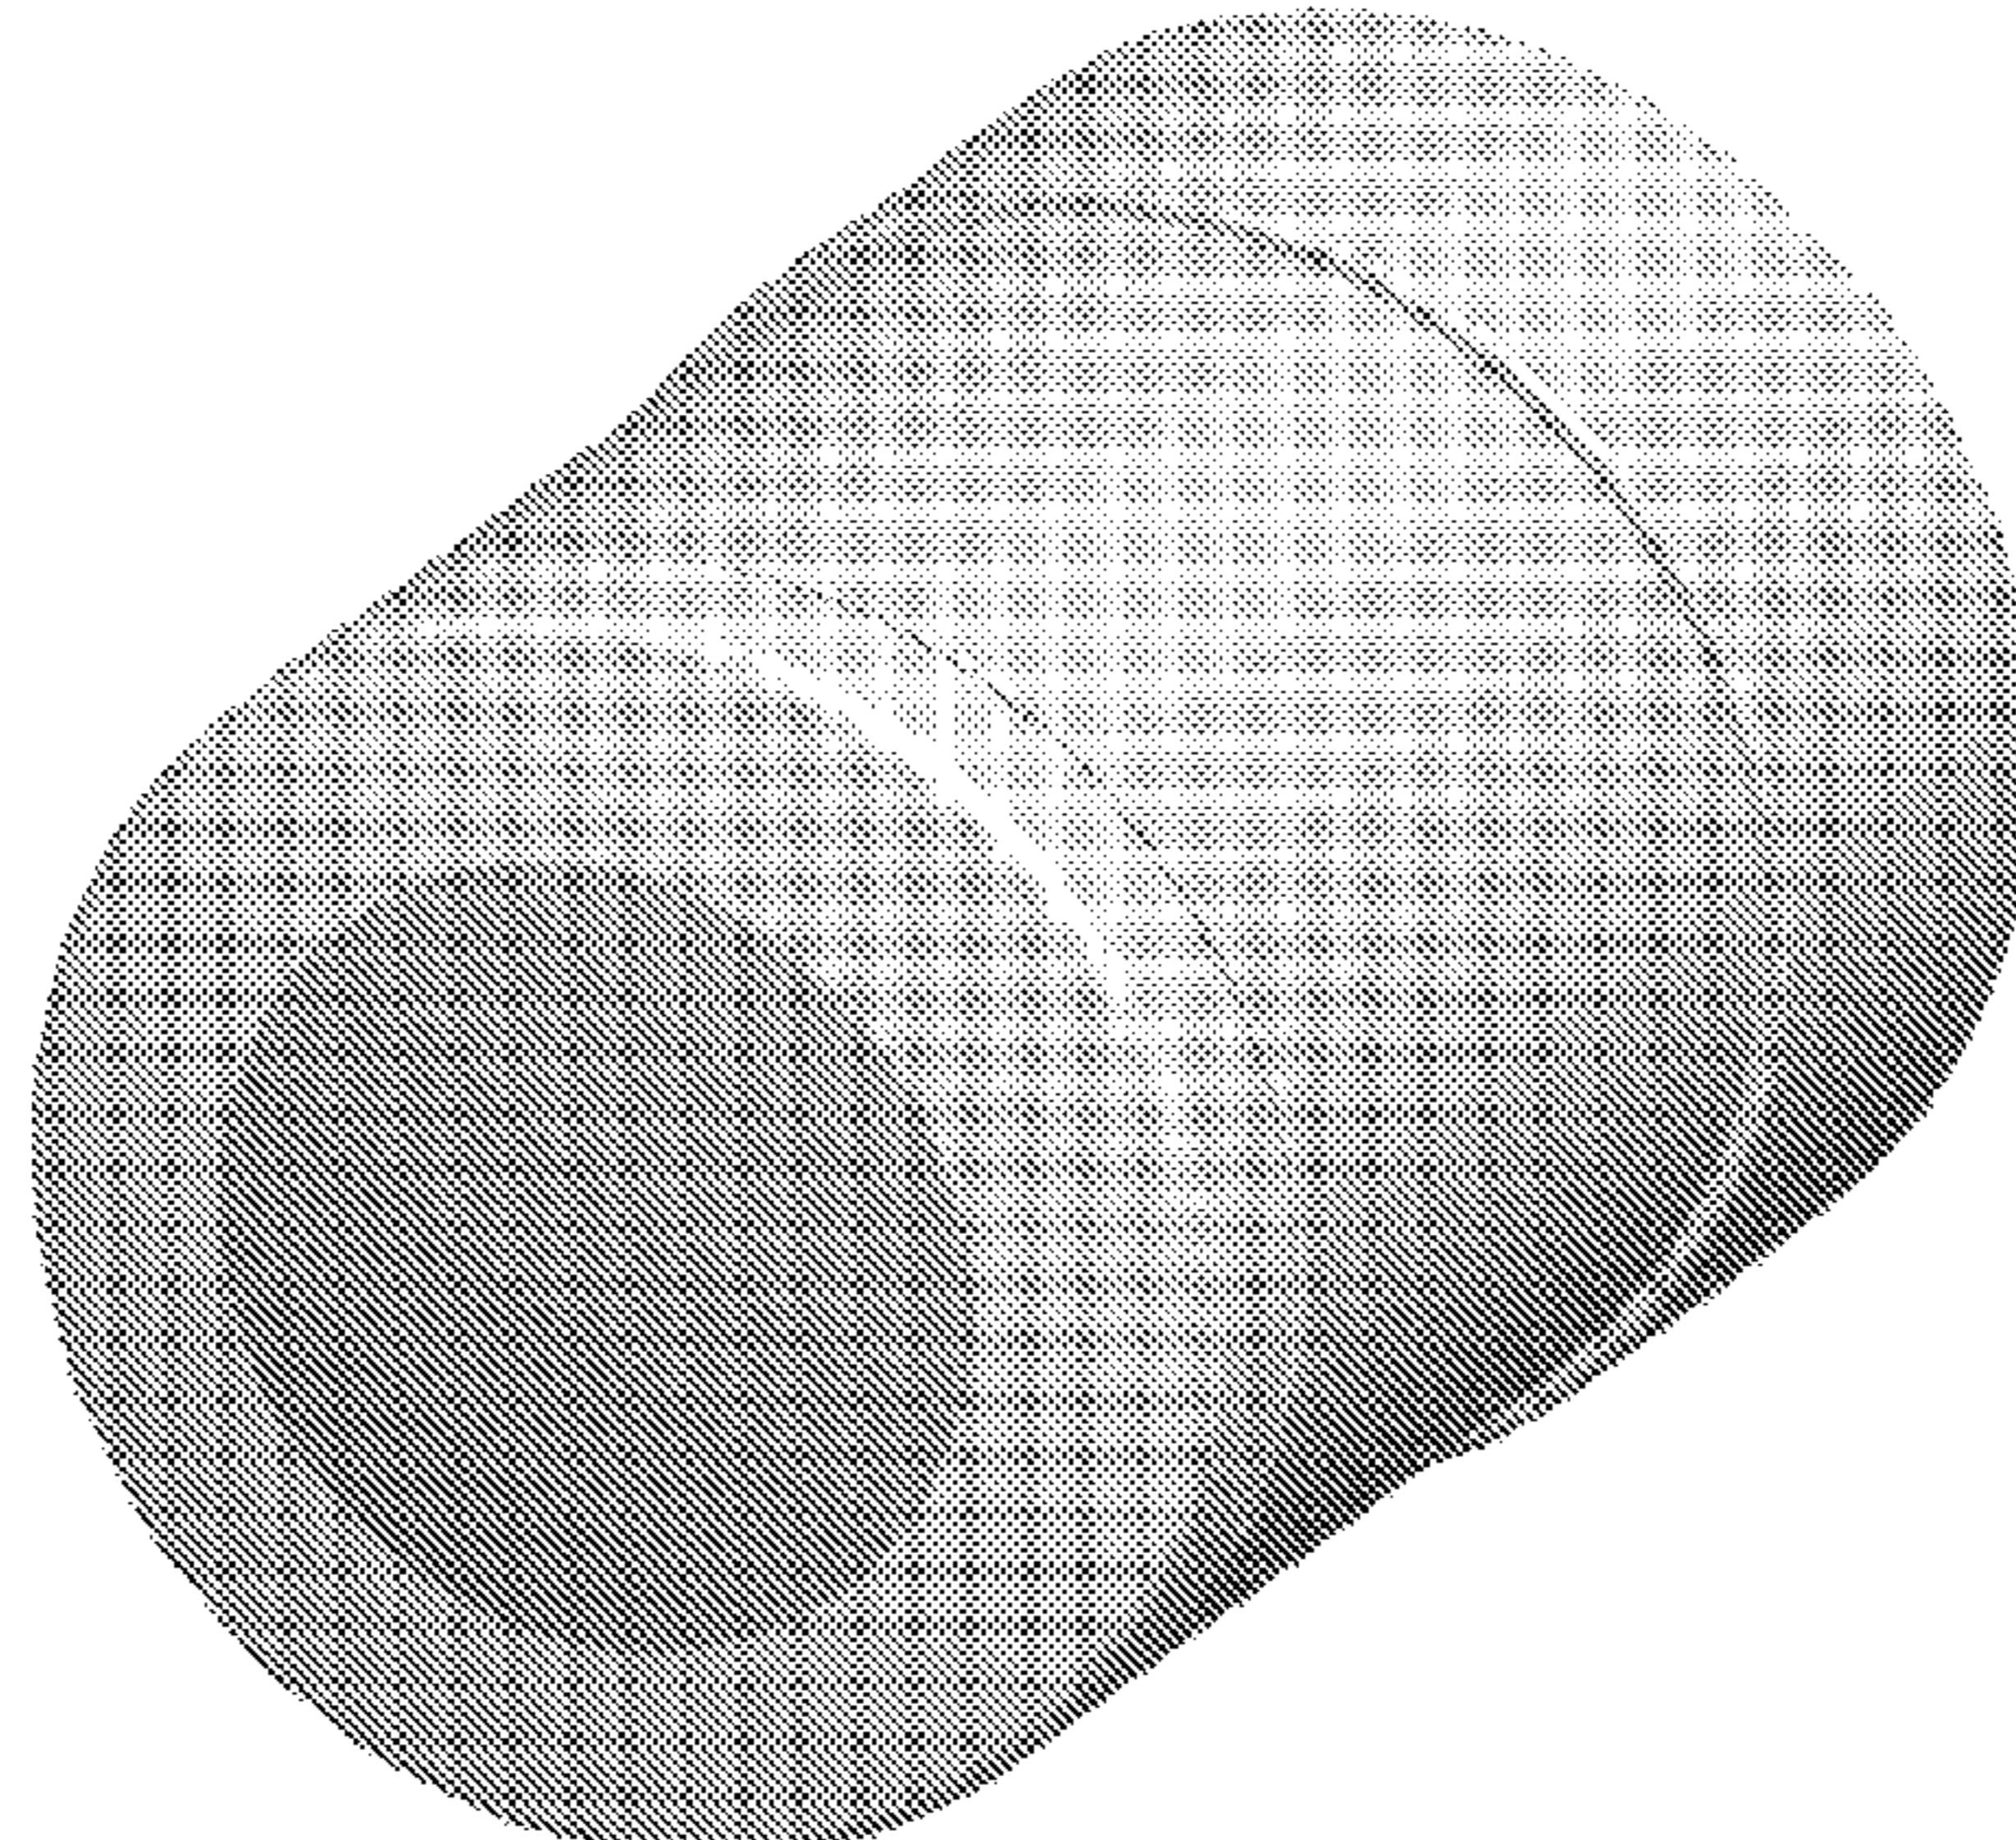

FIG. 5 is a top, right-hand side perspective view of a thermostat with display comprising a second embodiment of a new, original and ornamental design;

FIG. 6 is a front view of a thermostat with display comprising the second embodiment of the new, original and ornamental design;

FIG. 7 is a top view of a thermostat with display comprising the second embodiment of the new, original and ornamental design; and,

FIG. 8 is a bottom view of a thermostat with display comprising the second embodiment of the new, original and ornamental design.

The broken lines shown in the drawings illustrate unclaimed portions of the article and form no part of the claimed design.
