(57) **CLAIM**

The ornamental design for a glove and boot dryer, as shown
and described.

DESCRIPTION

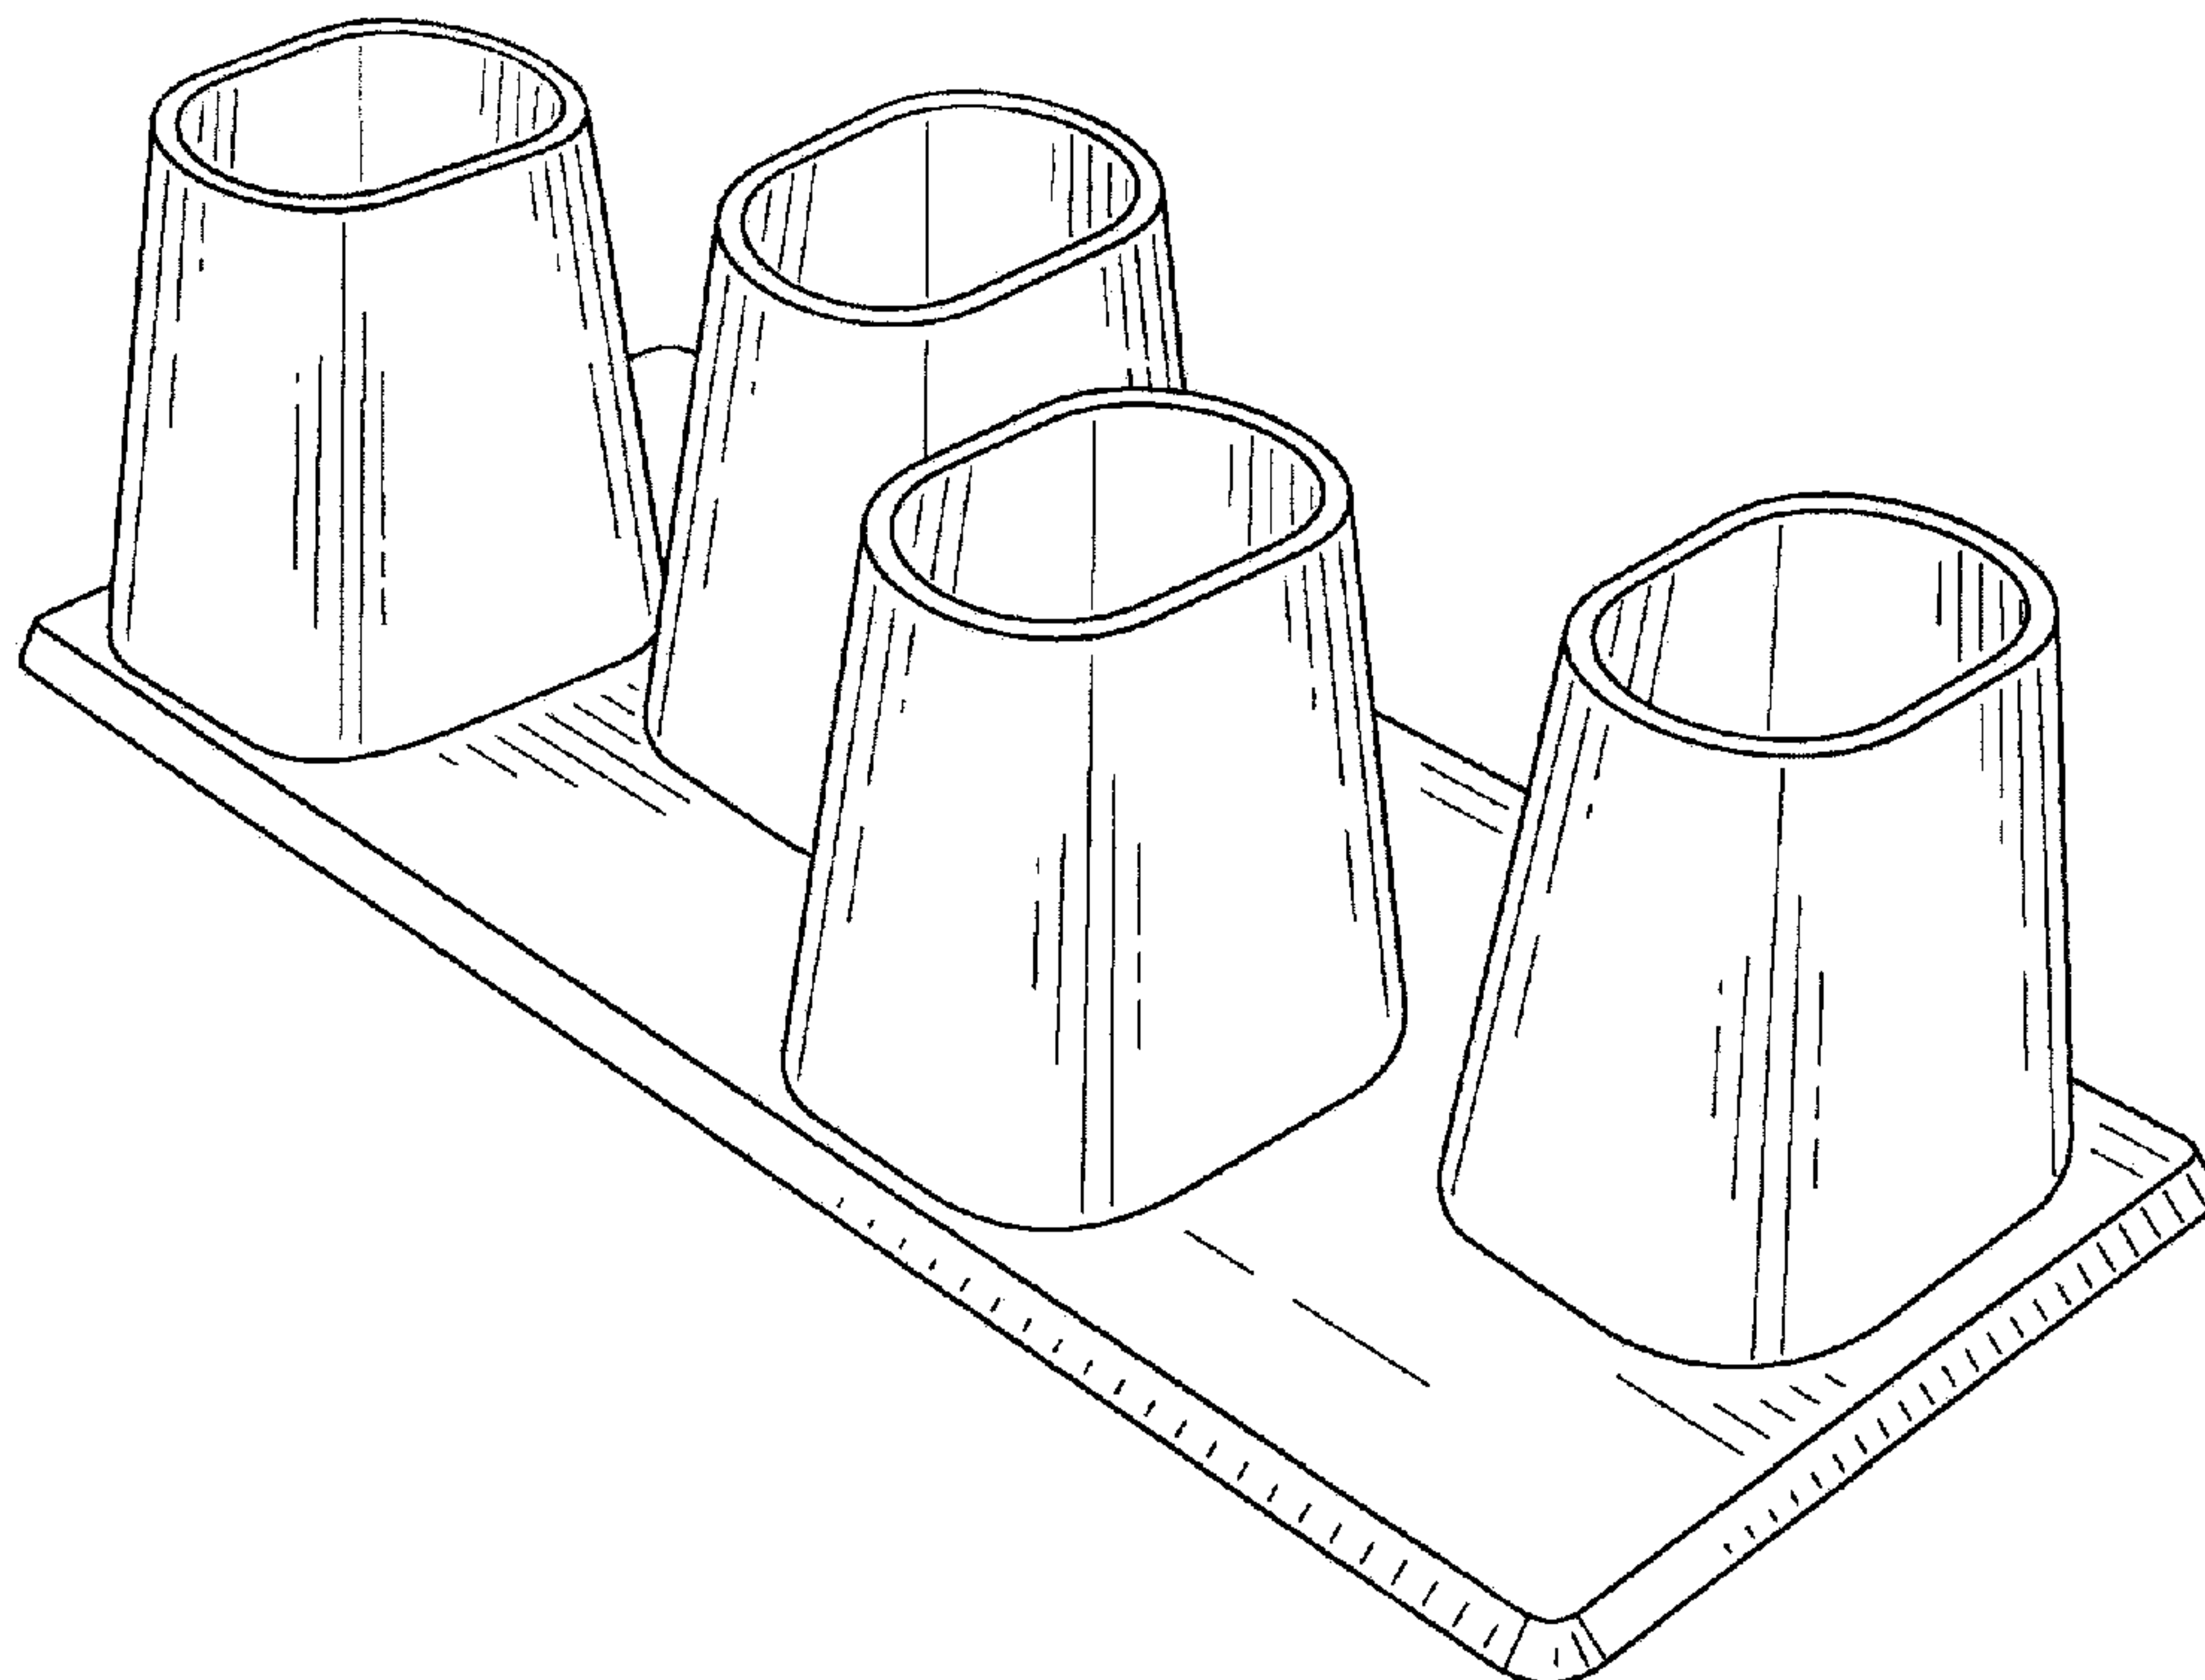

FIG. 1 is a perspective view of a glove and boot dryer in
accordance with the present invention;

FIG. 2 is a top plan view of the present invention, the bottom
view of the glove and boot dryer is not illustrated as it forms
no part of the present invention;

FIG. 3 is a left side elevational view of the present invention,
the right side elevational view being an identical image
thereof; and,

FIG. 4 is a front elevational view of the present invention, the
rear elevational view being an identical image thereof.

1 Claim, 4 Drawing Sheets
