(57) **CLAIM**

The ornamental design for a molding for sealing a motor vehicle windshield with a cowl panel, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a molding for sealing a motor vehicle windshield with a cowl panel, showing my new design; and,

FIG. 2 is an end view thereof.

The middle portion of the molding is broken away in FIG. 1 to indicate no particular length. The broken lines in FIG. 2 show a window edge portion and foam tape and form no part of the claimed design.
