(57) **CLAIM**

I claim the ornamental design for a dial for a combined wrist computer and wrist watch, as shown and described.

DESCRIPTION

The sole FIGURE is a top plan view of a dial for a combined wrist computer and wrist watch showing my new design.

The broken lines shown in the drawing are for illustrative purposes only and form no part of the claimed design. The claimed design is of no appreciable thickness, and the rear is plain and unornamented. The claimed portions of the dial for a combined wrist computer and wrist watch that are shown in the drawing are flat.
