(57) **CLAIM**

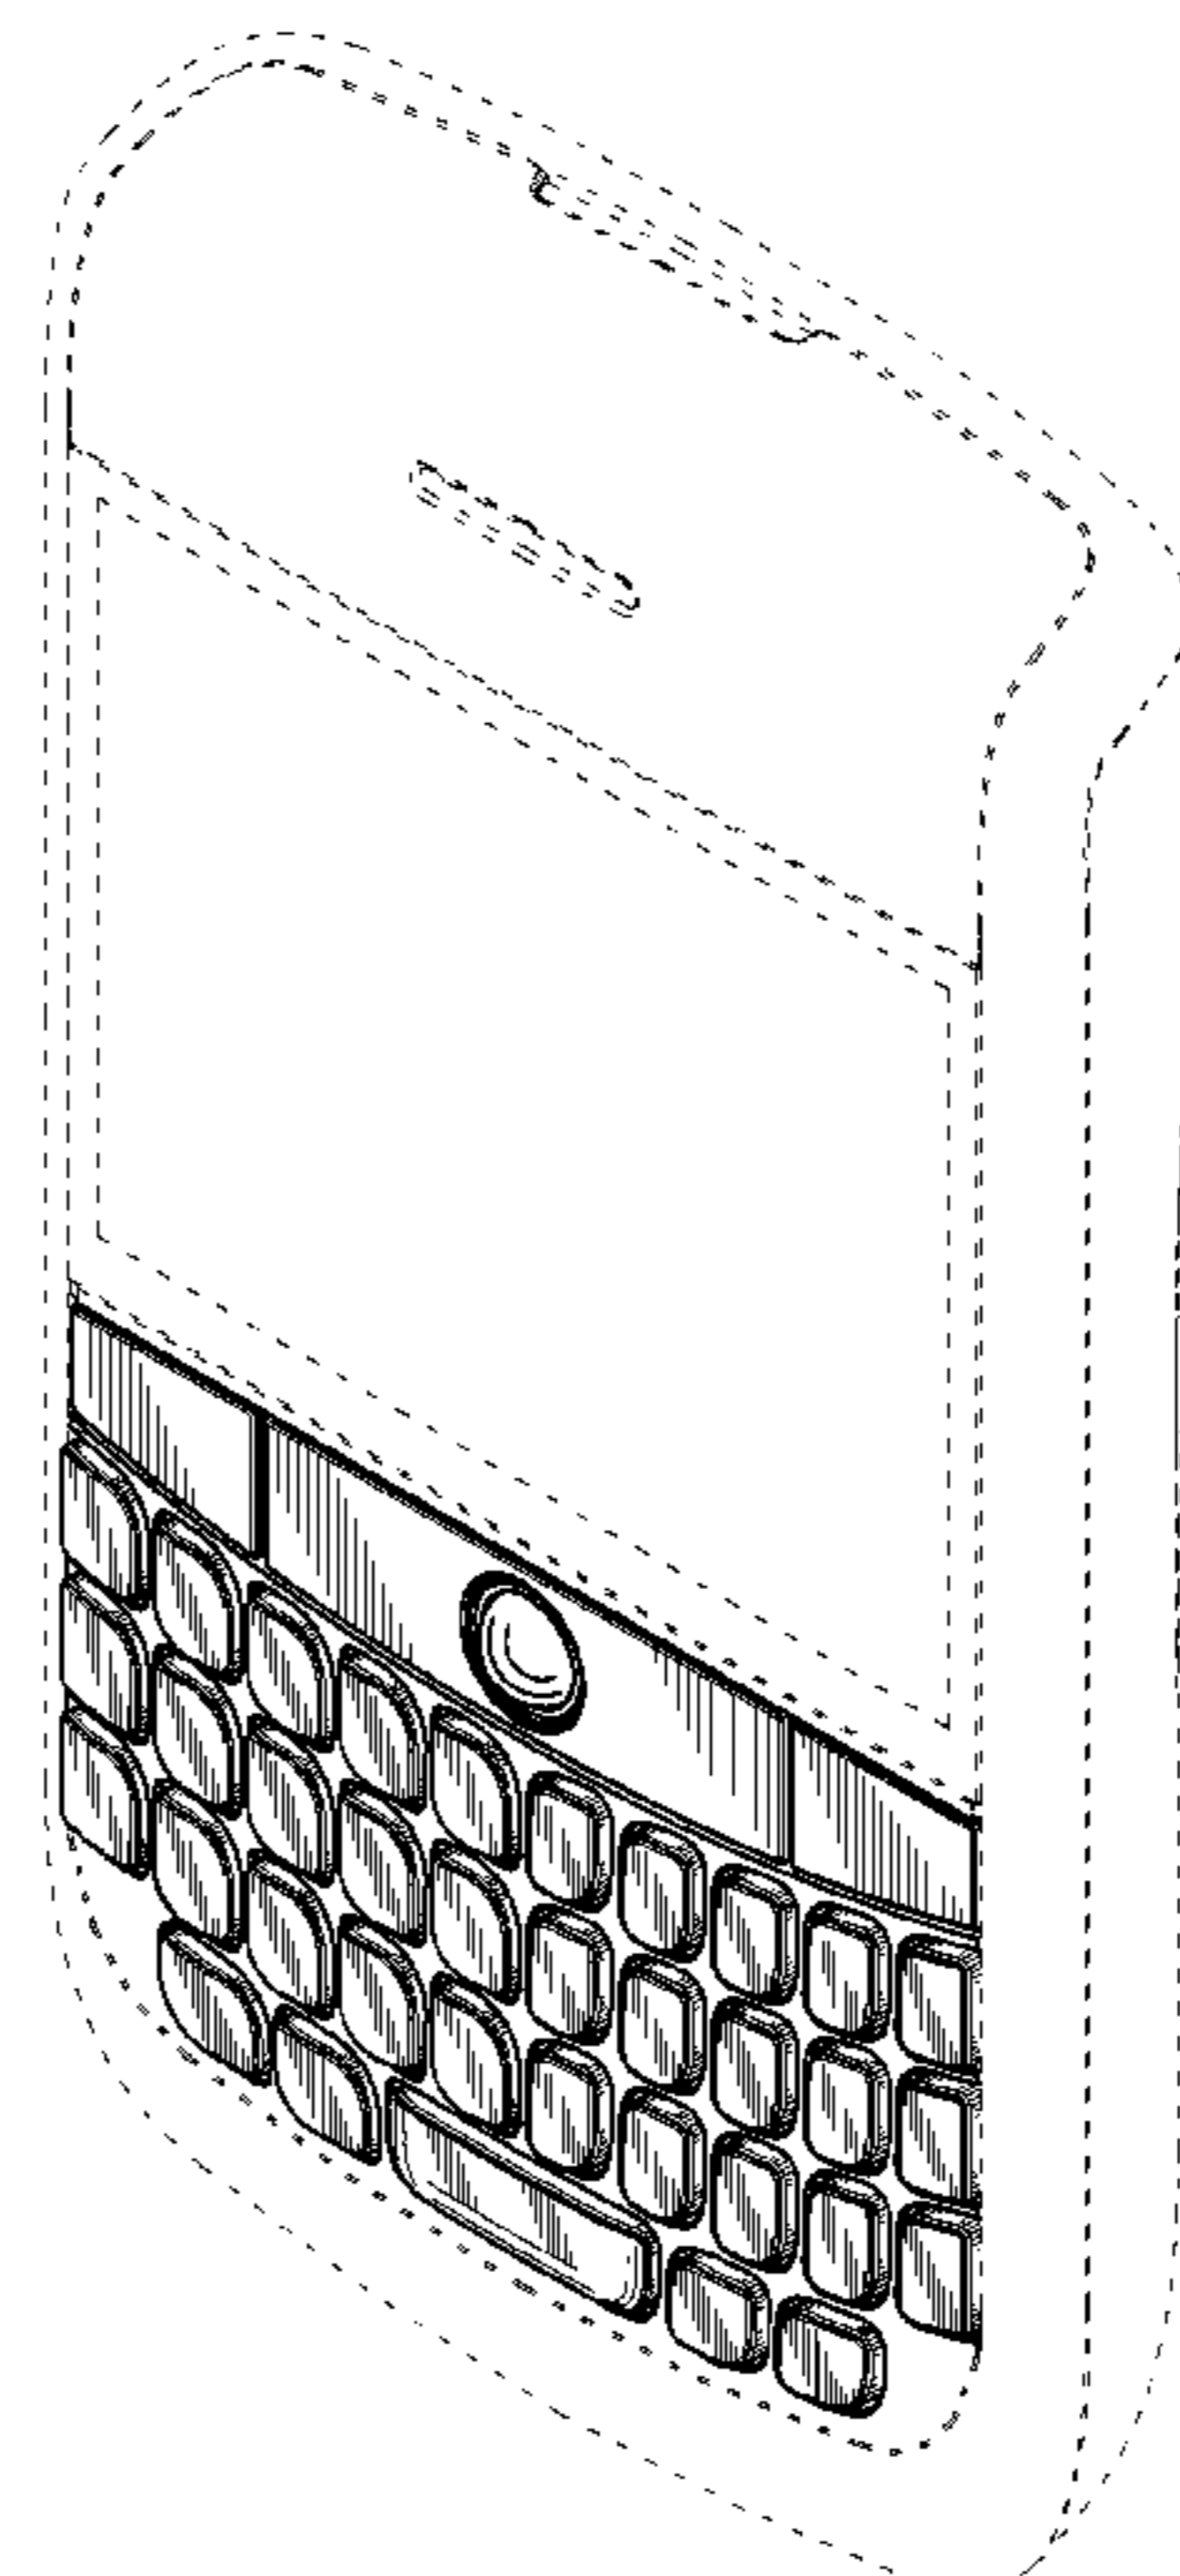

We claim the ornamental design for a keyboard and navigational input module for a hand-held electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the keyboard and navigational input module for a hand-held electronic device; and, FIG. 2 is a front elevation view of the keyboard and navigational input module for a hand-held electronic device.

The portions of the hand-held electronic device shown in broken lines form no part of the claimed design.
