DESCRIPTION

FIG. 1 is a front view of the first image of a transitional image for a portion of a display screen showing my new design; and, FIG. 2 is a front view of the second image thereof.

See application file for complete search history.

The appearance of the image transitions sequentially between the images shown in FIGS. 1–2. The process or period in which the first image transitions to the other forms no part of the claimed design. The broken line showing of various regions and the unshaded areas there within form no part of the claimed design. The broken line showing of the display screen is for illustrative purposes only and forms no part of the claimed design.
