(57) **CLAIM**

The ornamental design for a play mat with self-aligning roads, as shown and described.

DESCRIPTION

It should be understood that the roads may be replaced with other continuous features as described in co-pending U.S. Non Provisional Application Ser. No. 61/150,741, filed Feb. 7, 2009, which is hereby incorporated by reference as is fully set forth herein.

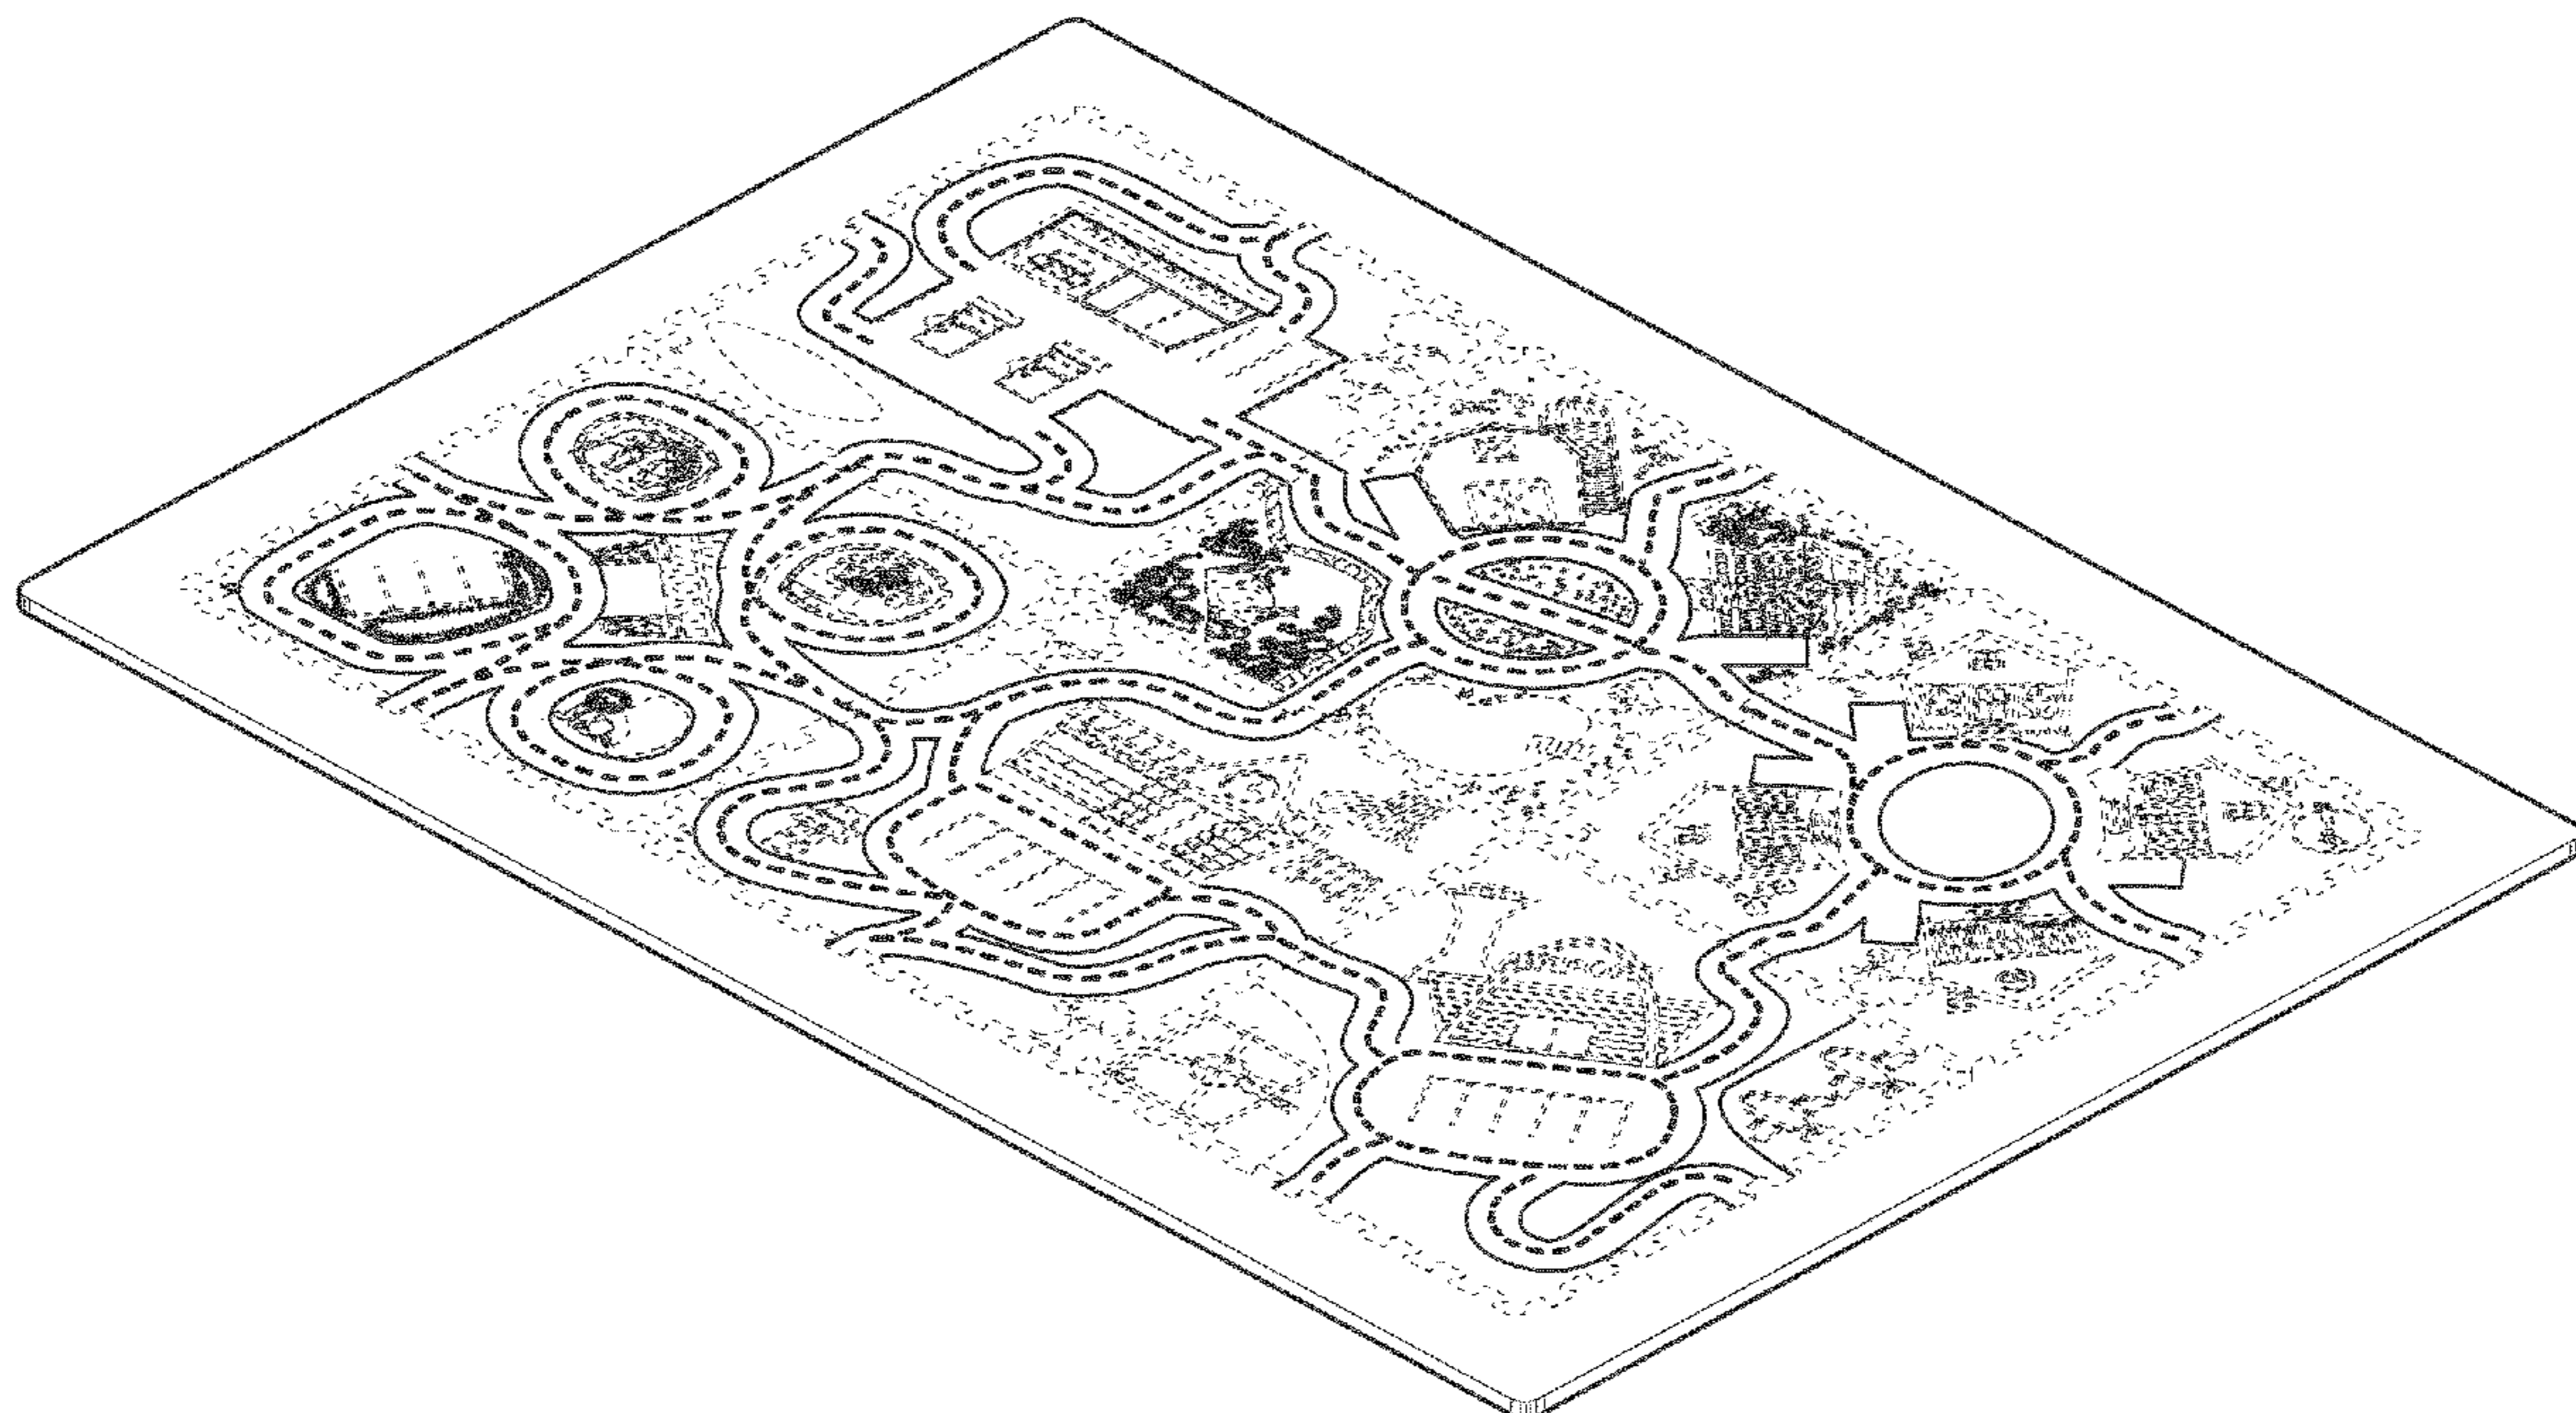

FIG. 1 illustrates a perspective, side view of a play mat with self-aligning roads;

FIG. 2 illustrates a top view of a play mat with self-aligning roads; and,

FIG. 3 illustrates an exploded, perspective, side view of a play mat with self-aligning roads.

The broken lines in the drawings represent unclaimed environmental subject matter.
