(57) **CLAIM**

The ornamental design for a mountable power strip, as shown and described.

DESCRIPTION

FIG. 1 is a side view of the mountable power strip in accordance with an embodiment of the present invention; and, FIG. 2 is a perspective view of the mountable power strip of FIG. 1.

Broken lines shown in the drawings are for the purpose of illustrating environmental structure and form no part of the claimed design. Furthermore, any portions of the mountable power strip not shown form no part of the claimed design. The alternately dashed-dotted lines shown in the drawing are boundary lines and form no part of the claimed design.

1 Claim, 2 Drawing Sheets

FIG. 1
