See application file for complete search history.

DESCRIPTION

FIG. 1 is an elevational view of a portion of a vehicle interior lining showing my new design with seats folded down as viewed from the rear of the vehicle;

FIG. 2 is a perspective view of one side thereof;

FIG. 3 is a perspective view of the other side thereof; and,

FIG. 4 is an elevational view thereof with the seats up as viewed from the rear of the vehicle.

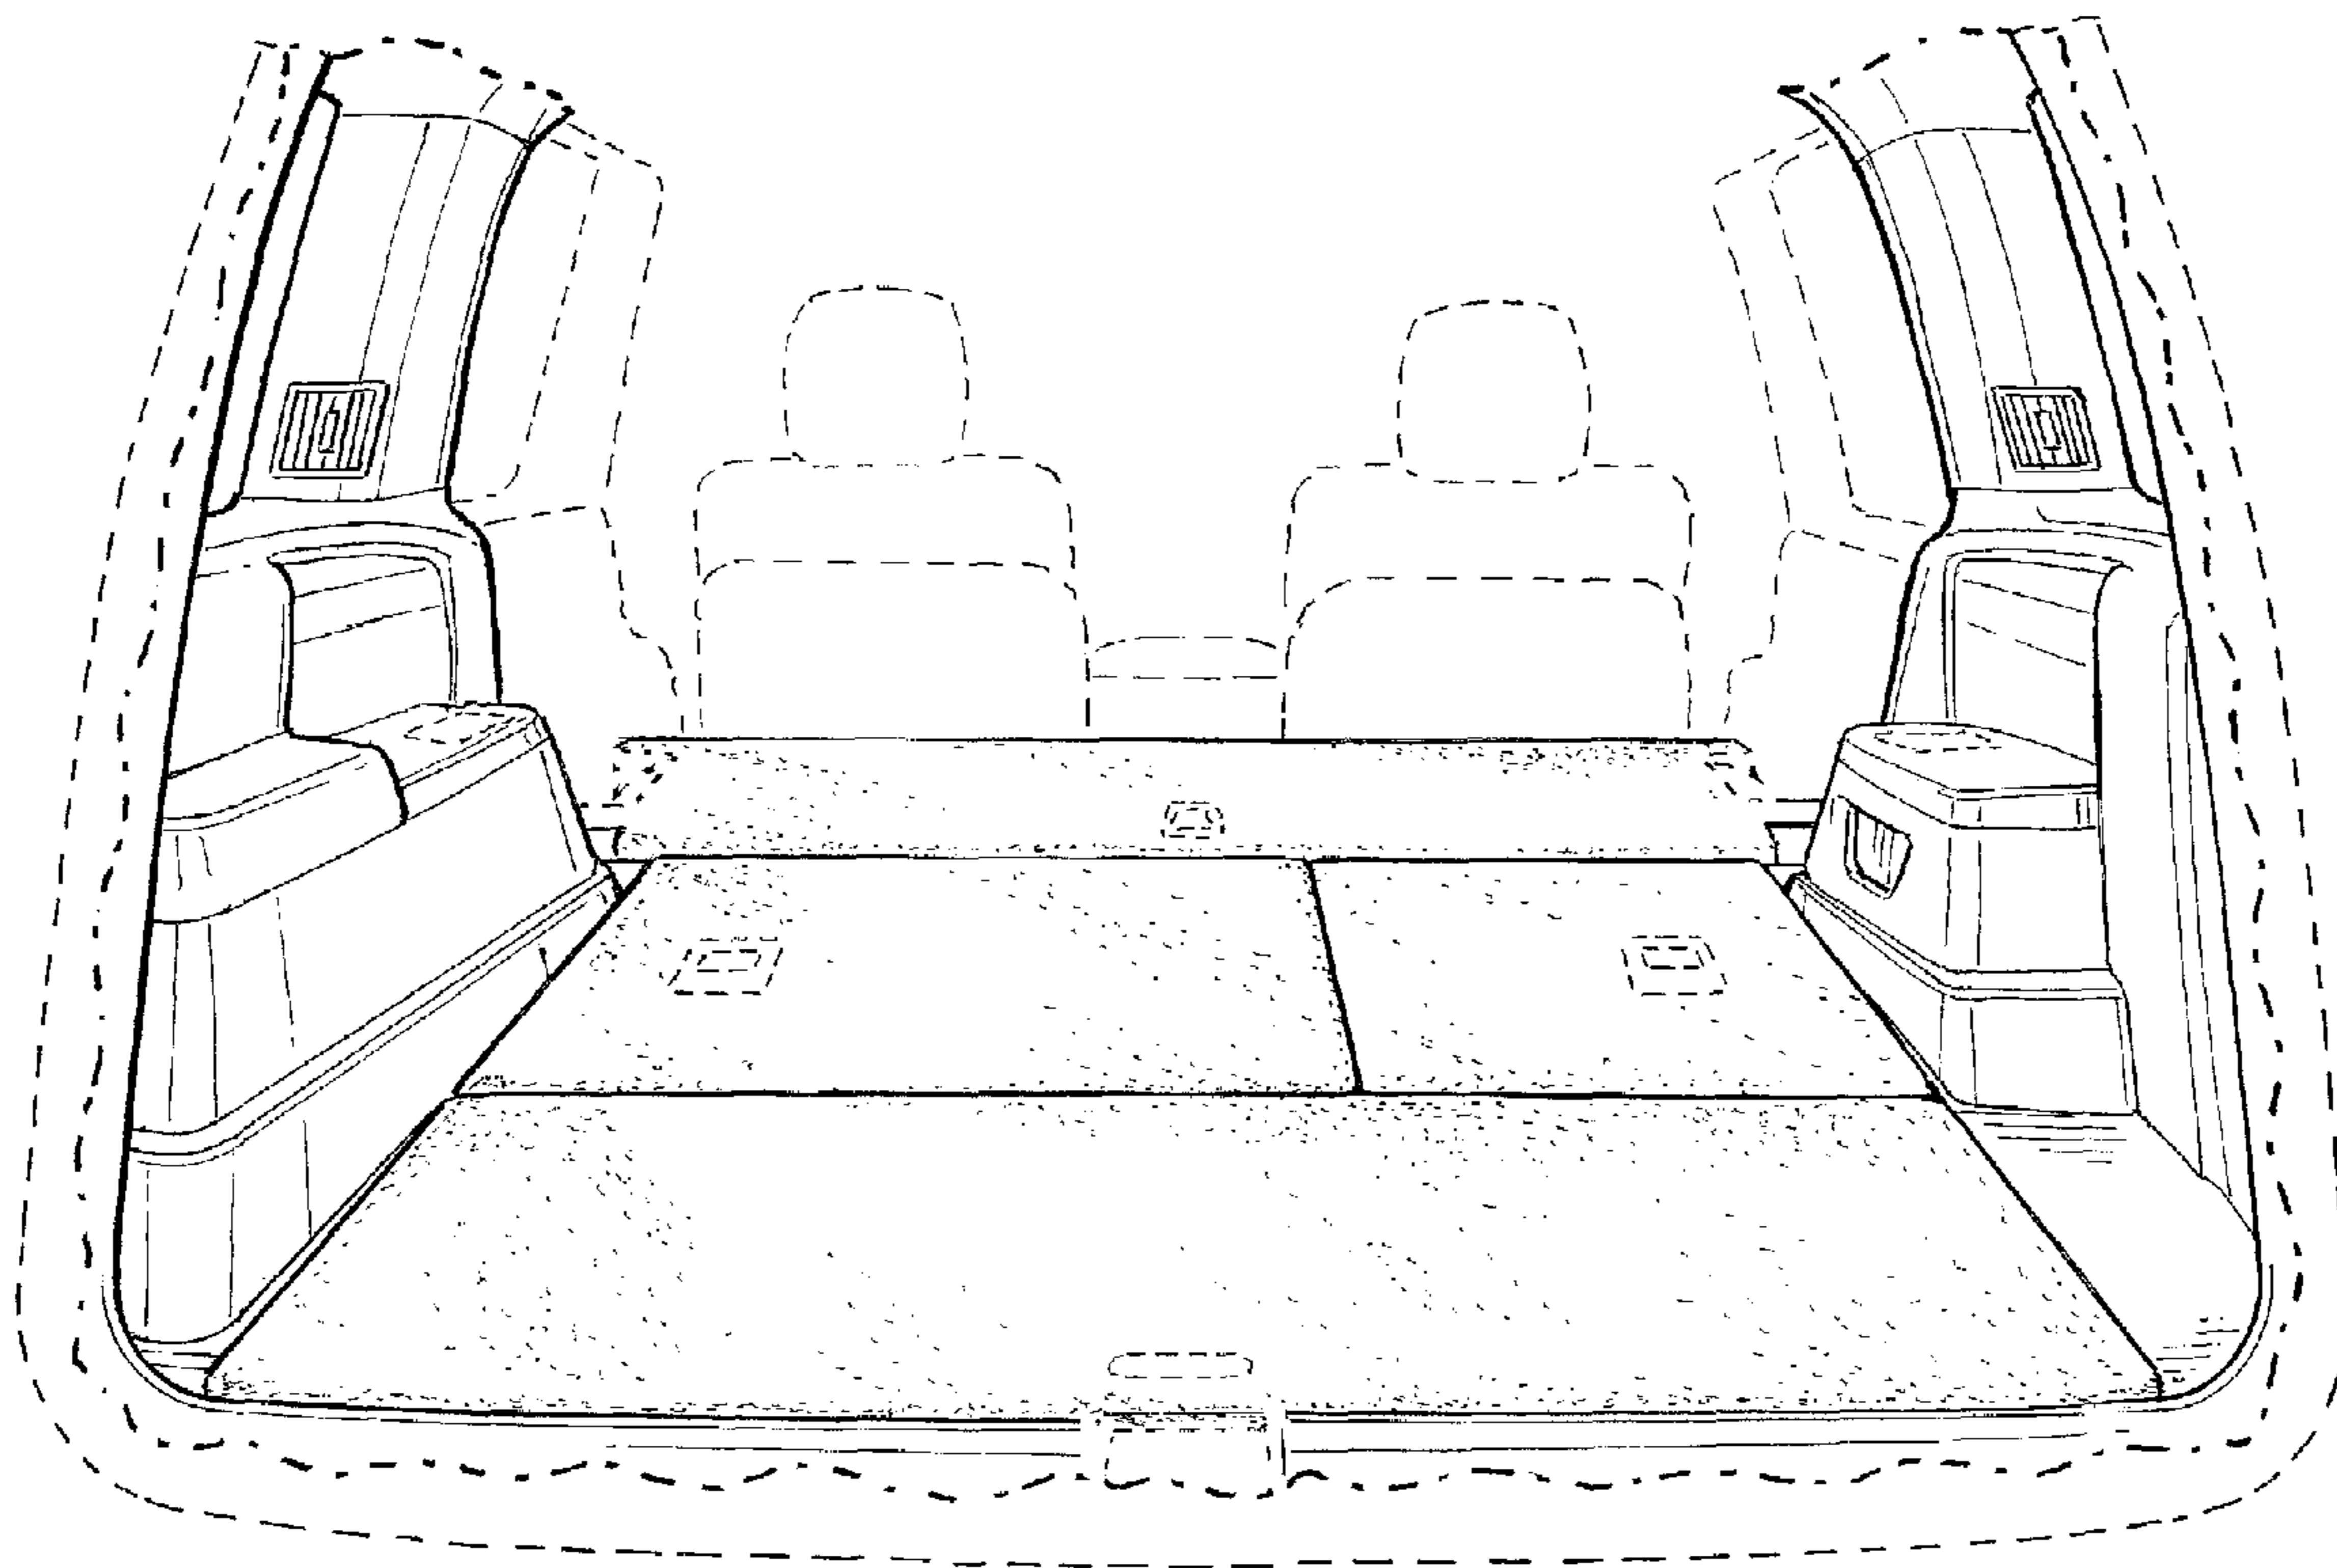

The stippling that can be seen on the flat center portions of the claimed design represents a texture of surface material. The broken line showing in FIGS. 1-4 are for environmental purposes only and forms no part of the claimed design. The heavier uneven broken line along the outside of the entire claim indicates the bounds of the claimed design.
