(57) **CLAIM**

I claim the ornamental design for a pad for grinding or polishing ophthalmic lenses, as shown and described.

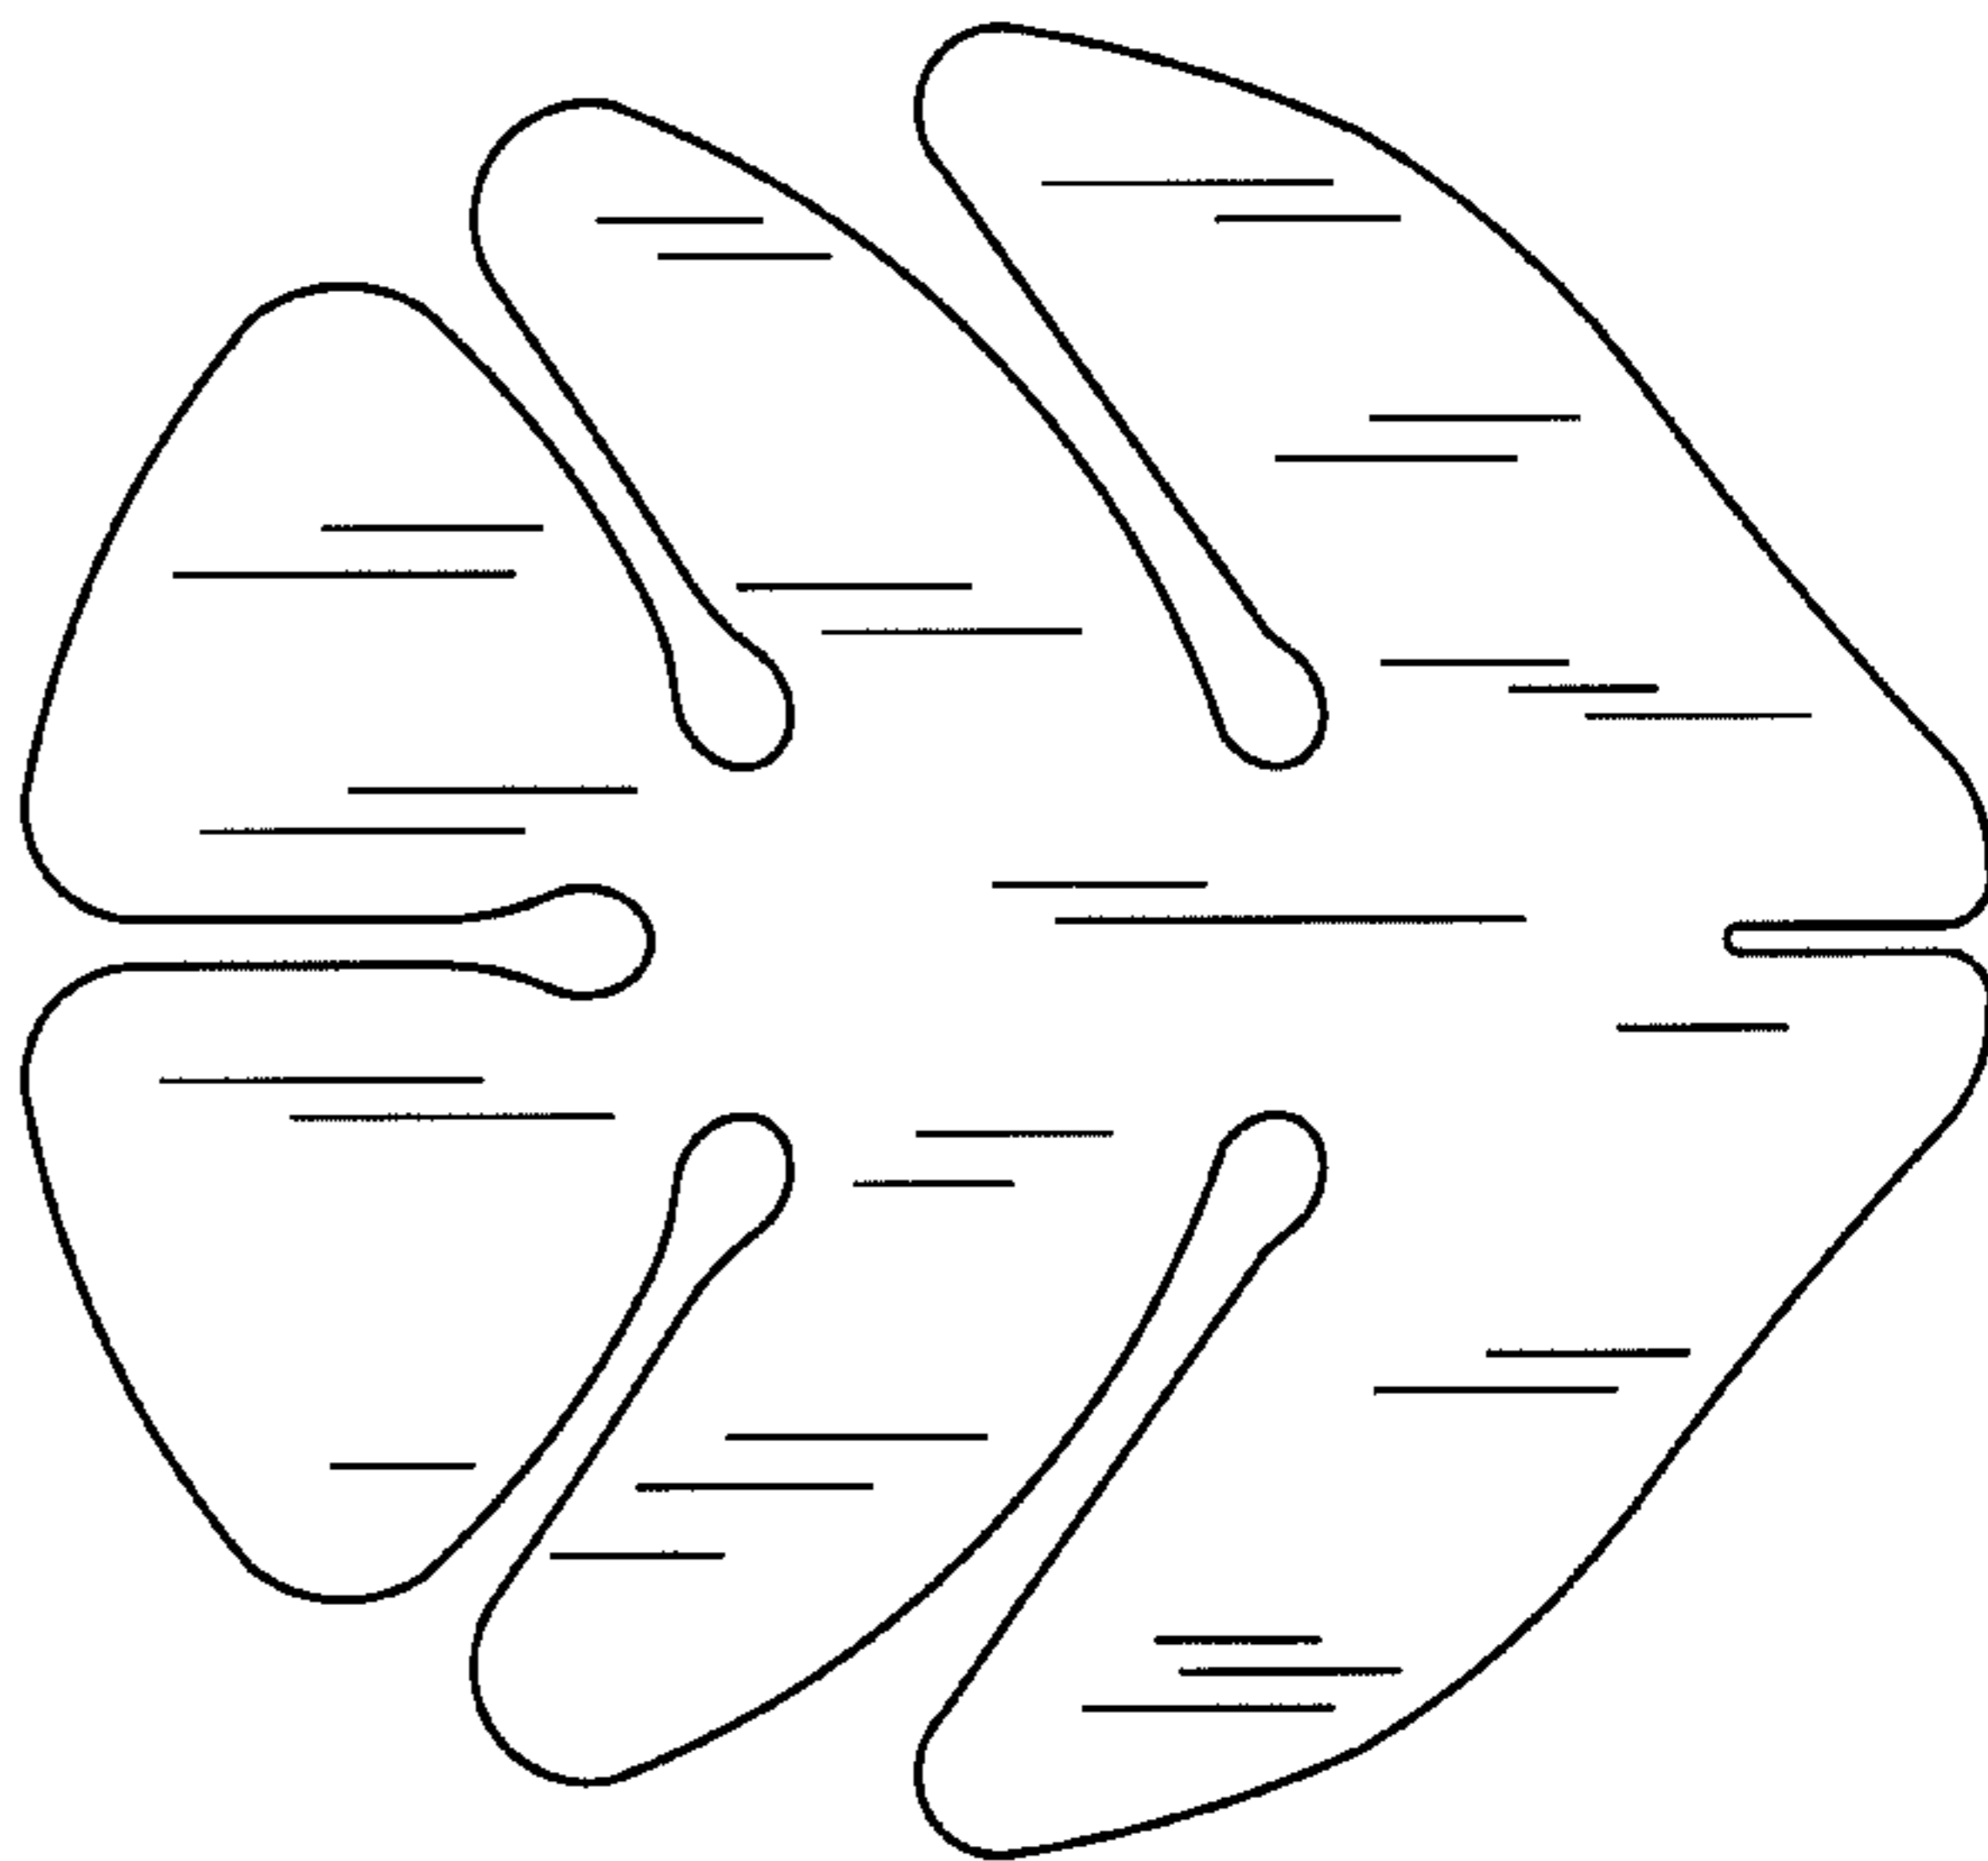

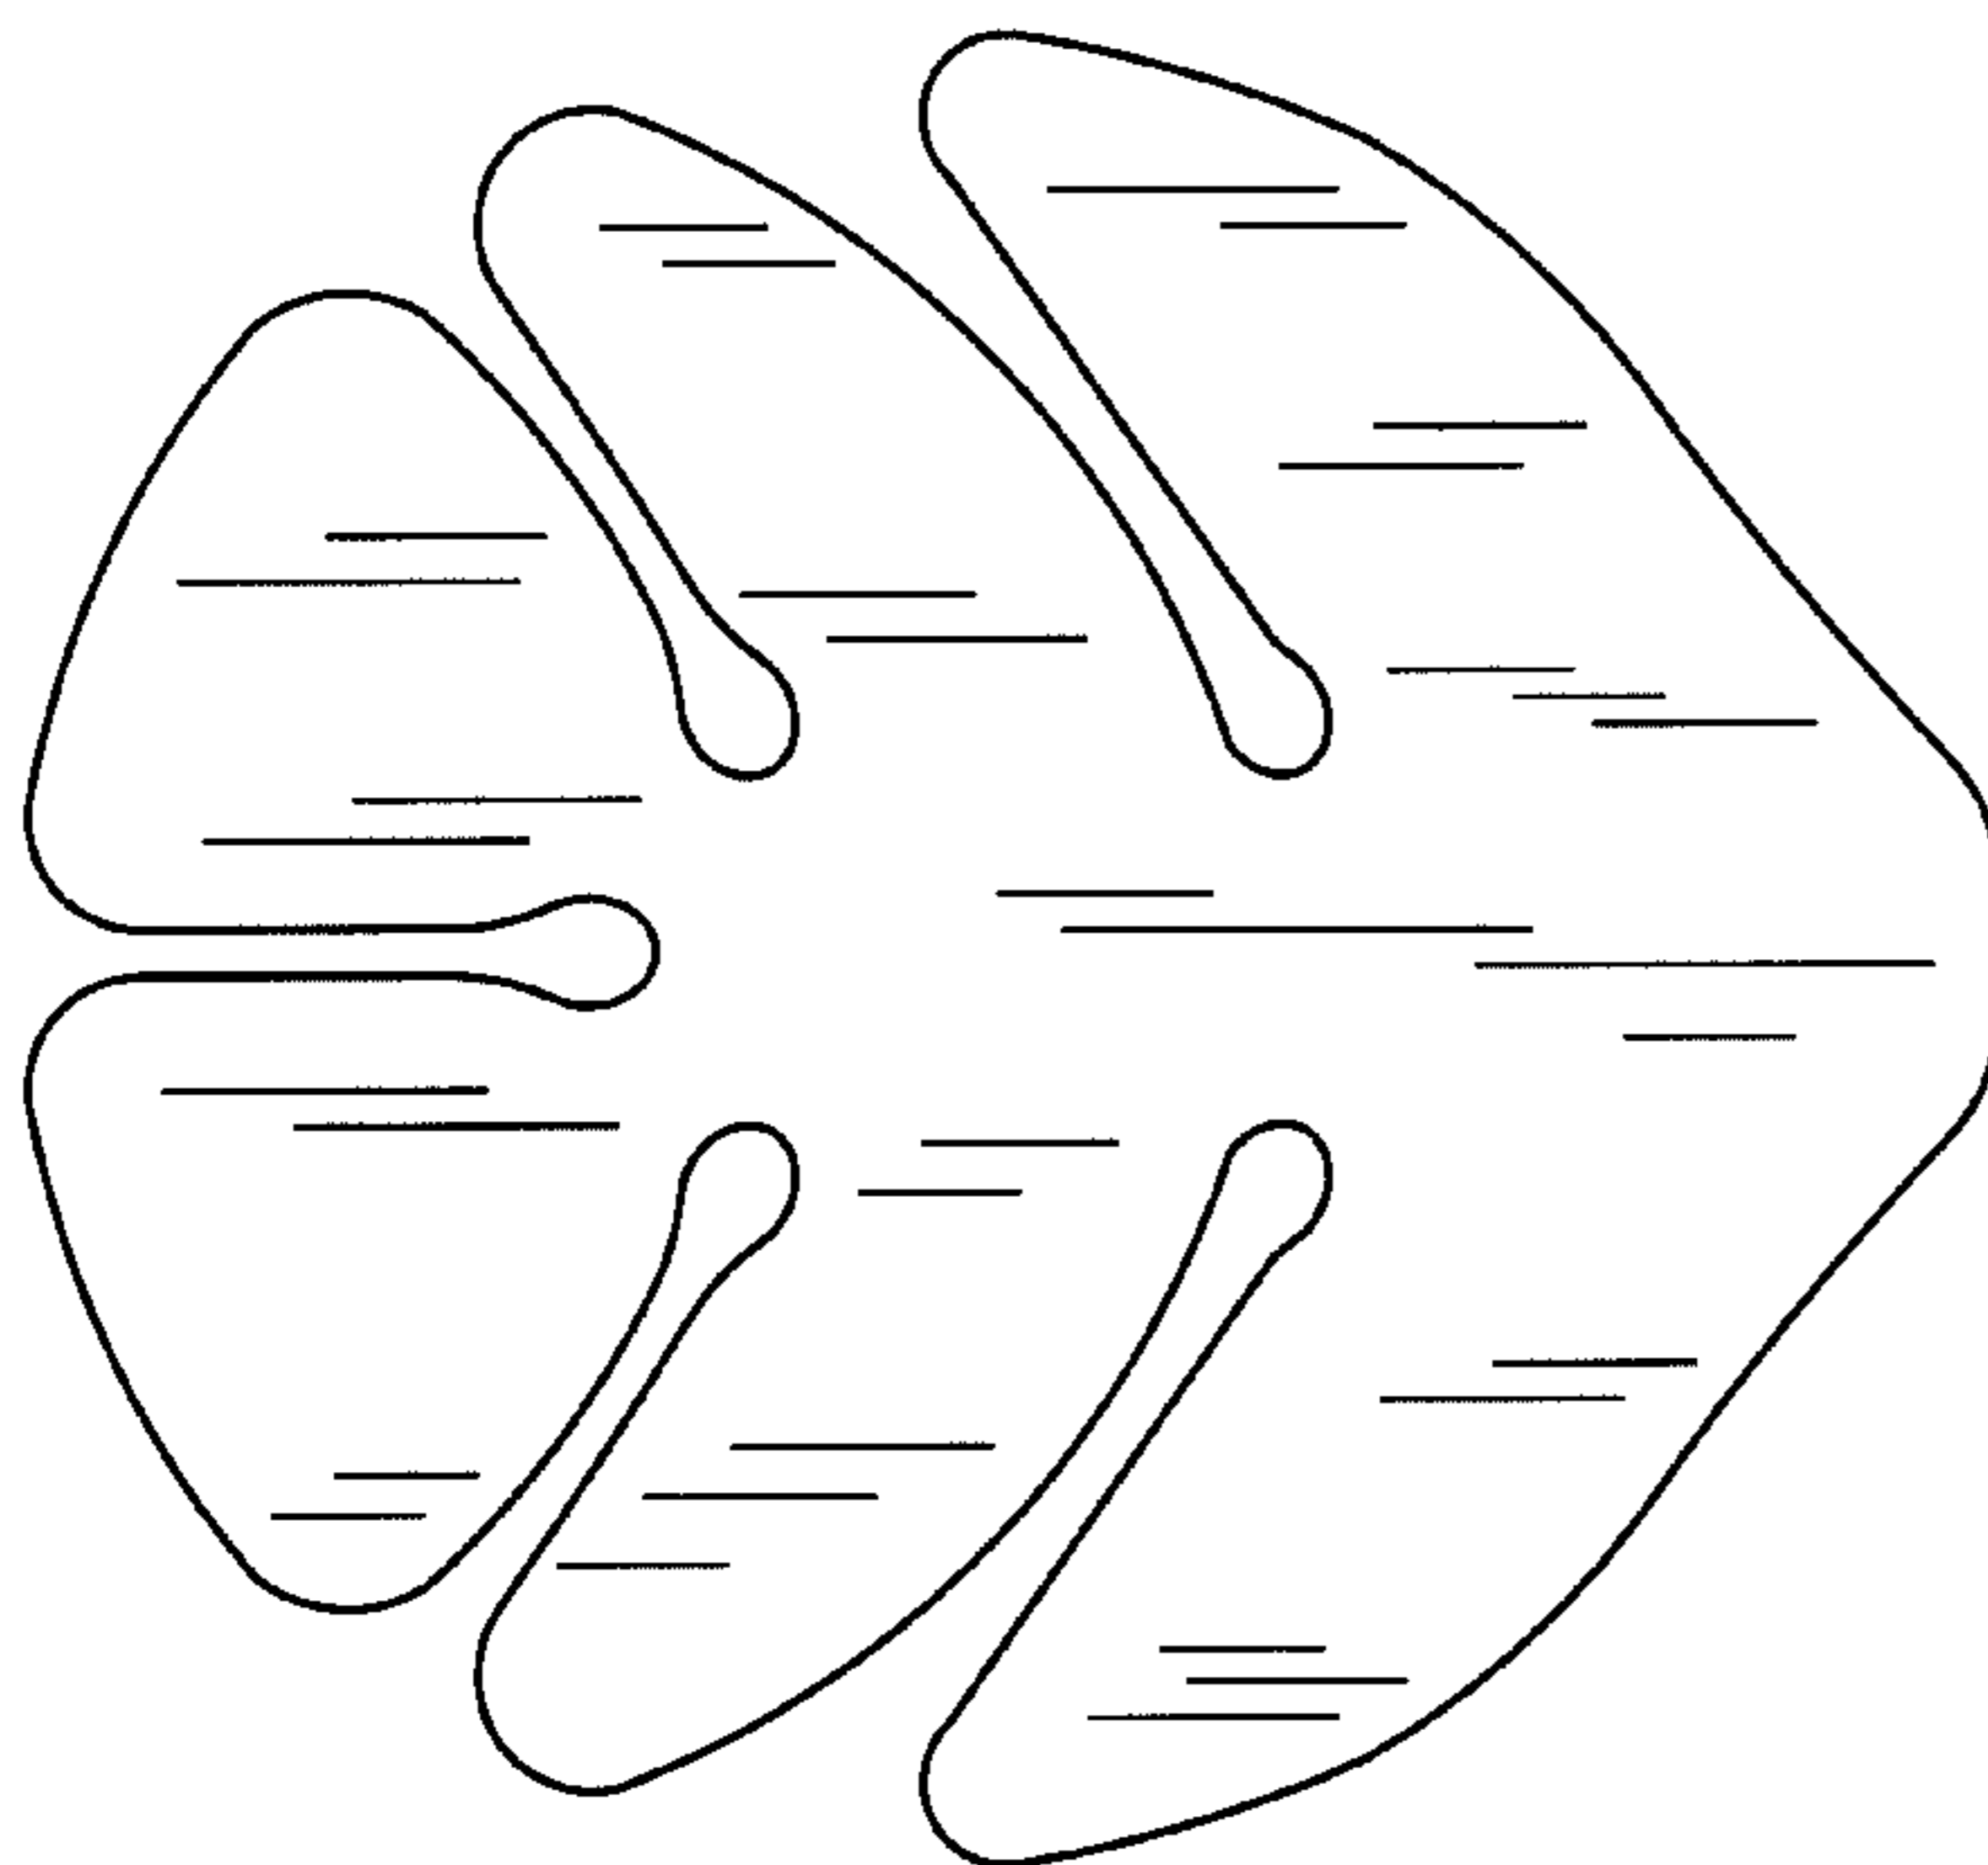

DESCRIPTION

FIG. 1 is an elevation view of a pad for grinding or polishing ophthalmic lenses of the present invention; and,

FIG. 2 is an elevation view of another pad for grinding or polishing ophthalmic lenses of the present invention.

The pad is of substantially uniform thickness. The thickness of the pad is not shown in the drawing and forms no part of the claimed design.
