(57) **CLAIM**

The ornamental design for a cellular telephone with removable ear piece, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a cellular telephone with removable ear piece showing the removable ear piece removed.

FIG. 2 is a front elevational view thereof with the removable ear piece in place.

FIG. 3 is a rear elevational view thereof.

FIG. 4 is a left side elevational view thereof.

FIG. 5 is a right side elevational view thereof.

FIG. 6 is a top plan view of the cellular telephone with removable ear piece; and,

FIG. 7 is a bottom plan view thereof.

The dot-dash line shown in FIG. 1 illustrates the path along which the earpiece has been removed from the cellular telephone. The unshaded portion revealed when the earpiece is removed is not part of the claimed invention. The outermost broken lines adjacent to the claimed areas represent the bounds of the claimed design while all other broken lines are directed to environment and are for illustrative purposes only; the broken lines form no part of the claimed design.
