(57) **CLAIM**

The ornamental design for a disposable microporation porator, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a disposable microporation porator;

FIG. 2 is a left side elevational view of the disposable microporation porator of FIG. 1;

FIG. 3 is a right side elevational view of the disposable microporation porator of FIG. 1;

FIG. 4 is a top plan view of the disposable microporation porator of FIG. 1;

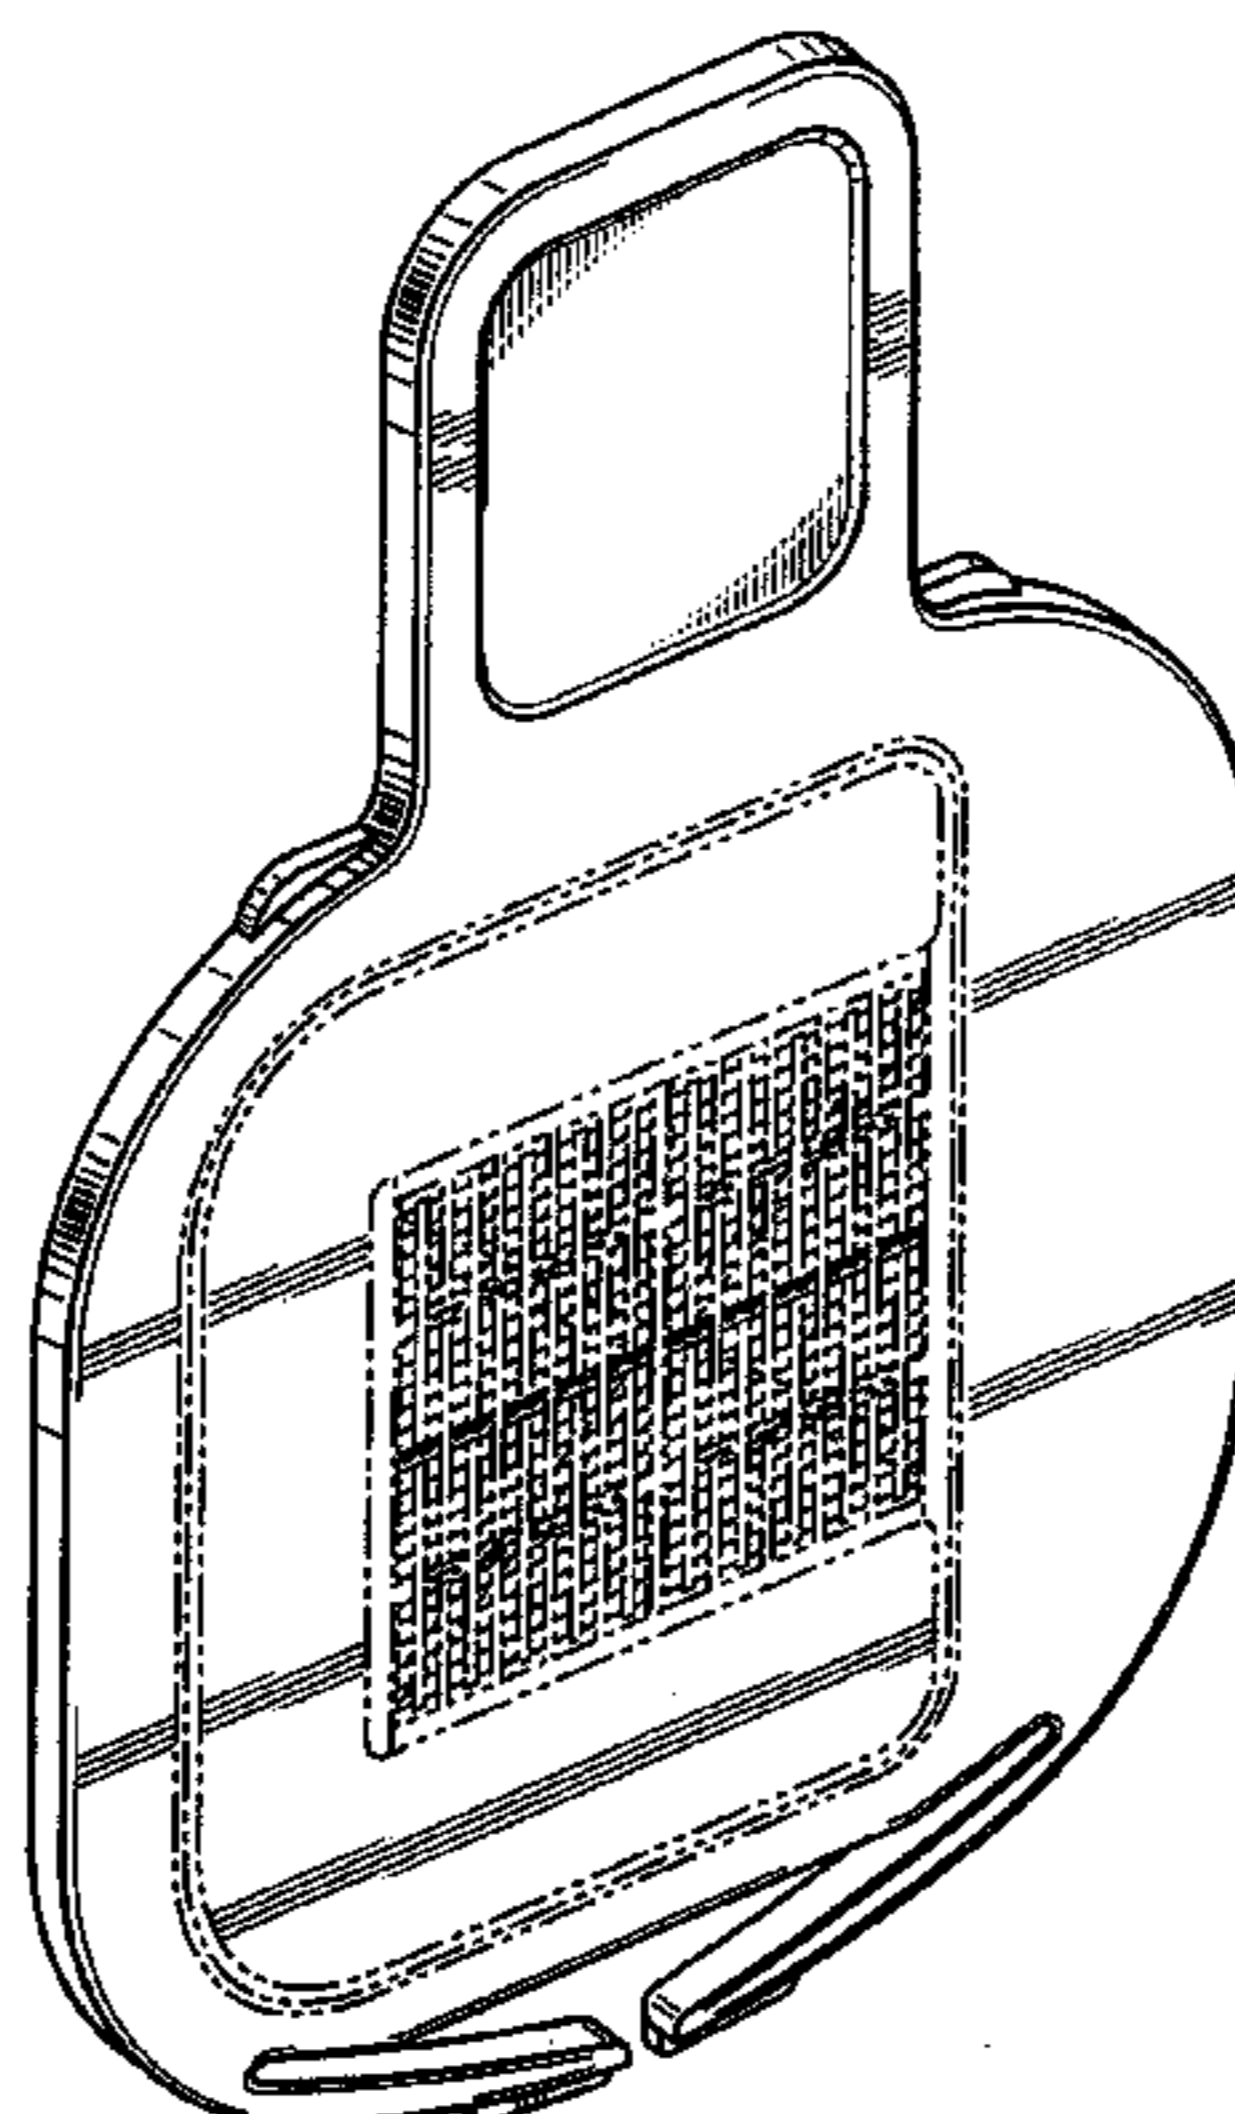

FIG. 5 is a bottom plan view of the disposable microporation porator of FIG. 1;

FIG. 6 is a front elevational view of the disposable microporation porator of FIG. 1; and,

FIG. 7 is a rear elevational view of disposable microporation porator of FIG. 1.

The broken lines shown in FIGS. 1-7 are for illustrative purposes only and form no part of the claimed design.
